upcoming movies 2025 best: The Best American Poetry 2025 David Lehman, Terence Winch, 2025-09-02 Guest edited by Terence Winch—NEA Fellow and editor of the “pick of the week” on the Best American Poetry blog—the 2025 edition marks a poignant farewell to series editor David Lehman, celebrating more than three decades of poetic excellence. For thirty-eight years, The Best American Poetry series has won widespread acclaim as the nation’s most influential and vital poetry anthology. BAP, which has inspired similar ventures abroad, has garnered plaudits for its ability to capture the zeitgeist of American poetry. This year’s anthology is guest edited by the esteemed poet and songwriter Terence Winch, who brings to the task his work as a musician and poetry editor as well as his many years of experience as head of publications at the Smithsonian’s National Museum of the American Indian. Winch, known for his inspired selections on the Best American Poetry blog, curates a vibrant array of compelling voices. The Best American Poetry 2025 is a landmark edition that not only showcases the finest contemporary American poetry but also honors David Lehman’s achievement as the anthology’s founding editor. “The list of editors is a who’s who of US poetry elites,” writes Oxford professor of poetry A. E. Stallings. “And behind it all, the poet David Lehman, the series editor, has labored quietly and diligently ensuring its continuity and continued relevance.” Lehman’s vision and dedication have shaped these collections into much-anticipated annual events, sparking lively discussion, controversy on occasion, and always a jubilant affirmation of modern American poetry. This year’s edition stands as a testament to David Lehman’s legacy—and to the enduring power of poetry.

upcoming movies 2025 best: The Encyclopedia of Best Films Jay Robert Nash, 2019-10-23 This all-inclusive A-Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on. The work offers more than 5,000 three- to five-star entries (three stars=good; four stars=excellent; five stars=masterpiece),

and yes, author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut. In addition to a precis, each film's entry also includes a listing of the cast as well as the key principles involved in production, from the director to the hair stylist. Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children. Unlike the industry rating system which can be influenced by studio lobbying, Nash objectively evaluates each film and confers upon it one of four recommendations for viewing: recommended, acceptable, cautionary, and unacceptable. Backmatter includes a list of top films by genre (i.e. animated, drama, sports, mystery, adventure etc.) as well as an annotated name index listing all persons mentioned along with their dates of birth and death. Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection.

upcoming movies 2025 best: Global Perspectives on Indigenous Film and Literature

Amar Ramesh Wayal, A. P. Anupama, 2025-09-22 This edited volume comprehensively explores narrative survival in Indigenous film and literature, forging a literary and transitional approach to native writing. It navigates the evolution of Indigenous voices, spanning the oral tradition and literary forms from colonial times to the present. It covers a range of issues related to indigenous inequalities and diversities in film and literature. With chapters from global perspectives, including North America, Canada, New Zealand, and South Asia, it ensures an inclusive exploration of indigenous narratives. The diverse chapters address topics such as the aboriginal experience, residential school legacy, the invisible nation of Algonquins, tribal songs, decolonial futures, caste, survival narrative, trauma, and other marginalized groups such as low castes, linguistic minorities, and Adivasis (tribals). The book focuses on innovative concepts to understand the study of a particular indigenous group in isolation from others and more than the conventional comparative study of different indigenous groups. It deals with the challenges of achieving local indigenous rights and identities. It is a valuable resource for social science and humanities scholars, particularly for indigenous scholars, development professionals and administrators interested in the issues related to social diversity and indigeneity in a global setting.

upcoming movies 2025 best: *What Good Is God?* Philip Yancey, 2025-05-01 Journalist and spiritual seeker Philip Yancey has always struggled with the most basic questions of the Christian faith. The question he tackles in *What Good Is God?* concerns the practical value of belief in God. His search for the answer to this question took him to some amazing settings around the world: Mumbai, India when the firing started during the terrorist attacks; at the motel where Martin Luther King Jr. was assassinated; on the Virginia Tech campus soon after the massacre; an AA convention; and even to a conference for women in prostitution. At each of the ten places he visited, his preparation for the visit and exactly what he said to the people he met each provided evidence that faith really does work when what we believe is severely tested. *What Good Is God?* tells the story of Philip's journey -- the background, the preparation, the presentations themselves. Here is a story of grace for armchair travelers, spiritual seekers, and those in desperate need of assurance that their faith really matters.
