### Understanding What Makes a Great True Crime Podcast

The landscape of true crime on Apple Podcasts is vast, but not all podcasts are created equal. Several key elements contribute to a truly exceptional listening experience. Foremost among these is the quality of research and journalistic integrity. A great true crime podcast dedicates significant time to fact-checking, interviewing relevant sources, and presenting information accurately and ethically. This often involves extensive archival research, legal document review, and access to individuals involved in the cases, whether victims' families, legal professionals, or even those who were wrongly accused.

Beyond factual accuracy, compelling narrative structure is paramount. The best podcasts weave intricate stories, building suspense, introducing characters effectively, and maintaining listener engagement from beginning to end. This involves skilled scripting, thoughtful pacing, and the judicious use of sound design and music to enhance the emotional impact without resorting to sensationalism. The hosts' delivery also plays a crucial role; a captivating host can guide listeners through complex details, offer insightful commentary, and foster a sense of shared investigation.

Furthermore, ethical considerations are increasingly important in the true crime genre. Responsible podcasts prioritize the dignity and privacy of victims and their families, avoid gratuitous speculation, and aim to shed light on systemic issues rather than simply capitalizing on tragedy. This balance between informing and respecting the gravity of the subject matter is a hallmark of the most respected true crime offerings.

## **Top-Tier True Crime Podcasts on Apple You Can't Miss**

Apple Podcasts hosts an impressive array of true crime content, with several standout series consistently ranking among the best. These podcasts have garnered widespread acclaim for their investigative depth, gripping storytelling, and commitment to uncovering the truth behind often complex and disturbing cases.

One such podcast that has captivated audiences is "Serial." This groundbreaking investigative journalism series, which meticulously unpacks a single case over an entire season, set a new standard for the genre. Its detailed reporting and examination of evidence have sparked renewed interest and debate in real-life criminal investigations. Another highly recommended podcast is "My Favorite Murder," which offers a unique blend of humor and in-depth case discussions, making it accessible and engaging for a broad audience while still respecting the victims.

For those seeking deeply researched narratives, "S-Town" provides an intimate look into a complex murder investigation in rural Alabama, revealing layers

of mystery and human intrigue. Similarly, "Up and Vanished" has achieved significant success by actively investigating cold cases and soliciting public tips, leading to real-world developments. These examples represent just a fraction of the exceptional true crime content available, each offering a distinct approach to exploring the realities of crime and justice.

## **Investigative Deep Dives: Uncovering Hidden Truths**

The power of true crime podcasts often lies in their ability to conduct exhaustive investigations, bringing to light facts that may have been overlooked or intentionally obscured. These series are characterized by their painstaking research, extensive interviews, and a commitment to presenting a comprehensive picture of the events and the individuals involved.

"In the Dark" is a prime example of an investigative deep dive. The podcast's second season, in particular, meticulously examined the handling of a child abduction case, exposing systemic failures and potential corruption within the justice system. Its detailed reporting not only informed listeners but also had a tangible impact on the case. Another podcast known for its rigorous investigation is "Bear Brook." This series delves into a decades-old mystery involving unidentified bodies and employs cutting-edge forensic science to uncover new leads and identify the victims, offering a fascinating look at the intersection of science and crime-solving.

These podcasts go beyond surface-level reporting, often spending years on a single investigation. They meticulously reconstruct timelines, analyze evidence from multiple perspectives, and challenge established narratives. The dedication to uncovering hidden truths makes them essential listening for anyone interested in the intricacies of criminal investigations and the pursuit of justice.

## **Unsolved Mysteries and Cold Cases: The Lingering Questions**

The allure of unsolved mysteries and cold cases is a significant draw for many true crime podcast enthusiasts. These narratives tap into our innate desire for resolution and justice, exploring enigmas that have baffled authorities for years, or even decades. Apple Podcasts is rich with series dedicated to these perplexing cases.

"Unexplained" offers a compelling look into various mysteries, including those of a criminal nature, approaching them with a sensitive and inquisitive tone. While not exclusively true crime, its explorations of baffling events often intersect with criminal investigations that remain unresolved. "Someone Knows Something" is another series that focuses on cold cases, with host

David Ridgen revisiting the investigation of a missing child case from the 1970s. The podcast's methodical approach and empathetic interviewing style have brought renewed attention and hope to these long-forgotten tragedies. Listeners are often drawn into the process of piecing together clues alongside the hosts, making them active participants in the search for answers.

These podcasts serve as powerful platforms for keeping these cases alive in the public consciousness, often encouraging new leads or providing closure to families who have waited years for answers. The lingering questions in these narratives highlight the persistent challenges in criminal investigations and the enduring hope for justice.

## **Serial Offenders and Psychological Thrillers**

The study of serial offenders and the psychological underpinnings of criminal behavior forms another significant pillar within the true crime podcast genre. These podcasts delve into the minds of those who commit heinous acts, exploring their motivations, patterns, and the societal factors that may contribute to their actions. Apple Podcasts offers a wealth of content in this vein.

"Criminal" is a highly regarded podcast that, while covering a broad range of criminal topics, frequently explores the stories of individuals who have committed crimes, often with a focus on the human element and the "why" behind their actions. Another excellent example is "The Case of Jonestown," which, although not strictly about a single serial offender, examines the psychological manipulation and mass hysteria that led to one of the most tragic events in modern history. For a more direct exploration of notorious criminals, podcasts like "Mindhunter" (inspired by the book and series) provide insights into the early days of criminal profiling.

These series often employ expert interviews with psychologists, criminologists, and law enforcement officials to provide a deeper understanding of criminal psychology. They aim to unravel the complexities of the human psyche and the circumstances that can lead individuals down dark paths, offering listeners a chilling yet educational perspective on the nature of evil.

## **Focusing on Justice: Wrongful Convictions and Advocacy**

A particularly important segment of the true crime podcast world is dedicated to examining cases of wrongful conviction and advocating for justice for those who have been unfairly imprisoned. These podcasts often highlight the

flaws within the legal system and the devastating impact of miscarriages of justice. Apple Podcasts provides a crucial platform for these stories.

"The Innocence Files," produced by the Innocence Project, is a powerful example, showcasing the stories of individuals who have been exonerated after spending years behind bars. The podcast meticulously details the evidence of their innocence and the fight for freedom. Another impactful series is "Conviction." While it has explored various aspects of criminal justice, its focus on specific cases often reveals the challenges and triumphs of those seeking to overturn wrongful convictions. These podcasts not only inform listeners about specific injustices but also serve as a call to action, encouraging reflection on the reliability of the justice system and the importance of continuous vigilance.

The commitment of these podcasts to shedding light on wrongful convictions is vital. They humanize the statistics, offering deeply personal accounts of resilience, perseverance, and the relentless pursuit of truth and exoneration. These stories are often as compelling as any fictional thriller, but with the added weight of real-life consequence.

## **Exploring Niche True Crime Themes**

Beyond the broad categories, the true crime genre on Apple Podcasts also boasts a vibrant collection of niche podcasts that delve into specific types of crimes, historical periods, or unique investigative approaches. These specialized series cater to listeners with particular interests within the vast true crime landscape.

Some podcasts focus on historical crimes, offering a window into the criminal past and how justice was administered (or not) in different eras. Others might concentrate on cybercrime, financial fraud, or specific types of unsolved disappearances. For example, "The Vanished Podcast: True Crime Cases of the Missing and Unidentified" dedicates itself to giving a voice to the missing, a niche that resonates deeply with listeners who want to highlight these often-overlooked cases. Another interesting niche is found in podcasts that explore crimes within specific communities or industries, providing a unique cultural or professional lens.

These niche podcasts often provide a level of detail and focus that broader series cannot achieve. They allow for a deeper dive into specialized subject matter, appealing to listeners who have a particular fascination with certain aspects of criminal activity or investigation. Their dedicated followings demonstrate the diverse interests within the true crime audience and the platform's ability to serve them all.

# Tips for Navigating the True Crime Podcast Landscape on Apple

With the sheer volume of true crime podcasts available on Apple Podcasts, navigating the selection can feel overwhelming. However, a few strategies can help you discover the best content tailored to your preferences. First, utilize Apple Podcasts' built-in search function with specific keywords like "unsolved mysteries," "cold cases," or "serial killer investigations" to find relevant shows.

Next, pay attention to ratings and reviews. While not always definitive, a high number of positive reviews can often indicate a podcast's quality, storytelling, and factual accuracy. Look for common themes in reviews that praise in-depth research, compelling narration, or ethical reporting. Furthermore, explore the "True Crime" charts and categories within Apple Podcasts to see what is trending and what other listeners are enjoying.

Don't be afraid to sample a few episodes from different podcasts before committing to a full season. This allows you to gauge the hosts' style, the show's production quality, and whether the narrative approach resonates with you. Consider which type of true crime content you most enjoy – investigative journalism, historical accounts, psychological deep dives, or lighter, more conversational formats – and refine your search accordingly. By employing these tips, you can effectively curate a personalized listening experience among the best true crime podcasts on Apple.

## Frequently Asked Questions

### **Q: What are the most popular true crime podcasts on Apple Podcasts right now?**

A: While popularity can fluctuate, some consistently top the charts on Apple Podcasts for true crime, including "Serial," "My Favorite Murder," "Crime Junkie," and "Up and Vanished." These shows are celebrated for their engaging storytelling and investigative prowess.

### **Q: Are there any good true crime podcasts on Apple Podcasts for beginners?**

A: For beginners, "Crime Junkie" is often recommended due to its accessible format and straightforward case presentations. "My Favorite Murder" also offers a more lighthearted entry point with its blend of humor and true crime discussion.

## **Q: Which true crime podcasts on Apple Podcasts focus on unsolved cases?**

A: Podcasts like "The Vanished Podcast," "Someone Knows Something," and "Unexplained" are excellent choices for those interested in unsolved mysteries and cold cases, offering in-depth explorations and sometimes even seeking new leads.

## **Q: How can I find podcasts on Apple Podcasts that focus on wrongful convictions?**

A: You can search for terms like "wrongful conviction," "exoneration," or "Innocence Project" within Apple Podcasts. Series like "The Innocence Files" are specifically dedicated to these important stories.

## **Q: Are there any true crime podcasts on Apple Podcasts that are highly investigative?**

A: Yes, podcasts such as "In the Dark" and "Bear Brook" are renowned for their deep investigative journalism, meticulous research, and significant impact on the cases they cover.

## **Q: What is the difference between a documentary-style true crime podcast and a conversational one on Apple Podcasts?**

A: Documentary-style podcasts, like "Serial," are heavily researched and scripted, often featuring interviews and soundscapes to tell a cohesive story. Conversational podcasts, such as "My Favorite Murder" or "Crime Junkie," typically involve hosts discussing cases with a more informal and often humorous tone.

## **Q: Do any true crime podcasts on Apple Podcasts offer solutions or updates on old cases?**

A: Some podcasts, like "Up and Vanished," have actively contributed to solving cases by bringing renewed public attention and soliciting tips, leading to significant developments and arrests. Others aim to provide closure or explore lingering questions.

## **Q: What are some ethical considerations when**

# Listening to true crime podcasts on Apple Podcasts?

A: It's important to be mindful that these podcasts cover real tragedies. Listeners should seek out shows that handle cases with sensitivity, respect victims' families, avoid gratuitous sensationalism, and prioritize factual accuracy and responsible storytelling.

**best true crime podcasts on apple:** *Trial by Media* Lieve Gies, 2025-02-24 This edited collection brings together scholars from criminology, law, media and communication studies, politics and linguistics to consider the different meanings and dimensions of trial by media. Trial by media remains an under-researched and under-conceptualised phenomenon. This book sheds new light on the complex and evolving interfaces between courts, media and justice. It features original analysis of high-profile cases of media trials including Nicola Bulley (UK), Lindy Chamberlain (Australia), Chris Dawson (Australia), Sanda Dia (Belgium), Dragan Vasiljković (Australia) and Roman Zadorov (Israel). Acknowledging the risks and benefits of heightened media scrutiny of the criminal justice system, the book challenges the notion that trial by media is invariably incompatible with the requirements of natural justice. It also foregrounds ways in which media trials routinely occur in the absence of a legal trial, arguing that there is a need to broaden and rethink the concept of trial by media. The book reflects on the enduring significance of legacy media for public perceptions of the law and the disruptive impact associated with digital media. Furthermore, the collection considers the implications of trial by media for the integrity of court proceedings and the protection of human rights. It offers an assessment of the potential demise of court reporting and its traditional bridging function between courts and public opinion.

**best true crime podcasts on apple:** *Entertainment, Journalism, and Advocacy* Lindsey A. Sherrill, 2023-02-13 In this book, Lindsey A. Sherrill explores the exponential growth of true crime podcasting, including the role of the ubiquitous Serial podcast in the growth of the industry. Using both demographic population analysis and interviews with podcast hosts and producers, Sherrill demonstrates that true crime podcasts exist as hybrid organizations, with diverse goals ranging from entertainment to criminal justice reform advocacy to journalistic inquiry. These competing motivations of podcast producers are explored, along with the ethical quandaries that emerge in the process of telling true crime stories. Sherrill traces true crime podcasting back to the infancy of the medium and examines the influences, innovations, and events that created the true crime podcast ecosystem, as well as its influence on real cases in the United States. Scholars of communication, sociology, and media studies will find this book of particular interest.

**best true crime podcasts on apple:** *How to Promote Your Book* Jan Yager, 2023-01-18 Writing a great book is the easy part. Getting people to buy the book is wicked hard. Jan's book shows you what promotion to do so you increase the possibility that your book becomes a bestseller." —Jeffrey Fox, bestselling author, *How to Become a Rainmaker* Being an author is 50% creative and 50% promotion. Jan Yager's comprehensive and practical book, *How to Promote Your Book*, tells authors exactly what they need to know and do to promote their book. I'm recommending

it to all the authors I know including those whose books I share through my Bedside Reading program. —Jane Ubell-Meyer, CEO, Bedside Reading, former TV producer, Good Morning America, Entertainment Tonight, WSJ-TV Whether your book is being released through a commercial publisher or an academic press, or you are self-publishing it, as the author, you can and should play a crucial role in getting your title seen, talked about, and sold. And while you may watch dozens of authors pitch their books on TV, in social media, and in bookstores, they represent only a fraction of the writers who come out with new books each year. What do they know that you don't? They know what to do to get attention for themselves and, more important, for their books—and as you will discover in book publishing veteran Jan Yager's *How to Promote Your Book*, you can, too. The book is divided into three sections. Part One begins with a look at promotion basics. These include knowing what your book's marketplaces are, who your audience is, how the media is divided, the elements involved in publicity, and how to create an effective promotional timeline. Once you understand the basics, Part Two focuses on the ways to package and market yourself to the various book and media outlets. It discusses putting together professional looking press releases and media kits. It also explains how to obtain endorsements and reviews, as well as how to generate speaking engagements and interviews with journalists; bloggers; and radio, TV, and podcast hopes. Part Three provides a plan that covers the first three months of an author's publicity program—from the day the book is formally released through all the media events that have been lined up. Throughout the book, you will find insets that answer important questions such as, "What are the real costs involved?" and "Should I promote myself or hire a publicists?" Just as important, the author includes a valuable resource guide that provides the names, addresses, and links to many of the key places covered in the book. Jan Yager has enjoyed a fabulous career as both a best-selling author and a publisher. She has been interviewed by many of the top shows on TV and radio. In *How to Promote Your Book*, she lets you in on what she has done—both for herself and for her authors—to open the door to effective publicity.

**best true crime podcasts on apple: Creating Personal Digital Presence** Atharva R. Chandkar, Suraj Pangarkar, 2021-09-15 This book focuses on three major topics, i.e., defining the term personal digital presence, defining the various elements/tools that can be used to leverage personal digital presence, and furthermore framing an ideal strategy for people working in various fields. Many people think the word digital presence is specifically meant for businesses, and a relatively small number of individuals are aware of the importance of personal digital presence. This book helps individuals to frame out his/her strategy to leverage personal digital presence, build a good personality and indeed stand ahead of the competition in many spheres of life.

**best true crime podcasts on apple: The Routledge Handbook of Digital Sport Management** Michael L. Naraine, Ted Hayduk III, Jason P. Doyle, 2022-12-01 The Routledge Handbook of Digital Sport Management provides students, researchers, and practitioners with a contemporary roadmap of the impact of digital technologies in sport management, at all levels and in all sectors, in a global context. Divided into three sections addressing digital transformations, digital tools, and emerging digital issues, this book explores the impact of digital technology in the core functional areas of sport management, such as sponsorship, event management, and human resources. It introduces essential digital innovations such as esports, social media, VR, wearables, analytics, and artificial intelligence, and examines the debates and issues that are likely to shape and transform sport business over the next decade. The only book to survey the full sweep of digital sport management, this book is an essential reference for all serious students of sport business and management, any researcher working in the nexus of sport business and digital, and all managers, policy-makers or associated professionals working in the sport industry.

**best true crime podcasts on apple: *The Routledge International Handbook of Online Deviance*** Roderick S. Graham, Stephan G. Humer, Claire Seungeun Lee, Veronika Nagy, 2024-09-16 Covering a wide range of different online platforms, including social media sites and chatrooms, this volume is a comprehensive exploration of the current state of sociological and criminological scholarship focused on online deviance. Understanding deviance broadly, the handbook acknowledges both an

objective normative approach and a subjective, reactivist approach to the topic, putting into sharp relief the distinctions between cybercrime and online deviance on the one hand, and wider concerns of online communities related to online deviance on the other. Divided into five sections, the first section is devoted primarily to scholarship about the theories and methods foundational to exploring online deviance. The second section, "Gender, Sex, and Sexuality", presents empirical research on expressions of gender, sex, and sexuality in online spaces considered deviant. The third section, "Violence and Aggression," highlights scholarship on types of violent communications such as hate speech and cyberstalking. The fourth section, "Communities and Culture," describes empirical research on online communities and networks that can be described as deviant by wider society. Lastly, the fifth section, "Regional Perspectives," highlights research in which a terrestrial location is impactful to the online phenomena studied. Providing a window into future scholarship over the next several years and acknowledging the ephemeral nature of research on digital technology, The Routledge International Handbook on Online Deviance is essential reading for students and scholars of Criminology and Sociology focused on deviant online behaviour. It will also appeal to those working in related areas within Internet/Digital Studies, Media/Communication Studies, Psychology, and Cybersecurity.

**best true crime podcasts on apple: #MeToo TV** Ralph Beliveau, Lisa Funnell, 2025-02-28 The #MeToo movement has heightened awareness about the prevalence of sexual violence across professional, public, and private spheres. Since the movement began, many individuals have bravely stepped forward to share their experiences within media industries that historically protected predators while silencing survivors. Television and streaming content also conveys messages about gender, sex, consent, and power that influences public consciousness. These portrayals of sexual violence warrant re-examination from the perspective of the #MeToo movement. This essay collection explores sexual violence within television and streaming media, building on the previous work, *Screening #MeToo: Rape Culture in Hollywood* (SUNY Press 2022). The current anthology features essays covering a diverse range of genres--from documentary and true crime to drama and comedy--across various platforms, including network television and streaming services. The contributing authors analyze representational tropes through an intersectional perspective and examine how trauma, memory, romance, and fantasy intersect the narratives presented. Prompting further exploration from readers, these perspectives serve as a foundation for discussing rape culture in American television and streaming.

**best true crime podcasts on apple: Apple Siri: Unlocking AI Power in Your iPhone & Mac** DIZZY DAVIDSON, 2025-04-24 Are you struggling to unlock the full potential of Siri on your Apple devices? **best true crime podcasts on apple: Fire in the Whole** Robert G. Callahan, II, 2024-09-24 Fire in the Whole explores the anger of Black Christians who feel betrayed by white Christianity's complicity of perpetuating racism. In this transformative work, author Robert Callahan not only empathizes with this pain, giving words to strong and powerful emotions, but also provides guidance for healing church-related wounds. How can all Christians claim to love and serve the same God and yet see and act in the world so differently? Texas attorney and writer Robert Callahan makes the case that white American Christians have failed to embody both their civic commitment to liberty and justice for all and their biblical call to love every neighbor as Christ loves us. In Fire in the Whole, Callahan explores the poignant journey of Christians who grapple with their sense of belonging within a faith tainted by toxic political ideologies—seeking healing for their souls. Boldly questioning the authenticity of individuals within the white Christian community who adhere to Christian nationalism or claim color-blind ignorance of racial injustice through cultural conflicts, this book navigates the complex modern Christian landscape, illuminating deep-rooted racial and religious rifts exacerbated by recent political figures and toxic theology. Through compelling storytelling and analysis, Callahan provides meticulous research and heartfelt insights, drawing a roadmap for healing. Whether you are a Christian minority who is hurt and angry, a progressive white ally seeking understanding of what went wrong, or a conservative white Christian willing to engage in constructive dialogue to rebuild a fractured community, this book is a powerful guide to navigating the flames of righteous anger and emerging whole again.

**best true crime podcasts on apple: Marketing Tourism and Hospitality** Richard George, 2025-04-09 This second edition of this comprehensive textbook explores the fundamental principles of marketing applied to tourism and hospitality businesses, placing special emphasis on SMEs in the international tourism industry. It includes examples from a wide range of destinations, from emerging markets to high-income countries. Taking a comprehensive approach, the book covers the whole spectrum of tourism and hospitality marketing including destination marketing, marketing research, consumer behaviour, responsible tourism marketing, and digital and social media marketing. Practical in focus, it gives students the tools, techniques, and underlying theory required to design and implement successful tourism marketing plans. Written in an accessible and user-friendly style – this entire industry textbook includes case studies, drawing on the author's experience and real-life examples. Revised and expanded throughout, it covers: Advances in AI, robotics and automation Digital marketing, electronic customer relationship management (eCRM) and uses of user-generated content (UGC) New and updated content and discussion questions for self-study and to use in class A new chapter on responsible tourism marketing and sustainable

approaches to marketing Consumer behaviour in tourism and the effects of climate change and changes in consumer attitudes. New trends in tourism and hospitality marketing New in-depth real-life case studies and industry insights throughout the book Along with key concepts and theory, definitions, key summaries, and discussion questions, accompanying online flashcards and PowerPoint slides for lecturers, this textbook is ideal for undergraduate and postgraduate students looking for a comprehensive text with a practical orientation.

**best true crime podcasts on apple: Tucker** Emily March, 2020-02-25 In Eternity Springs: The McBrides of Texas, New York Times bestselling author Emily March presents a brand new arc set in the Lone Star State that features a family-linked trilogy within the author's romantic series. Hope springs eternal in this enchanting Texas town. Meet Gillian Thacker. Her business: Bliss Bridal Salon. Her passion: Weddings. Her own wedding: It's complicated. Life isn't turning out like she'd planned. The last thing she wants is for a real-life hero to ride to her rescue when an unexpected event puts her entire future in Redemption, Texas, at risk. So what's a broken-hearted bridal expert to do? Maybe a new set of survival skills is exactly what she needs... Tucker McBride has been proud to call himself a U.S. Army Ranger. But now that his days of service are over, he's decided to put his expertise to use by founding a wilderness skills training school. He sets up shop in Redemption, next to Bliss Bridal, and so begins life: Part Two. Marriage has been pretty low on his agenda, but as soon as he meets Gillian, Tucker can't help but contemplate the ultimate challenge: Convincing the reluctant bride to take his hand and leap into the adventure of a lifetime. . .until death do they part. "A brilliant writer you'll love creates a world you'll never want to leave."—Susan Mallery, New York Times bestselling author

In a special edition for MONSTERS WHO MURDER listeners, best-selling crime author Amanda Howard, known as the 'Serial Killer Whisperer brings together a collection of the cases from the podcast's episodes.

**best true crime podcasts on apple: All Good People Here** Ashley Flowers, 2022-08-16 #1 NEW YORK TIMES BESTSELLER • In the propulsive debut novel from the host of the #1 true crime podcast Crime Junkie, a journalist uncovers her hometown's dark secrets when she becomes obsessed with the unsolved murder of her childhood neighbor—and the disappearance of another girl twenty years later. ONE OF THE BEST BOOKS OF THE YEAR: PopSugar You can't ever know for sure what happens behind closed doors. Everyone from Wakarusa, Indiana, remembers the infamous case of January Jacobs, who was discovered in a ditch hours after her family awoke to find her gone. Margot Davies was six at the time, the same age as January—and they were next-door neighbors. In the twenty years since, Margot has grown up, moved away, and become a big-city journalist. But she's always been haunted by the feeling that it could've been her. And the worst part is, January's killer has never been brought to justice. When Margot returns home to help care for her uncle after he is diagnosed with early-onset dementia, she feels like she's walked into a time capsule. Wakarusa is exactly how she remembers—genial, stifled, secretive. Then news breaks about five-year-old Natalie Clark from the next town over, who's gone missing under circumstances eerily similar to January's. With all the old feelings rushing back, Margot vows to find Natalie and to solve January's murder once and for all. But the police, Natalie's family, the townspeople—they all seem to be hiding something. And the deeper Margot digs into Natalie's disappearance, the more resistance she encounters, and the colder January's case feels. Could January's killer still be out there? Is it the same person who took Natalie? And what will it cost to finally discover what truly happened that night twenty years ago? Twisty, chilling, and intense, All Good People Here is a searing tale that asks: What are your neighbors capable of when they think no one is watching?
