The Most Anticipated Oscar Contenders of 2025

As the year progresses, certain films inevitably emerge as early frontrunners for Academy Award nominations. These are the movies that generate buzz from film festivals, receive critical acclaim from early screenings, and possess the narrative depth and cinematic artistry that the Academy often favors. Identifying these potential nominees is the first step in understanding what 2025 Oscar nominated films are streaming or are likely to be streaming soon. The films that capture the public imagination and critical discourse are often those that tackle significant social issues, offer groundbreaking performances, or push the boundaries of filmmaking.

The selection of films for the Best Picture category, and indeed across all major categories, is a competitive process. While some films are released early in the year with the explicit intention of building Oscar momentum, others surprise audiences and critics alike with their late-year releases. This often leads to a scramble to see these films before the nominations are announced, making their streaming availability a crucial factor for widespread access. The following are some of the genres and types of films that typically find themselves in contention.

Potential Best Picture Frontrunners

The Best Picture race is always the most closely watched. Films that resonate with universal themes, showcase exceptional directing and writing, and boast ensemble casts are typically strong contenders. We are anticipating several powerful dramas and thought-provoking narratives that have already garnered significant attention. These films often come from established directors with a history of Oscar success, or from emerging talents who deliver a standout work.

Breakout Performances and Acting Categories

Beyond Best Picture, the acting categories are always a highlight. The 2025 Oscars will likely see recognition for actors who deliver transformative performances, inhabiting complex characters with nuance and intensity. These performances often come from films that may not be the biggest blockbusters but provide the perfect showcase for acting talent. Keeping an eye on early critical praise for individual actors is a good indicator of potential nominations.

Streaming Platforms to Watch for 2025 Oscar Nominees

The distribution models for films vying for Oscar recognition have evolved significantly. While traditional theatrical releases still play a vital role, many studios and production companies are now prioritizing their own streaming platforms or striking deals with major streamers to ensure their award-season hopefuls reach a wider audience. This means that understanding the streaming strategies of these companies is key to answering the question: what 2025 Oscar nominated films are streaming?

Major streaming services like Netflix, Amazon Prime Video, Max (formerly HBO Max), Hulu, and Apple TV+ are increasingly becoming the primary destinations for award-contending films, either through exclusive deals, simultaneous releases, or post-theatrical windowing. Independent distributors also play a significant role, often partnering with niche streamers or making their films available on transactional video-on-demand (TVOD) services.

Netflix and its Oscar Strategy

Netflix has consistently invested heavily in producing and acquiring films with Oscar potential. Their strategy often involves a limited theatrical run

followed by a rapid streaming release, allowing them to qualify for nominations while maximizing subscriber engagement. Many of their critically acclaimed films, from dramas to documentaries, have found a home on the platform.

Amazon Prime Video's Award-Worthy Acquisitions

Amazon Prime Video has also become a significant player in the Oscar race, often acquiring films from prestigious film festivals or partnering with studios for exclusive streaming rights. Their approach often mirrors Netflix's, balancing theatrical exposure with immediate streaming availability.

Max and its Premium Content

Max, leveraging Warner Bros. Pictures' film library and original productions, is another platform to watch. They have a history of releasing critically lauded films, and their connection to the theatrical world suggests they will continue to be a destination for potential Oscar nominees.

Hulu and Apple TV+ as Growing Contenders

Hulu, with its growing slate of original films, and Apple TV+, which has made significant strides in acquiring and producing award-season contenders, are also crucial platforms to monitor. Their investment in original content means they are likely to be home to several films that will be recognized by the Academy.

Key Genres and Their Streaming Availability

Different film genres tend to attract varying levels of critical attention and audience interest when it comes to awards season. Understanding these trends can help predict which types of films are most likely to be nominated and, consequently, where to find them streaming. The landscape of streaming availability is often shaped by the genre and the distribution strategy of the studio or production company behind the film.

While dramatic narratives often dominate the major categories, documentaries and animated features have also gained significant traction and are increasingly finding their way onto streaming platforms shortly after their festival runs or limited theatrical releases. The accessibility provided by

streaming has undoubtedly broadened the reach of these diverse cinematic works.

Dramas and Their Path to Streaming

Dramas, particularly those with strong performances and compelling social commentary, are perennial favorites for Oscar nominations. Films in this genre often undergo a standard theatrical release followed by a period of exclusivity before appearing on streaming services. However, with the rise of prestige streaming originals, many dramas are now premiering directly on platforms like Netflix or Apple TV+.

Documentaries: An Increasing Streaming Presence

Documentaries have seen a surge in popularity and critical acclaim in recent years. Major streaming services are actively acquiring and producing documentaries, recognizing their potential to attract diverse audiences and critical accolades. This means that many of the year's most impactful non-fiction films are likely to be available for streaming relatively quickly.

Animated Features and International Films

Animated features, beyond the usual family-friendly fare, often contain sophisticated storytelling and artistry that warrant Oscar consideration. Similarly, international films, once relegated to niche art-house cinemas, are now more accessible than ever through streaming platforms that cater to global cinema enthusiasts. These films often require specific platform subscriptions or transactional rentals.

How to Stay Updated on Oscar Nominee Streaming Status

The dynamic nature of film releases and streaming availability necessitates a proactive approach to tracking. Keeping up with what 2025 Oscar nominated films are streaming requires consistent monitoring of industry news, critical reviews, and platform announcements. Fortunately, several reliable methods can help you stay informed throughout the awards season.

Following reputable film journalists, industry trade publications, and the official social media channels of streaming services are excellent ways to gather timely information. Additionally, dedicated film websites and apps

often compile lists of newly available Oscar contenders, simplifying the search process for viewers eager to catch up on potential award winners before the ceremony.

- Monitor industry publications for release date announcements.
- Follow the official social media accounts of streaming platforms.
- Check dedicated film review and news websites regularly.
- Utilize streaming guides and aggregation apps.
- Keep an eye on announcements from major film festivals.

The anticipation for the 2025 Oscars brings with it a wave of incredible cinematic achievements, and the question of their streaming availability is more pertinent than ever. By understanding the distribution strategies of major streamers and keeping a pulse on industry news, cinephiles can ensure they don't miss out on any of the year's most celebrated films. The accessibility provided by streaming has truly democratized the viewing experience for award-season cinema, allowing a broader audience to engage with these artistic works.

Frequently Asked Questions

Q: When will the official list of 2025 Oscar nominees be announced?

A: The official nominations for the 97th Academy Awards are typically announced in late January. This allows ample time for the public and critics to catch up on films that have been campaigning for awards.

Q: Are all Oscar nominated films available on a single streaming service?

A: No, Oscar nominated films are distributed across a wide variety of streaming services, including major platforms like Netflix, Amazon Prime Video, Max, Hulu, and Apple TV+, as well as transactional video-on-demand (TVOD) services and sometimes through limited theatrical runs.

Q: How can I find out if a specific Oscar-nominated film is streaming?

A: You can check the streaming availability by visiting the websites or apps of major streaming services, using streaming guide websites that aggregate content across platforms, or by searching for the film's title on search engines, which will often link to available viewing options.

Q: Do foreign language films have the same streaming availability as English-language films?

A: Foreign language films that are Oscar nominated are increasingly available on streaming platforms that cater to international cinema, such as Netflix, Amazon Prime Video, MUBI, or specialized international film streaming services. Availability can vary significantly by region.

Q: Will films that had a limited theatrical release be available on streaming before the Oscar nominations?

A: Yes, many films that receive limited theatrical releases do so specifically to qualify for Oscar nominations. They are often made available on streaming platforms or for digital rental and purchase shortly after their theatrical debut to maximize their reach.

Q: What is the typical window between a film's theatrical release and its streaming availability for Oscar contenders?

A: This window has become highly variable. Some films receive a simultaneous theatrical and streaming release, while others might have an exclusive theatrical run of a few weeks to over a month before hitting streaming services or becoming available for digital purchase.

Q: Can I rent or buy Oscar nominated films digitally if they aren't on my subscription streaming services?

A: Absolutely. Most major Oscar nominated films are available for rent or purchase on transactional digital platforms like Apple TV (iTunes), Amazon Prime Video, Google Play, Vudu, and YouTube Movies, regardless of whether they are part of a subscription service.

what 2025 oscar nominated films are streaming: The Oscars on Trial Pasquale De Marco, 2025-05-07 The Oscars are the most prestigious awards in the film industry, and they have been handed out annually since 1929. Over the years, the Oscars have honored some of the greatest films ever made, but they have also been known to make some questionable choices. In *The Oscars on Trial*, we take a look at some of the most controversial Oscar winners and losers, as well as some of the most memorable Oscar moments. We start by examining some of the Academy's all-time blunders. These are films that were nominated for Best Picture but lost to films that are now considered to be far inferior. We also take a look at some of the films that were snubbed by the Academy, films that many critics and fans believe should have won Best Picture. Next, we turn our attention to the politics of Oscar. We examine the influence of studio money, celebrity endorsements, and Academy voters' biases on the outcome of the Oscars. We also discuss the impact of social and political issues on the Oscars, and how the awards have reflected American culture over the years. In the third chapter, we take a look at some of the most overrated Oscar winners. These are films that won Best Picture but are now considered to be overhyped and undeserving of their awards. We also take a look at some of the most underrated Oscar losers, films that were nominated for Best Picture but lost to films that are now considered to be far superior. In the fourth chapter, we discuss some of the most memorable Oscar speeches. These are speeches that were either particularly moving, funny, or controversial. We also take a look at some of the most shocking Oscar moments, such as the envelope mix-up at the 2017 Oscars and the streaker who interrupted the 1974 Oscars. In the fifth and final chapter, we look at the future of the Oscars. We discuss the changing demographics of Academy voters, the rise of streaming services, and the impact of social media on the Oscars. We also discuss the need for greater diversity and inclusion in the Oscars, and how the awards can remain relevant in a changing world. *The Oscars on Trial* is a fascinating and complex look at the Oscars, one of the most prestigious and controversial awards in the world. Whether you're a film buff or just a casual observer of the Oscars, *The Oscars on Trial* is sure to entertain and inform you. If you like this book, write a review on google books!

what 2025 oscar nominated films are streaming: Digital Film and Television Culture Helle Kannik Hastrup, 2025-04-14 *Digital Film and Television Culture* introduces a new framework for the aesthetic and cultural analysis of contemporary film and serial drama, stars on social media and movie awards shows. It examines contemporary digital media culture with four specific case studies, their cultural contexts and how audiences engage with them online. Drawing on two perspectives – the digital media circuit and the expanded cultural forum – as frameworks for the analysis, this book explores the complexity of film and television culture in the digital age. The analysis encompasses films with experimental storytelling techniques, from blockbusters to art films, coming-of-age serial drama as hybrid genre, the visual identity narratives of movie stars on social media and the broadcast movie awards as a cultural authority in the era of streaming. The book offers in-depth case studies of *Everything Everywhere All at Once*, *Stranger Things*, the performance of Zendaya and Timothée Chalamet on Instagram and the Academy Awards Ceremony as live media event genre. Each chapter includes a genre analysis, an examination of the cultural context and a micro-study of how audiences engage on Letterboxd, Reddit or other social media. This timely, cross-disciplinary book is essential reading for students and scholars in film, media, cultural studies, celebrity and digital cultures and for anyone interested in contemporary film and television culture.

Birthdays of new world leaders, lauded authors, sports stars and breakout celebrities Info on milestone anniversaries, such as the 250th anniversary of the beginning of the Revolutionary War, the 250th birth anniversary of Jane Austen, the 150th birth anniversary of Mary McLeod Bethune, the 50th anniversary of the cult film *The Rocky Horror Picture Show*, the 25th anniversary of the first human habitation of the International Space Station, and much more. Information on such special events as the International Year of Glaciers' Preservation and Expo 2025 And much more!

what 2025 oscar nominated films are streaming: *Oscar Controversies* Octavia Marchand, AI, 2025-02-24 *Oscar Controversies* examines the Academy Awards through a critical lens, revealing how upsets, snubs, and scandals have marked its history. The book argues that the Oscars are not objective measures of cinematic quality; instead, they reflect subjective tastes, strategic campaigning, and prevailing social and political climates. Did you know that some historical analyses suggest vote rigging has influenced outcomes? The book dives into the complex web of film industry politics, exploring how these controversies mirror broader trends in society. The book approaches these topics by first introducing the history and voting system of the Academy Awards. It then dedicates chapters to specific examples of upsets, snubs, and scandals, drawing upon contemporary reviews and historical records. For instance, it investigates instances where films with poor critical reception still managed to win, highlighting potential factors such as effective marketing or studio influence. Understanding these events requires a grasp of the economics of the film industry, and the historical context in which these events unfolded, shedding light on the ongoing debates surrounding diversity and representation. Finally, the book analyzes the patterns and trends that emerge from these controversies, offering a nuanced perspective on the Academy's role in shaping film culture. By exploring these historical moments, *Oscar Controversies* provides a valuable resource for film enthusiasts and students of film history, offering a critical appreciation for the awards and the film industry itself.

what 2025 oscar nominated films are streaming: *Mr. In-Between* Bill Kroyer, 2025-02-28 What's changed most in your lifetime? The switch from land lines to cell phones? From snail mail to email? How about the transition from Bugs Bunny to Buzz Lightyear? Those Bugs and Daffy cartoons you loved as a kid look nothing like the PIXAR classics *Toy Story* or *The Incredibles*. *Mr. In-Between: My Life in the Middle of the Animation Revolution* is the fascinating and hilarious saga of one of animation's computer graphics pioneers, Bill Kroyer, making his way to Hollywood to end up as a key figure in the technical revolution of animation's Second Golden Age. He provides an artist's explanation of the fundamental principles of animation, from the basic mechanics of motion to the immersive, artful experience of visualizing and realizing the performance of an imaginary character. Rather than a scholarly listing of films and filmmakers, the book is instead a captivating first-person journey through what may be the most important transition in the history of the arts—the transformation and renaissance of the animated film in the digital age. An important work for

scholars, and an eye-opening and page-turning adventure for any film or cartoon fan, Mr. In-Between is a book that has the ultimate writing credit. Bill Kroyer was there. Key Features: Explains the step-by-step evolution of the digital tools of computer animation, from the most basic primitive "scripted" motion to the current application of artificial intelligence Describes some of the most remarkable, eccentric, and colorful geniuses who populated the quirky now-vanished subculture of "hand-drawn animation" Takes the reader on a world-wide tour of animation studios on four continents, explaining the vast cultural differences, but common artistic devotion, of animators in places as diverse as communist China, Europe, India, and the Philippines Recounts fascinating and surprising interactions with world-famous celebrities that worked with the animation industry, including legendary musicians, Oscar-winning actors and the King of the United Kingdom

what 2025 oscar nominated films are streaming: Oscar Bait Robert Boucaut, 2025-09-22 The Academy Awards – or the Oscars – have held a unique position in defining and enacting prestige for film industries and their publics. In evaluating 'the best' of film, they wield cultural influence over such cinema practices as consumption and evaluation, filmmaking aesthetics and narratives, and the discursive activity of Hollywood's industrial agents and audiences. *Oscar Bait: The Academy Awards & Cultural Prestige* offers a comprehensive insight into how a film or star positions one's self as a viable competitor worthy of such consecration in new media contexts. Based over three years of 'Oscars seasons' (2019–2021), rigorous analysis of film texts, awards telecasts, and circulating discursive media is built through an original scholarly framework for understanding modern cultural awards. *Oscar Bait* recontextualises the Oscars' complex legacy into a new media ecosystem, one in which their established value is undercut by declining broadcast viewership, the changing values and demands of global film publics, and influential discourses aiming to progress popular culture beyond its problematic histories. In this new paradigm of film production and consumption, Boucaut explores what the Oscars mean in a contemporary filmmaking landscape and what impacts established stereotypes of Oscar-worthiness – the colloquial 'Oscar Bait' – continue to hold over the awards. *Oscar Bait* captures a dynamic snapshot of the Oscars and Hollywood in a critical era. It advances popular culture scholarship by developing an analytical framework for understanding disparate media texts within an awards season – and it critically updates Oscars knowledges for modern contexts. Readers interested in media and cultural studies, celebrity studies, persona studies, popular culture, and film will enjoy this book.

what 2025 oscar nominated films are streaming: *Hollywood's Golden Glamour: Unveiling the Oscars' Enchanting Story* Pasquale De Marco, 2025-07-23 Embark on an enchanting journey into the world's most prestigious film awards with *Hollywood's Golden Glamour: Unveiling the Oscars' Enchanting Story*. what 2025 oscar nominated films are streaming: Now Media Norman J. Medoff, Barbara K. Kaye, 2025-05-06 Now in its fifth edition, this book is one of the leading texts on the evolution of electronic mass communication in the last century, giving students a clear understanding of how the media of yesterday shaped the media world of today. Now Media provides a comprehensive view of the development of media and the subsequent advancements into 'now' digital media. Each chapter is organized chronologically, starting with print, radio, and television, then moving to the 'now media' of today, and finally exploring possibilities for the media of the future. Topics include the rise of social media, uses of personal communication devices, the film industry, virtual reality, digital advertising, and the innovations that laid the groundwork for 'now media.' This fully updated fifth edition features new chapters on video games and the business of, and careers in, 'now media.' Discussions on rapidly evolving 'now media' stakeholders, such as influencers and YouTubers are included, and attention is paid to AI throughout the book. This book remains a key text and trusted resource for students and scholars of digital mass communication and communication history alike.

what 2025 oscar nominated films are streaming: "All I wanna do is go the distance" Philip L. Simpson, Kathy Merlock Jackson, 2025-08-22 If any film has gone the distance, it's Rocky (1976), which spawned one of the longest running franchises in film history. Released in America's bicentennial year, Rocky, based on an original screenplay by then-unknown writer and actor Sylvester Stallone, surprised everyone. Shot on a shoestring budget by director John Avildsen, the film became a blockbuster and Academy Award-winning best picture. In addition to spawning a lucrative franchise and spin-offs, Rocky propelled the careers of Stallone and Talia Shire, raised interest in boxing and sports movies, and placed Philadelphia and its architecture in the popular consciousness. Rocky has always been a contested text, raising questions about race, gender, and class in America, as well as debate about genre, storytelling, and film art--questions which are addressed at length in this rich collection of essays. As the contributing scholars show, Rocky and its sequels retain their power to rouse audiences well into the twenty-first century and continue to inspire audiences, athletes, and filmmakers.

what 2025 oscar nominated films are streaming: Overhearing Film Music John Caps, 2025-01-01 Beginning with a quick history of film scoring and then taking the reader backstage to interview a dozen major screen composers, Overhearing Film Music represents three generations of movie soundtrack music. Ranging from groundbreaking composers who scored classic 1940s melodramas such as *Laura* and *The Thief of Bagdad*, to the jazz-influenced modernists who worked on *Rebel Without a Cause* and *The Pink Panther*, and into the symphonic renaissance represented by films like *Star Wars* and *Harry Potter*, Caps asks the seminal questions: How did this kind of active movie scoring evolve from silent films—and where is it headed? These interviews provide a master class in how and why to score a film. Interspersed among the interviews, Caps's single-subject essays provide concise histories of the use of choral music in films, African American and female film composers, and digital composing software for a new era.

what 2025 oscar nominated films are streaming: John Williams Film Music Journalist and Historian Adjunct Instructor in Film Music History Tim Greiving, Tim Greiving, 2025 John Williams is the most famous film composer of all time. He wrote as many universally well-known tunes as the Beatles or Beethoven, if not more; his themes for *Jaws*, *Star Wars*, *Indiana Jones*, *E.T.*, *Jurassic Park*, and *Harry Potter* are beloved around the world by multiple generations. This is the first major biography, achieved with unprecedented access to Williams and new interviews with Steven Spielberg and Yo-Yo Ma, among many others.

what 2025 oscar nominated films are streaming: The New York Times Essential Library: Children's Movies Peter M. Nichols, 2003-11-06 An indispensable guide for parents from a leading expert on children's film For years Peter M. Nichols has been offering vital advice and information for parents about current movies in his regular Taking the Children column. But parents need the

same kind of guidance when renting or buying videos and DVDs for their family. They may know that movies such as *Toy Story* and *Chicken Run* are good choices for their children, but Nichols helps parents go beyond the obvious choices to more unconventional movies like *The African Queen* and *Some Like It Hot*. From the classics of animation to a host of great comedies and dramas, Nichols provides a knowing and illuminating guide to one hundred great cinematic works. Each brief original essay not only explains why the children will enjoy the film but also allows Nichols to offer timely bits of film history and to discuss certain films in a larger cultural context. Nichols's knowledge and understanding of films is broad and deep, and many of his choices-especially of films that we might not have thought of as children's films-will surprise and delight readers.

what 2025 oscar nominated films are streaming: *Judy Garland* Scott Brogan, 2025-06-18 A Definitive Celebration of Hollywood's Iconic Musical Star and Her Legendary Career More than 100 years after her birth, Judy Garland remains the gold standard by which all movie musical leading ladies are judged. She is revered and celebrated by current stars, directors, songwriters, and others in the entertainment industry. She also has a fan base that is as large as that of Marilyn Monroe or James Dean. Her image, especially "Dorothy" in *The Wizard of Oz* (1939), is an instantly recognized icon. Garland really was the voice of MGM during her tenure and after. No documentary about any aspect of the history of the MGM Studios is complete without Garland's voice on the soundtrack. When people think of MGM Musicals, they think of Garland along with Gene Kelly and Fred Astaire. She's the only female in that exalted "top three." There have been many books about Garland's fabled and troubled life, but none devoted solely to the study (and celebration) of her years at MGM. She entered the studio as a 13-year-old contract player in 1935. She left the studio in 1950 carrying the title "Metro's Greatest Asset." *Judy Garland: The Voice of MGM* will focus on Garland's films, but it will also delve into her other professional achievements such as her extensive appearances on radio programs, her long association with Decca Records, and her personal appearances, highlighted by her two USO Bond Tours in the early 1940s. This will be the definitive book about Garland's legendary career at MGM, pulling back the curtain to reveal the truths about that career while also presenting previously unknown details and facts that are sure to delight her fans as well as fans of classic film.

what 2025 oscar nominated films are streaming: *The Oxford Handbook of American Documentary* Joshua Glick, Visiting Associate Professor of Film & Electronic Arts Joshua Glick, Patricia Aufderheide, University Professor in the School of Communication Patricia Aufderheide, 2025 Joshua Glick and Patricia Aufderheide Over the past twenty years, documentaries have taken on an increasingly central place in American public life. One measure of their importance is their commercial value. Major media companies have moved aggressively to monetize documentary, exploiting the form's relatively low budgets (compared to fiction)--

what 2025 oscar nominated films are streaming: *The Real Pink Panther* Robert Sellers, 2025-04-28 Unveils the untold story of the iconic franchise, exploring its origins, secrets, and the complex legacy of Peter Sellers. The *Pink Panther* series is one of the most enduring and financially successful franchises in movie history, beginning with 1963's *The Pink Panther*, which introduced audiences to the iconic Inspector Clouseau, unforgettably played by Peter Sellers. Drawing on previously unseen material and 'exclusive' interviews with stars of the films and crew members, along with friends and colleagues of Peter Sellers, Robert Sellers presents, for the very first time, the untold story and some of the secrets behind the *Pink Panther* films. The original *Pink Panther* movie proved popular enough to spawn eight sequels. The films also inspired a popular animated TV series based on the pink panther cartoon character that appeared in the film's credit sequences. There were also spin-off toys, games, clothes, even breakfast cereal. In the 2000s, comedy legend Steve Martin twice stepped into the role of Inspector Clouseau. But behind the laughs, there was madness and darkness, and at the series' heart was one of cinema's most tragic figures: Peter Sellers. A comedic genius, Sellers could be temperamental, unprofessional, and unpredictable. Add to that a heart problem Sellers feared could kill him at any moment. This book reveals many of the *Pink Panther*'s secrets for the first time, shining a spotlight behind the scenes at the making of some

of the most beloved comedies of all time, and the extraordinary personalities that brought them to life.

what 2025 oscar nominated films are streaming: The Exorcist Behind the Scenes Pasquale De Marco, 2025-07-24 The Exorcist is one of the most iconic and controversial horror films ever made. Released in 1973, the film tells the story of a 12-year-old girl who is possessed by a demonic force. The film was a critical and commercial success, but it was also met with widespread controversy due to its graphic violence and disturbing content. In *The Exorcist: Behind the Scenes*, Pasquale De Marco takes a look at the making of the film, from its origins to its impact on popular culture. Pasquale De Marco interviews cast and crew members, including director William Friedkin, writer William Peter Blatty, and star Linda Blair. He also explores the film's cultural impact, its influence on other horror films, and its enduring legacy. *The Exorcist: Behind the Scenes* is the definitive book on the making of one of the most important and influential horror films ever made. It is a must-read for fans of the film and for anyone interested in the history of horror cinema. **About the Author** Pasquale De Marco is a film historian and critic. He is the author of several books on horror cinema, including *The History of Horror* and *The 100 Greatest Horror Films*. He has also written for numerous film magazines and websites. If you like this book, write a review!

what 2025 oscar nominated films are streaming: *Ultimate Book of Gangster Movies* George Anastasia, Glen Macnow, 2011-09-27 The gangster movie is one of the most popular genres in film. From the Italian, Irish, and Russian families in America to similarly sinister groups in Europe, Japan, and beyond, the cinema has never shied away from portraying the evil exploits of these brutal outfits. In this highly entertaining and informative book, two accomplished and apropos authors put the genre in perspective like no other author or documentarian has done before. *The Ultimate Book of Gangster Movies* provides extensive reviews of the Top 100 gangster films of all time, including sidebars like *Reality Check*, *Hit and Miss*, *I Know That Guy*, *Body Count*, and other fun and informative features. Also included are over a dozen stand-alone chapters such as *Sleeper Hits*, *Fugazi Flops*, *Guilty Pleasures*, *Lost Treasures*, *Q&A Interviews* with top actors and directors (including Chazz Palinteri, Michael Madsen, Joe Mantegna, and more), plus over 50 compelling photographs. Foreword by Joe Pistone, the FBI agent and mob infiltrator who wrote the bestselling book and acclaimed movie, *Donnie Brasco*.

what 2025 oscar nominated films are streaming: *Intercultural Communication* Kathryn Sorrells, Sachi Sekimoto, 2025-08-05 *Intercultural Communication: Globalization and Social Justice*, Fourth Edition, introduces students to the study of communication among cultures within the broader context of globalization. Through a social justice approach, this text equips students with the skills and knowledge to create a more equitable world through communication.

what 2025 oscar nominated films are streaming: Break the Frame Kevin Smokler, 2025 *Break the Frame* is a collection of 24 career-spanning interviews with America's legendary, reigning, and rising women filmmakers.

what 2025 oscar nominated films are streaming: Bitter Sweet Hattie Williams, 2025-07-08 A young book publicist finds herself in an all-consuming workplace affair with her literary idol in this "very impressive debut" (Chris Whitaker, New York Times bestselling author of *All the Colors of the Dark*). "Beautifully crafted, with aftershocks of conscience that will leave you processing for hours with others who've read it."—Jodi Picoult, #1 New York Times bestselling author of *By Any Other Name* Sometimes the things you love most are the very things that can tear you apart. Charlie is twenty-three, single and the new publicity assistant at London's preeminent independent book publishing house. Richard Aveling is fifty-six, married and the author who has defined his generation. Charlie has long idolized the charming, illustrious writer, who also represents a link to her late mother who loved his work. But as they embark on an illicit and all-consuming affair, Charlie is forced to hide the relationship from everyone she cares about. Too soon, she can't imagine her life without Richard, and too late, she understands that losing him will unravel more than just their relationship—it might also unravel her. Tender and poignant, *Bitter Sweet* is an intimate exploration of power, of vulnerability, of what it means to love another person and what it means to

love yourself.
