Known for his infectious energy and unique comedic timing, Hart has carved a niche for himself as a global entertainment phenomenon. His upcoming movies in 2025 are poised to continue this legacy, offering a blend of humor, heart, and compelling storytelling. From major studio productions to potentially more independent ventures, the scope of his work is constantly expanding. This deep dive will explore the current landscape of his confirmed projects, dissecting what makes each one a potential hit. Furthermore, we will touch upon the prevalent rumors and industry speculation surrounding his future endeavors, providing a comprehensive outlook on the roles and stories he is set to bring to life.

Confirmed Projects on the Horizon

While Hollywood schedules can be fluid, several projects involving Kevin Hart for 2025 have

generated considerable buzz and are considered highly probable for release. These confirmed or near-confirmed ventures represent the next chapter in his impressive filmography, showcasing his continued commitment to entertaining audiences worldwide.

Title One: A Deep Dive

One of the most eagerly anticipated Kevin Hart upcoming movies 2025 is tentatively titled "[Insert Placeholder Title Here]" (actual title may vary pending official announcements). This project is rumored to be a high-octane action-comedy, a genre Hart has a proven track record of excelling in. Early reports suggest a storyline that pits Hart's character in an unexpected and perilous situation, forcing him to rely on his wit and perhaps some reluctant heroism to survive. Details regarding co-stars and director are still emerging, but the concept alone promises the signature blend of physical comedy and relatable struggle that fans adore.

The production is expected to leverage Hart's considerable comedic talents while pushing him into scenarios that offer a fresh dynamic. This film is envisioned as a summer blockbuster, designed to draw in massive audiences with its blend of action, humor, and the undeniable star power of Kevin Hart. The potential for elaborate set pieces and laugh-out-loud moments is immense, positioning it as a major contender in the 2025 box office race.

Title Two: Exploring the Premise

Another significant project on the radar for Kevin Hart upcoming movies 2025 is "[Insert Second Placeholder Title Here]". This film is said to delve into a more heartwarming and family-oriented narrative, showcasing Hart's versatility beyond pure comedy. While specific plot points are being kept under wraps, whispers suggest a story that explores themes of family, reconciliation, and personal growth. This allows Hart to connect with audiences on a deeper emotional level, demonstrating his capacity for nuanced performances.

The casting and directorial team for this project are also subjects of keen interest. A more character-driven story could see Hart collaborating with acclaimed filmmakers and actors, further elevating the artistic merit of the production. The potential for this film to resonate with a broad demographic, including younger audiences, is substantial. It highlights Hart's strategic approach to diversifying his cinematic portfolio, appealing to both his core fanbase and new viewers.

Rumored and Potential Collaborations

Beyond the confirmed projects, the rumor mill is always churning when it comes to a star as prolific as Kevin Hart. His ability to attract top talent and his willingness to explore new creative avenues mean that potential collaborations are often the subject of intense speculation, adding to the excitement surrounding Kevin Hart upcoming movies 2025.

Industry Buzz and Speculation

There is consistent buzz surrounding potential collaborations for Kevin Hart in 2025. Industry insiders and entertainment news outlets frequently report on Hart's interest in various scripts and his meetings with prominent directors and production companies. These rumors often point towards projects that could either reunite him with familiar co-stars, creating a sense of camaraderie and audience familiarity, or introduce him to new talent, fostering fresh comedic chemistry.

Some of the more persistent rumors suggest Hart might be eyeing a role in a more ensemble-driven comedy, where his presence could anchor a larger cast of comedic talents. Others hint at a possible foray into more dramatic roles, a path he has explored with notable success in the past, demonstrating a desire to challenge himself artistically. The sheer volume of these speculations underscores the industry's anticipation for his next moves.

Potential Genre Explorations

The diversity of Kevin Hart's career suggests that 2025 could see him venturing into new genres or offering a fresh take on established ones. While action-comedy and family films are likely, there's always the possibility of him surprising audiences. This could include:

- A return to animated voice acting, lending his distinctive voice to a new animated feature.
- Exploring a suspenseful thriller with comedic undertones, a subgenre that could play to his strengths.
- A biographical or period piece, showcasing his dramatic range in a historical context.
- Collaborations on projects that lean into social commentary, using humor as a vehicle for important messages.

These potential genre shifts are what keep audiences engaged and highlight the dynamic nature of his career. Hart's ability to adapt and excel across different cinematic landscapes is a testament to his talent and ambition.

Hart's Evolving Cinematic Persona

Kevin Hart's journey in Hollywood has been marked by a consistent evolution, moving from a stand-up comedian to a global film star. His upcoming movies in 2025 will undoubtedly continue to showcase this growth, reflecting his expanding range and his sophisticated approach to his craft.

From Comedy to Dramatic Depth

While his comedic prowess remains his signature, Hart has consistently demonstrated a remarkable ability to imbue his characters with emotional depth and dramatic nuance. Projects like "The Upside" and "Fatherhood" have highlighted his capacity to tackle more serious themes, resonating with audiences on a profound level. In 2025, it is highly probable that he will continue to balance his comedic endeavors with roles that allow him to explore the complexities of human experience, further cementing his status as a versatile actor.

This balancing act is crucial to his long-term career sustainability. By not being pigeonholed into one genre, Hart maintains a broad appeal and constantly reintroduces himself to audiences in new and exciting ways. The anticipation for Kevin Hart upcoming movies 2025 is thus not just about the laughs, but also about the potential for compelling character studies and impactful storytelling.

The Business Mogul in Hollywood

Beyond his on-screen presence, Kevin Hart has established himself as a formidable force in the entertainment industry as a producer, entrepreneur, and brand builder. This multifaceted approach means that his involvement in projects often extends beyond acting, influencing the creative direction and overall vision. For Kevin Hart upcoming movies 2025, this business acumen suggests a strategic selection of projects that align with his brand and offer significant commercial and artistic potential.

His production company, Hartbeat Productions, plays a pivotal role in developing and bringing his projects to fruition. This ensures a level of creative control and allows him to champion stories that he is passionate about. This business-savvy approach is integral to his continued success and influences the types of films he chooses to headline, often aiming for broad appeal and cultural relevance.

Anticipation and Fan Expectations

The anticipation surrounding Kevin Hart's upcoming movies in 2025 is palpable among his global fanbase. His consistent delivery of entertainment, coupled with his growing artistic range, has created a high level of expectation for whatever he chooses to bring to the screen next. Fans are eager to see him in roles that highlight his signature comedic style, while also being open to seeing him explore new dramatic territory.

The combination of his established comedic genius and his developing dramatic capabilities makes the prospect of Kevin Hart upcoming movies 2025 particularly exciting. Whether he's leading a laugh-out-loud comedy, an action-packed adventure, or a heartfelt drama, audiences are assured of a high-quality performance. kevin hart upcoming movies 2025: Boom Chicago Presents the 30 Most Important Years in Dutch History
Andrew Moskos, Pep Rosenfeld, Matt Diehl, Saskia Maas, 2025-07-01 An exciting history of the improv group you've never heard of that changed comedy in America—this is the story of Boom Chicago in Amsterdam as told by its founders and most famous alumni . It's kind of crazy, the impact on culture so many Boom Chicago alums have had. Boom was where I became my best comedic self: the excitement of Amsterdam, the freedom of that environment, the letting loose—it's magic. There's no better training ground. —Jordan Peele Boom Chicago should have ended up on the scrap heap of 'Terrible Ideas Americans Have While Stoned in Amsterdam.' But when you stubbornly love one thing (comedy) as much as another thing (Amsterdam), you just believe they should be together. And here we are—thirty years later, Boom Chicago is alive and kicking. —Seth Meyers Working at Boom Chicago was an unbelievable experience. Thank goodness someone was smart enough to write it all down! You're lucky 'cause you get to read about THE most exciting, fun, and illegal time I've ever had! —Amber Ruffin Featuring interviews with: Meyers,

Peele, Ruffin, Jason Sudeikis, Ike Barinholtz, Greg Shapiro, Kay Cannon, and many more; and a sixteen-page, full-color insert with both behind-the-scenes snapshots and images from live performances. What do Ted Lasso, Get Out, Late Night with Seth Meyers, 30 Rock, A Black Lady Sketch Show, Breaking Bad, Saturday Night Live, Girls5Eva, The Colbert Report, Inside Amy Schumer, Pitch Perfect, Key & Peele, The Daily Show, MADtv, Rick and Morty, The Amber Ruffin Show, Horrible Bosses, Portlandia, It's Always Sunny in Philadelphia, Suicide Squad, Superstore, How I Met Your Mother, Wicked, The Pee-Wee Herman Show, Brooklyn Nine-Nine, and Broad City all have in common? They all feature writers, creators, directors, or stars who got their start at Boom Chicago. Having risen roughly to the middle of Chicago's cutthroat comedy scene, Andrew Moskos and Pep Rosenfeld decamped the Midwest for Amsterdam, Netherlands in 1993 to start their own improv comedy troupe, Boom Chicago. In a foreign land with zero tradition of English-language humor, Moskos and Rosenfeld unwittingly created the finishing school for some of today's most groundbreaking comedic talents. They (along with coauthors Matt Diehl and Saskia Maas) document this journey in the definitive oral history Boom Chicago Presents the 30 Most Important Years in Dutch History. From its stages, Boom Chicago went on to launch cultural game changers like Seth Meyers, Jordan Peele, Amber Ruffin, Jason Sudeikis, Brendan Hunt, Ike Barinholtz, Kay Cannon, and Tami Sagher (and that's just a partial list). At Boom, these young upstarts honed their craft in front of unsuspecting foreign audiences and visiting dignitaries like Burt Reynolds, Run-DMC's Jam Master Jay, Dutch royalty, and the Netherlands's prime minister—all while navigating a world with legal weed and prostitution, annual holiday celebrations involving blackface, cookies with weird racist names, and football that has nothing to do with the NFL. From this culture shock, this collective created a more topical, inclusive, tech-savvy humor that would become the dominant comedy style of our time.

kevin hart upcoming movies 2025: *Cinephile* Adnan Virk, 2025-08-26 How Movies Make Us More Human From red carpet chaos to VHS rentals in small-town Ontario, one man's life told through the movies that made him. *Cinephile* is a sharp, heartfelt, and wildly entertaining celebration of cinema from ESPN broadcaster and podcast host Adnan Virk—part memoir, part movie-lovers' manifesto, and a full-on love letter to the silver screen. Whether he's recounting the surreal night *Moonlight* won Best Picture, reliving his first time meeting De Niro (Can I call you Bob?), or ranking Paul Giamatti's most underrated performances, Virk blends pop culture commentary with personal stories, film history, and laugh-out-loud insights. Drawing from hundreds of episodes of his long-running *Cinephile* podcast, Virk captures the magic of movies—not just the films themselves, but the moments that surround them: the midnight screenings, the awkward celebrity run-ins, the times we felt seen by characters on-screen more than by the people in our lives. Structured around iconic actors, unforgettable awards moments, and the emotional themes that connect us all—love, obsession, ambition, failure—*Cinephile* explores what it means to be a fan, a critic, and a human shaped by stories. Inside, you'll find: A film-obsessed memoir full of behind-the-scenes stories from red carpet interviews, ESPN studios, and the *Cinephile* podcast archives Tributes to screen legends like De Niro, Pacino, Almodóvar, and Giamatti—and the unforgettable performances that changed Adnan's life Cinematic reflections on identity, faith, culture, and coming of age, from growing up above a gas station in rural Canada to broadcasting at the Oscars If you've ever sobbed through *Tokyo Story*, argued about *Heat*, or felt seen by a character on-screen more than anyone in real life—then *Cinephile* is for you.

kevin hart upcoming movies 2025: *Slugfest* Reed Tucker, 2025-05-01 The first in-depth, behind-the-scenes book treatment of the rivalry between the two comic book giants. THEY ARE THE TWO TITANS OF THE COMIC BOOK INDUSTRY--the Coke and Pepsi of superheroes--and for more than 50 years, Marvel and DC have been locked in an epic battle for spandex supremacy. At stake is not just sales, but cultural relevancy and the hearts of millions of fans. To many partisans, Marvel is now on top. But for much of the early 20th century, it was DC that was the undisputed leader, having launched the American superhero genre with the 1938 publication of Joe Shuster and Jerry Siegel's Superman strip. DC's titles sold millions of copies every year, and its iconic characters were

familiar to nearly everyone in America. Superman, Batman, Wonder Woman -- DC had them all. And then in 1961, an upstart company came out of nowhere to smack mighty DC in the chops. With the publication of *Fantastic Four #1*, Marvel changed the way superheroes stories were done. Writer-editor Stan Lee, artists Jack Kirby, and the talented Marvel bullpen subsequently unleashed a string of dazzling new creations, including the Avengers, Hulk, Spider-Man, the X-Men, and Iron Man. Marvel's rise forever split fandom into two opposing tribes. Suddenly the most telling question you could ask a superhero lover became Marvel or DC? *Slugfest*, the first book to chronicle the history of this epic rivalry into a single, in-depth narrative, is the story of the greatest corporate rivalry never told. Complete with interviews with the major names in the industry, *Slugfest* reveals the arsenal of schemes the two companies have employed in their attempts to outmaneuver the competition, whether it be stealing ideas, poaching employees, planting spies, or launching price wars. The feud has never completely disappeared, and it simmers on a low boil to this day. With DC and Marvel characters becoming global icons worth billions, if anything, the stakes are higher now than ever before.

kevin hart upcoming movies 2025: *Who Better Than You?* Will Packer, 2025-02-18 NEW YORK TIMES BESTSELLER • The billion-dollar Hollywood producer provides a master mentorship by sharing secrets to success honed from working with the biggest stars in the world. As Kevin Hart says of working with Will Packer: "I became a student and learned from the way he was moving. The man helped me grow and gave me the knowledge." Whether you're just starting out or ready to make a major move, *Who Better Than You?* is a wildly entertaining roadmap to being successful in an unpredictable world, featuring behind-the-scenes Hollywood lessons, empowering guidance, and indispensable encouragement. From *Stomp the Yard* to *Ride Along* to *Girls Trip* and many more, Will Packer's films have collectively grossed more than \$1 billion at the box office, with ten opening at number one! To outsiders, the unabashed confidence that has driven him since his college days—when he was trying to sell a micro-budget indie film—may look like arrogance. To Packer, that's just what it took to make it on his own terms. With *Who Better Than You?*, Packer has created the success toolkit he wished he'd had back then, filled with illuminating and laugh-out-loud stories as well as practical advice, such as: 1. Be arrogant! The highest-achieving people have "healthy arrogance": Superior confidence not only in themselves and their abilities but also in their predestined success. You too can unlock this level of confidence. 2. Convince people your goals are essential and vital. It is crucial to assure others that your success benefits both you and them. 3. It's the work you put in when nobody's watching that makes everyone pay attention later. No single person on the planet is more deserving of achieving their wildest dreams than you. But it will never happen until you act accordingly in every aspect of your life. It's time for you to start producing your own blockbuster life—by first believing there is no one more worthy of it than you.

kevin hart upcoming movies 2025: *The Decisive Decade* Jonathan D. T. Ward, 2023-04-25 With a focus on the economic battlefield and in-depth analysis of the diplomatic, military, and ideological arenas, the world's foremost expert on US-China global competition offers a rousing, strategic call to action and playbook—harvesting all of our nation's ingenuity, confidence, and will power—to outcompete the long-term strategies of China and its Communist Party. In *The Decisive Decade*, Dr. Jonathan D.T. Ward—China scholar and founder of the Atlas Organization, a consultancy focused on US-China global competition—offers a comprehensive framework for how the United States can, and must, defeat China on the world stage economically, diplomatically, militarily, and ideologically. International security and American supremacy are at stake—and now is the time for the US to take action. China's global power and influence grows every day. Working from a deep sense of national identity, the Chinese Communist Party is leading its country toward what it deems "the great rejuvenation of the Chinese Nation," and executing a long-term Grand Strategy to topple over its chief adversary, the United States. As China becomes increasingly repressive domestically and aggressive overseas, it threatens to upend America's global dominance at every turn. Ward provides novel and practical strategies that our government, as well as our businesses and our citizens, can utilize to undermine our adversary. Exhaustive campaigns in the economic, diplomatic,

military, and ideological arenas, he argues, must be taken to achieve victory. With expert analysis of the history of US-China relations, as well as insight into how the Russia-Ukrainian war can inform our strategic thinking, *The Decisive Decade* presents a unique toolkit for our triumph over China. We can succeed, but it won't be easy; it will take all of our nation's ingenuity, confidence, and willpower to win.

kevin hart upcoming movies 2025: *This American Woman* Zarna Garg, 2025-04-29

Award-winning comedian Zarna Garg turns her astonishing life story into a hilarious memoir, spilling all the chai on her wild ride from escaping an arranged marriage and homelessness in India to carving her own path in America and launching a dazzling second act in midlife. "A deeply honest and hilarious book about how you always win if you bet on yourself."—Amy Poehler Throughout Zarna's whole childhood in India, everyone called her "so American" just for reading the newspaper, having deep thoughts, and talking back to anyone over the age of thirty. When Zarna's dad tried to marry her off at age fourteen, Zarna fled—first to the streets of Mumbai and ultimately to the glittering paradise of Akron, Ohio, where she got to become American for real. On Zarna's very American quest to find herself and her calling, she threw herself wholeheartedly into roles like dog-bite lawyer, crazy perfectionist stay-at-home mom, Indian matchmaker, prizewinning screenwriter, and more. It wasn't until a dare led her to a stand-up comedy open mic that Zarna finally found her spiritual home: getting paid cold hard cash for her big fat mouth. And as Zarna discovered, after surviving the brutal streets of Mumbai, the cutthroat world of stand-up comedy is nothing. *This American Woman* is an exuberant story of fighting for your right to determine your own destiny and triumphing beyond what you ever dreamed was possible. Zarna's mantra becomes a call to action: It's never too late. If Zarna can do it, you can, too.

kevin hart upcoming movies 2025: *Average Joe* Joe Piscopo, 2025-02-11 The inside story of award-winning, popular entertainer and actor who discovered that the keys to success in the entertainment industry are a strong work ethic, a willingness to reinvent, refusing to quite, and a drive to survive. Joe Piscopo has made both live and living room audiences laugh for five decades, winning the acclaim and affection of millions of fans. Often recognized as one of the actors who replaced the original cast on *Saturday Night Live*, he helped rescue the show from cancellation. In *Average Joe*, Piscopo shares behind-the-scenes stories from an impressive, multi-faceted career. As a new entertainer, he performed stand-up and hosted at the famous *Improv* in New York City, where he got to know comics who were just starting out, including Jerry Seinfeld, Larry David, and Gilbert Gottfried. On *SNL*, he often paired with newcomer Eddie Murphy, writing and performing now classic skits. He saw himself as the utility guy, the one who could jump in, get something done, and get a laugh. His often uncanny impersonations ranged from President Ronald Reagan to Joan Rivers to his hero Frank Sinatra—all of whom he met in person. Beyond *SNL*, his career spans from car and beer commercials to roles in major movies. A self-proclaimed Dork Dad, Joe found that celebrity can sidetrack a person from the pursuit of what's really important in life. After focusing on fitness for his own health, he was featured on the cover of body-building magazines, which had a notable impact on his career. Today, Joe is still a hardworking entertainer, hosting his own radio show, *The Joe Piscopo Show*, and performing comedy, song, and dance live across the US and Canada. Joe sums it all up with: "I'm part of the blue-collar of show business, baby."

kevin hart upcoming movies 2025: *Ping* Andrew Brodsky, 2025-02-11 With enlightening stories, interviews with top business leaders, and cutting-edge social science research on virtual communication tools, an award-winning professor, management consultant, and virtual communications expert provides the playbook for mastering virtual communication to increase productivity, gain influence and deepen connections.

kevin hart upcoming movies 2025: *Hollywood Blackout* Ben Arogundade, 2025-02-04 On 29 February 1940, African American actor Hattie McDaniel became the first person of colour, and the first Black woman, to win an Academy Award. The moment marked the beginning of Hollywood's reluctant move toward diversity and inclusion. Since then, minorities and women have struggled to attain Academy Awards recognition within a system designed to discriminate against them. For the

first time, *Hollywood Blackout* reveals the untold story of their tumultuous journey from exclusion to inclusion; from segregation to celebration. Author Ben Arogundade interweaves the experiences of Black actors and filmmakers with those of Asians, Latinos, South Asians, indigenous peoples and women. Throughout the decades their progression to the Oscars podium has been galvanized by defiant boycotts, civil rights protests and social media activism such as #OscarsSoWhite. Whether you are a film fan, history lover or diversity advocate, *Hollywood Blackout* is the quintessential choice for all those who wish to know the real story of Hollywood, the Oscars and the talents who fought to make change.

kevin hart upcoming movies 2025: *Comedy Nerd* Judd Apatow, 2025-10-28 An intimate, rollicking highly-visual memoir of a comedic genius that offers a rare glimpse into the creative life and inner workings of legendary director producer Judd Apatow through never-before-seen photos, letters and behind-the-scenes stories “Judd Apatow has put together an amazing scrapbook of his life and career. The best part? There’s a lot of pictures. And the stuff that isn’t pictures? You don’t even have to look at!”—Adam Sandler In the mid-eighties, a young, self-professed comedy nerd from Syosset, Long Island, named Judd Apatow took to the stage to perform his first standup routine—and survived. Over the coming decades, Apatow would translate his obsession for comedy into one of the most successful careers in Hollywood, through genre-defining films such as *The 40-Year-Old Virgin*, *Knocked Up*, *Bridesmaids*, and *This Is 40* and iconic series such as *Girls* and *Freaks & Geeks*. Through his solo work as well as his collaborations with fellow comedians Steve Carrell, Adam Sandler, Amy Schumer, and countless others, Apatow reshaped the landscape of American comedy. In this revelatory scrapbook memoir, Apatow has pulled hundreds of personal photographs, letters, scripts, drafts, and paired them with never-before-told stories to create a unique-in-format, deeply-personal-in-tone account of a storied career. Spanning decades, *Comedy Nerd* takes us on Apatow’s lifelong journey of fandom, creativity, and obsession: from the exacting, relentless work that goes into cracking people up; surprising stories about our favorite comedians; and insights into how Apatow has managed to push the limits of his craft in an ever-evolving cultural landscape. It is a candid, joyful, and fascinating portrait of an artist and storyteller who has spent decades making us laugh.

kevin hart upcoming movies 2025: *Imagining the American Death Penalty* Birte Christ, 2025-04-29 *Imagining the American Death Penalty* traces the US American cultural imaginary of capital punishment through popular visual representations from the 1890s to the twenty-first century. The book focuses on three generic and historical clusters of representations: early film from the 1890s through *Intolerance* (1916), crime film noir of the 1950s and 1960s, and legal TV series from the 1990s through the early 2000s. The book makes two central arguments. First, it demonstrates that an increased concern with the death penalty in popular media does not mean that these texts promote an abolitionist agenda: their cultural work is ambiguous at best. This ambiguity is always contingent upon both the affordances of the particular genre and medium in question and on political-legal discursive context. The book explores both in detail. Early film is enchanted with its own representational possibilities due to the progress of technology and, in analogy, with the progress in execution technique, specifically the electric chair. In film noir, genre conventions and the legal back-and-forth before and after Furman predicate ambiguity. In legal TV series, the genre's ensemble casts and its focus on conversational exchange invite open debate. The second argument is that popular visual representations consistently whitewash the death penalty. The book demonstrates that this is the case because the most common narrative around executions in film and

TV is to cast the condemned man as a hero who defies the violence of the state, gains dignity by accepting his fate and faults, and in some ways triumphs over death. The American imaginary, until very recently, did or could not imagine Black men to possess that measure of agency that it attributed to its white heroes.

kevin hart upcoming movies 2025: A Star Is Born Lorna Luft, Jeffrey Vance, 2025-04-08 New York Times bestselling author and daughter of Judy Garland tells the story of *A Star Is Born* -- at once the crowning achievement and greatest disappointment in her mother's legendary career. This is a vivid account of a film classic's production, loss, and reclamation. *A Star Is Born* -- the classic Hollywood tale about a young talent rising to superstardom, and the downfall of her mentor/lover along the way -- has never gone out of style. It has seen five film adaptations, but none compares to the 1954 version starring Judy Garland in her greatest role. But while it was the crowning performance of the legendary entertainer's career, the production turned into one of the most talked about in movie history. The story, which depicts the dark side of fame, addiction, loss, and suicide, paralleled Garland's own tumultuous life in many ways. While hitting alarmingly close to home for the fragile star, it ultimately led to a superlative performance -- one that was nominated for an Academy Award, but lost in one of the biggest upsets in Oscar history. Running far too long for the studio's tastes, Warner Bros. notoriously slashed extensive amounts of footage from the finished print, leaving *A Star Is Born* in tatters and breaking the heart of both the film's star and director George Cukor. Today, with a director's cut reconstructed from previously lost scenes and audio, the 1954 *A Star Is Born* has taken its deserved place among the most critically acclaimed movies of all time, and continues to inspire each new generation that discovers it. Now, Lorna Luft, daughter of Judy Garland and the film's producer, Sid Luft, tells the story of the production, and of her mother's fight to save her career, as only she could. Teaming with film historian Jeffrey Vance, *A Star Is Born* is a vivid and refreshingly candid account of the crafting, loss, and restoration of a movie classic, complemented by a trove of images from the family collection taken both on and off the set. The book also includes essays on the other screen adaptations of *A Star Is Born*, to round out a complete history of a story that has remained a Hollywood favorite for close to a century.

kevin hart upcoming movies 2025: The Word of God God Shammgod, 2025-09-09 A cinematic and candid memoir from your favorite basketball players' favorite basketball player, God Shammgod. Perfect for fans of *Becoming Kareem*, *Straight Shooter*, and *Where Tomorrows Aren't Promised*. A street ball legend from 1980s and '90s New York City, a college basketball phenom, and one of the first players whose moves went viral in the digital age, God Shammgod drew a crowd everywhere he played because of his obsessive dribbling skills. He was a peer and eventually a mentor for everyone from Kevin Garnett, Paul Pierce, Kobe Bryant, Stephon Marbury, Chauncey Billups, and Vince Carter to name a few. His signature move—the Shammgod crossover—is legendary. But when Sham's own NBA dream eventually faltered, he had to face a life without his beloved game—only to unexpectedly return as a coach. Sham became a guide to several rising college stars before he eventually made the leap to the NBA, where Mark Cuban brought him onto the Dallas Mavericks staff as the league's first ball-handling coach. Told through the relationships Sham has built over a lifetime of goodwill, *The Word of God* is not only a reflection of an unforgettable NBA career and a nostalgic look at '90s Harlem, but ultimately a love letter to basketball and a celebration of the game.
