# The Allure of the Best True Crime Podcast Series to Binge

The landscape of audio entertainment has been profoundly shaped by the rise of true crime podcasts. These audio documentaries offer a unique window into the darkest corners of human behavior and the relentless pursuit of justice. For listeners seeking to dive deep into complex cases, the best true crime podcast series to binge provide an immersive and often emotionally resonant experience. They transform abstract news reports into compelling narratives, allowing audiences to connect with victims, perpetrators, and the investigative process on a personal level. The careful construction of these series, often spanning multiple episodes, builds suspense and encourages dedicated listening, making them perfect for extended sessions.

The fascination with true crime is not new, but podcasts have democratized access to these stories, making them readily available at our fingertips. This accessibility, combined with the intimate nature of the audio format, allows for a profound connection with the material. Listeners become amateur detectives, piecing together clues alongside experienced journalists and hosts. The best true crime podcast series to binge are those that master this art of engagement, presenting facts with sensitivity while never shying away from the gravity of the events they recount. They are more than just entertainment; they are explorations of morality, human fallibility, and the enduring quest for truth.

## Defining the "Best" True Crime Podcast Series to Binge

Identifying the absolute “best” true crime podcast series to binge is subjective, but certain qualities consistently elevate a series to elite status. Paramount among these is exceptional storytelling. This encompasses not only the narrative arc and pacing but also the quality of the script, the clarity of the presentation, and the ability to evoke emotion without sensationalism. Investigative rigor is another critical component; well-researched podcasts that meticulously present facts, interview key figures, and explore different perspectives build credibility and keep listeners invested. The audio production itself plays a vital role, with skillful use of sound design, music, and voiceovers contributing to an immersive atmosphere.

Furthermore, a truly binge-worthy series offers depth and complexity. It doesn't shy away from the difficult truths, but rather grapples with the nuances of the cases, exploring not just the crime but its societal context, the psychological profiles of those involved, and the lasting impact on communities. Accessibility and availability are also important considerations for a binge-worthy experience. Series that are complete and readily available on major podcast platforms allow listeners to seamlessly transition from one episode to the next without interruption, fostering a continuous engagement that is the hallmark of a successful binge.

## Top Tier True Crime Podcast Series Recommendations

When seeking the best true crime podcast series to binge, a curated list can save hours of searching. These recommendations represent a spectrum of storytelling styles and case types, all united by their

high quality and addictive nature. Each series offers a unique perspective and a compelling narrative that will draw you in and keep you listening.

## **Serial**

The podcast that arguably kickstarted the modern true crime podcast boom, "Serial" remains a benchmark for the genre. Season one, which re-examines the 1999 murder of Baltimore high school student Hae Min Lee, is a masterclass in investigative journalism and serial storytelling. Host Sarah Koenig's personal journey through the case, coupled with in-depth interviews and meticulous fact-checking, creates a deeply compelling and often unsettling listening experience.

## **S-Town**

From the creators of "Serial" and "This American Life," "S-Town" is a profoundly moving and complex narrative set in a small Alabama town. While not solely focused on crime, the series delves into the life of its eccentric protagonist, John B. McLemore, uncovering dark secrets and unexpected twists. Its masterful storytelling and exploration of human nature make it an unforgettable listen.

## **My Favorite Murder**

For those who prefer a more conversational and often humorous approach to true crime, "My Favorite Murder" is a phenomenon. Hosts Karen Kilgariff and Georgia Hardstark discuss a wide array of true crime cases, blending empathy for victims with their personal anecdotes and witty banter. While not a single narrative series, their vast back catalog makes it perfect for a continuous binge of individual case discussions.

## **Crime Junkie**

Hosted by Ashley Flowers and Brit Prawat, "Crime Junkie" is another immensely popular podcast known for its accessible and engaging presentation of true crime stories. Each episode focuses on a different case, offering thorough research and a clear, compelling narrative. Their dedication to exploring lesser-known cases alongside prominent ones has garnered a massive following, making it an excellent choice for binge-listening.

## **Someone Knows Something**

Investigative journalist David Ridgen dedicates each season of "Someone Knows Something" to an unsolved disappearance or murder. The series is characterized by its deep commitment to seeking justice for victims and their families, often reopening cold cases with fresh eyes and new interviews. The emotional weight and meticulous detail make it a profoundly affecting binge.

## **Up and Vanished**

Season one of "Up and Vanished" by Payne Lindsey focused on the 2005 disappearance of Tara Grinstead. The podcast's investigation, which involved extensive fieldwork and public appeals, played a significant role in the eventual developments in the case. Its immersive approach and suspenseful unfolding make it a standout series for true crime enthusiasts.

## **Dirty John**

This gripping narrative podcast tells the chilling story of John Meehan, a charismatic con artist who manipulates and terrorizes the woman he marries. The podcast, reported by Christopher Goffard, meticulously unravels the horrifying truth behind his seemingly perfect facade, making it a truly suspenseful and disturbing listen that is perfect for a binge.

## **Dr. Death**

The chilling true story of Dr. Christopher Duntsch, a neurosurgeon who maimed or killed dozens of his patients, is explored in "Dr. Death." The series meticulously details the failures of the medical system that allowed him to continue his devastating practice and the fight for accountability. Its shocking revelations and the pursuit of justice make it a compelling binge.

## **The Teacher's Aide**

This series delves into the disturbing case of a suburban teacher who led a double life as a prolific sex offender. The podcast meticulously examines the perpetrator's motivations and the community's slow realization of the horrors unfolding in their midst. Its detailed exploration of a deeply unsettling crime makes it a captivating binge.

## **West Cork**

This investigative series focuses on the unsolved murder of French documentary filmmaker Sophie Toscan du Plantier in rural Ireland. Hosted by Sam Bungey and Jennifer Forde, the podcast delves into the complexities of the case, the local community, and the ongoing hunt for answers. Its atmospheric storytelling and meticulous examination of the evidence create a truly engrossing experience.

## **Factors That Make a True Crime Series Binge-Worthy**

Several key elements contribute to a true crime podcast series earning the title of "binge-worthy." Foremost is the power of the narrative. A well-structured story with a compelling hook, rising tension, and a satisfying (or at least impactful) resolution keeps listeners engaged. The best series avoid unnecessary tangents and maintain a clear focus on the unfolding events and their implications. This often involves expertly weaving together interviews, archival audio, and narrative exposition to create a cohesive and immersive experience.

Another crucial factor is the host's ability to connect with the audience. Whether they are investigative journalists, comedians, or amateur sleuths, a relatable and authoritative host can transform a collection of facts into a captivating journey. Their empathy for victims, their dedication to the truth, and their ability to articulate complex information clearly are vital. The pacing of the series also plays a significant role. Episodes that are too short can feel rushed, while those that are excessively long can lead to listener fatigue. A balance that allows for in-depth exploration without sacrificing momentum is ideal for extended listening sessions.

The depth of research and the commitment to accuracy are non-negotiable for a truly binge-worthy series. Listeners are looking for thorough investigations that present evidence, explore multiple perspectives, and avoid unsubstantiated speculation. When a series demonstrates a genuine effort to uncover the truth and provide context, it builds trust and encourages continued engagement. Finally, the emotional resonance of the story itself is paramount. Cases that explore complex human motivations, societal issues, or profound injustices tend to be more memorable and impactful, making them the kind of stories listeners will want to explore further.

## **Tips for Discovering Your Next True Crime Obsession**

Finding the next best true crime podcast series to binge can be an exciting endeavor. One of the most effective methods is to explore the archives of established podcast networks and creators known for their quality true crime output. Many popular hosts and production companies, such as Wondery, Gimlet Media, and Serial Productions, consistently deliver well-researched and engaging series.

Utilizing podcast platform recommendations is also a valuable strategy. Most major apps will suggest similar shows based on your listening history, helping you discover new series you might enjoy. Don't hesitate to explore lists compiled by reputable publications or other true crime enthusiasts, as these often highlight hidden gems and critically acclaimed narratives. Engaging with online communities dedicated to true crime podcasts can also provide invaluable insights and personal recommendations from fellow listeners who share your passion.

When you find a series that captivates you, pay attention to the specific elements you enjoy most – is it the investigative format, the particular host's style, or the type of cases covered? This self-awareness will guide you toward future discoveries. Reading reviews and checking episode counts can also help you gauge the commitment required for a particular series. Ultimately, the joy of discovery lies in exploring the vast landscape of true crime audio storytelling until you find those narratives that truly resonate and demand to be heard in one sitting.

## **The Enduring Appeal of True Crime Narratives**

The enduring appeal of the best true crime podcast series to binge stems from a complex interplay of psychological, sociological, and entertainment-driven factors. For many, these stories tap into a primal curiosity about the darker aspects of human nature – the motivations behind extreme acts, the resilience of victims, and the intricate dance between law and lawlessness. The narrative structure of true crime, often mirroring that of a mystery or thriller, provides a safe space for listeners to explore these morbid fascinations without direct risk.

Furthermore, the best true crime podcasts offer a sense of vicarious investigation. Listeners can engage their critical thinking skills, piecing together clues and forming theories alongside the hosts. This active participation fosters a deeper connection to the story and a greater appreciation for the complexities of the justice system. There's also an educational component; these podcasts often shed light on societal issues, systemic failures, and the importance of victim advocacy, making them more than just passive entertainment.

The intimate nature of podcasting also plays a significant role. Hearing stories directly through audio creates a personal connection, making the events feel more immediate and real. This emotional investment, combined with compelling storytelling and meticulous research, transforms listeners into invested participants in the pursuit of truth and justice. The desire to understand the "why" behind criminal acts, to bear witness to the struggles of those affected, and to celebrate the eventual uncovering of facts are all powerful drivers that ensure the continued popularity of true crime podcast series.

## **FAQ**

### **Q: What makes a true crime podcast series considered "binge-worthy"?**

A: A binge-worthy true crime podcast series typically features exceptional storytelling, in-depth investigative research, compelling characters (both victims and those involved in the investigation), a well-paced narrative arc that builds suspense across multiple episodes, and high-quality audio production that enhances immersion. The cases themselves are often complex and captivating, leaving listeners wanting to uncover the next piece of the puzzle.

### **Q: Are there any true crime podcast series that focus on unsolved mysteries?**

A: Yes, many excellent true crime podcast series are dedicated to unsolved mysteries. Shows like "Up and Vanished," "Someone Knows Something," and "West Cork" delve deeply into cold cases and disappearances, often bringing new attention and information to these perplexing situations.

### **Q: Can you recommend a good true crime podcast series for beginners to the genre?**

A: For beginners, "Serial" (especially season one) is an excellent starting point, as it masterfully introduced many to the format. "Crime Junkie" offers a more accessible, episode-by-episode approach to various cases, making it easy to jump into. "My Favorite Murder" is also popular for its conversational style, though it's less of a single narrative series and more about discussing individual cases.

## **Q: What is the difference between a true crime podcast series and a general true crime podcast?**

A: A true crime podcast series is typically a single, multi-episode narrative that focuses on a specific case or set of related cases, much like a documentary. A general true crime podcast might cover a different case or crime-related topic in each episode, offering a more varied listening experience rather than a continuous story arc.

## **Q: How important is the host's personality in a true crime podcast series?**

A: The host's personality is crucial. A good host can guide the listener through complex narratives, demonstrate empathy for victims, maintain objectivity in their reporting, and build a connection that makes the series engaging. Their investigative skills, interviewing abilities, and narrative voice significantly impact the overall quality and binge-worthiness of the podcast.

## **Q: Are there any true crime podcast series that offer a different perspective, such as from the victim's family or legal team?**

A: Some series actively seek to incorporate perspectives from those directly affected. Podcasts like "Someone Knows Something" prioritize the voices of victims' families, and others might feature interviews with lawyers, former detectives, or experts who offer unique insights into the legal or investigative processes surrounding a case.

## **Q: What are some of the ethical considerations when listening to true crime podcasts?**

A: Ethical considerations include respecting the victims and their families, avoiding sensationalism that exploits tragedy, ensuring factual accuracy, and being mindful of the potential impact on survivors. Responsible true crime podcasts strive to present cases with sensitivity and a commitment to truth and justice.

## **Q: Where can I find the best true crime podcast series to binge on different platforms?**

A: You can find the best true crime podcast series to binge on major podcast platforms like Apple Podcasts, Spotify, Google Podcasts, Stitcher, and Audible. Many also have dedicated websites or social media channels where you can learn more about their series and episode releases.

The guide is broken down into several sections that speak to each series' place in TV history, including: Classics That Made the Molds (And Those That Broke Them): *The Jeffersons*, *All in the Family*, *Sanford and Son*, *The Mary Tyler Moore Show*, *Get Smart*, *Cheers*, *Golden Girls*, *Happy Days*... Tony, Walt, Don, and the Antiheroes We Loved and Hated: *Oz*, *Mad Men*, *The Sopranos*, *Breaking Bad*, *The Americans*, *Peaky Blinders*, *Ozark*, *The Shield*, *Boardwalk Empire*, *How To Get Away With Murder*... Game-Changing Sitcoms and the Kings and Queens of Cringe: *Insecure*, *Community*, *30 Rock*, *Curb Your Enthusiasm*, *Fleabag*, *Black-ish*, *Party Down*, *Veep*, *Catastrophe*, *Fresh Off the Boat*, *Tim and Eric*, *Schitt's Creek*, *Better Things*, *It's Always Sunny In Philadelphia*, *Pen15*, *Freaks and Geeks*, *Broad City*, *Black Lady Sketch Show*... Grown-Up Genre: *Buffy The Vampire Slayer*, *The X-Files*, *Battlestar Galactica*, *The Expanse*, *Supernatural*, *The Walking Dead*, *American Horror Story*, *Star Trek*, *Watchmen*, *The Witcher*, *Stranger Things*, *Game of Thrones*, *Westworld*, *Doctor Who*... Mysteries and Mindf--ks: *Twin Peaks*, *Lost*, *Sense8*, *Mr. Robot*, *Broadchurch*, *The Leftovers*, *Fargo*, *Top of the Lake*, *Killing Eve*, *Wilfred*, *True Detective*, *Hannibal*, *Mindhunter*... Reality TV and Docuseries That Captured the Zeitgeist: *The Last Dance*, *Making A Murderer*, *Cheer*, *Tiger King*, *Planet Earth*, *RuPaul's Drag Race*, *Wild Wild Country*, *Queer Eye*, *The Jinx*, *Anthony Bourdain: Parts Unknown*... In this punchy full-color guide, the editors of Rotten Tomatoes complement series write-ups with engaging infographics; fun sidebars (like a battle between the US and UK editions of *The Office*); and deep-dive essays on the streaming wars, superproducers to know, and the evolution of our collective viewing habits.

**best true crime podcast series to binge: The Oxford Handbook of American Documentary** Joshua Glick, Visiting Associate Professor of Film & Electronic Arts Joshua Glick, Patricia Aufderheide, University Professor in the School of Communication Patricia Aufderheide, 2025 Joshua Glick and Patricia Aufderheide Over the past twenty years, documentaries have taken on an increasingly central place in American public life. One measure of their importance is their commercial value. Major media companies have moved aggressively to monetize documentary, exploiting the form's relatively low budgets (compared to fiction)--

**best true crime podcast series to binge: Rewriting Eve** Ronna J. Detrick, 2025-07-30 We wouldn't consider letting Isis, Medusa, Pandora, or Persephone slip from our lexicon. To somehow forget the legend of Harriet Tubman, Anne Frank, or Mother Teresa would never cross our minds. And yet when it comes to the stories of Eve and other biblical characters, they are rarely known, barely appreciated, and ostensibly lost by most of us not deeply entwined within organized religion. Trapped in patriarchy and theological argument, dismissed as irrelevant, or viewed as unchangeable even as times change, these women's voices, desires, and hearts have too often been silenced through misunderstanding and neglect. As result, we are as well. But when they are reimagined, deconstructed, disentangled from doctrine and dogma, and heard on their own terms, these stories become powerful inspiration and a source of discernment that reconnects us to a feminine lineage and a sovereign sense of self we've never known to call on or trust. In *Rewriting Eve: Rescuing Women's Stories from the Bible and Reclaiming Them As Our Own* Ronna Detrick invites us into the presence and power of ten sacred women, revealing the endlessly relevant ways in which they speak today and showing how they can heal, embolden, and transform our stories.

**best true crime podcast series to binge:** *Podcast Journalism* David Dowling, 2024-03-19  
Runner-up, 2025 Tankard Book Award, Association for Education in Journalism and Mass Communication Podcasting's stratospheric rise has inspired a new breed of audio reporting. Offering immersive storytelling for a binge-listening audience as well as reaching previously underserved communities, podcasts have become journalism's most rapidly growing digital genre, buoying a beleaguered news industry. Yet many concerns have been raised about this new medium, such as the potential for disinformation, the influence of sponsors on content, the dominance of a few publishers and platforms, and at-times questionable adherence to journalistic principles. David O. Dowling critically examines how podcasting and its evolving conventions are transforming reporting—and even reshaping journalism's core functions and identity. He considers podcast reporting's most influential achievements as well as its most consequential ethical and journalistic shortcomings, emphasizing the reciprocal influences between podcasting and traditional and digital journalism. Podcasting, both as a medium and a business, has benefited from the blurring of boundaries separating news from entertainment, editorial from advertising, and neutrality from subjectivity. The same qualities and forces that have allowed podcasting to bypass the limitations of traditional categories, expand the space of social and political discourse, and provide openings for marginalized voices have also permitted corporations to extend their reach and far-right firebrands to increase their influence. Equally attentive to the medium's strengths and flaws, this is a vital book for all readers interested in how podcasting has changed journalism.

**best true crime podcast series to binge:** *How to Start and Grow a Successful Podcast* Gilly Smith, 2021-02-11 The only guide you need to build a podcast from scratch with tips, techniques and stories from the pioneers of podcasting, by expert and early adopter Gilly Smith. From This American Life's Ira Glass and George the Poet to the teams behind My Dad Wrote a Porno and Table Manners with Jessie Ware, this practical book is packed full of exclusive, behind-the-scenes advice and informative, inspiring stories that will teach you how to tell the greatest stories in the world. This is a comprehensive yet accessible and warmly written book for creatives who are striving to understand how their content could be successfully turned into a podcast, from conception through to execution, distribution, marketing and monetising. It covers: - Recognising who your show is for, deciding what it is about and where to find inspiration. - Deciding on the format and working on structure and script. - Hosting, casting and interview techniques. - Production expertise - from equipment you'll need to editorial tips and determining the ideal length of your show. - Distribution - deciding on a release schedule, show art, metadata and how to distribute. - Growing your podcast - promotion and building community among fans. With original material throughout, case studies from podcasters across genres and a companion podcast featuring interviews with the pioneers, this is a first in guides to podcasting.

**best true crime podcast series to binge:** *Entertainment, Journalism, and Advocacy* Lindsey A. Sherrill, 2023-02-13 In this book, Lindsey A. Sherrill explores the exponential growth of true crime podcasting, including the role of the ubiquitous Serial podcast in the growth of the industry. Using both demographic population analysis and interviews with podcast hosts and producers, Sherrill demonstrates that true crime podcasts exist as hybrid organizations, with diverse goals ranging from entertainment to criminal justice reform advocacy to journalistic inquiry. These competing motivations of podcast producers are explored, along with the ethical quandaries that emerge in the process of telling true crime stories. Sherrill traces true crime podcasting back to the infancy of the medium and examines the influences, innovations, and events that created the true crime podcast ecosystem, as well as its influence on real cases in the United States. Scholars of communication, sociology, and media studies will find this book of particular interest.

**best true crime podcast series to binge:** *The Book of Cold Cases* Simone St. James, 2023-02-28 A Most Anticipated Novel by PopSugar \* Crime Reads \* Goodreads \* A true crime blogger gets more than she bargained for while interviewing the woman acquitted of two cold case slayings in this chilling new novel from the New York Times bestselling author of *The Sun Down Motel*. In 1977, Claire Lake, Oregon, was shaken by the Lady Killer Murders: Two men, seemingly

randomly, were murdered with the same gun, with strange notes left behind. Beth Greer was the perfect suspect—a rich, eccentric twenty-three-year-old woman, seen fleeing one of the crimes. But she was acquitted, and she retreated to the isolation of her mansion. Oregon, 2017. Shea Collins is a receptionist, but by night, she runs a true crime website, the Book of Cold Cases—a passion fueled by the attempted abduction she escaped as a child. When she meets Beth by chance, Shea asks her for an interview. To Shea's surprise, Beth says yes. They meet regularly at Beth's mansion, though Shea is never comfortable there. Items move when she's not looking, and she could swear she's seen a girl outside the window. The allure of learning the truth about the case from the smart, charming Beth is too much to resist, but even as they grow closer, Shea senses something isn't right. Is she making friends with a manipulative murderer, or are there other dangers lurking in the darkness of the Greer house?

**best true crime podcast series to binge:** *The Hypochondriac's Bucket List* Debapriya Mukherjee, 2024-12-28 *The Hypochondriac's Bucket List* □ Welcome to a world where imaginary illnesses reign supreme, and laughter is the best (and only) cure! So grab your copy, settle into your worry chair, and dive into the wild and wonderfully neurotic world of *The Hypochondriac's Bucket List*. Your imagination is the only thing that can diagnose these maladies... and trust us, that's the best kind of treatment. □ Warning: May cause excessive giggling, self-diagnosis, and a stronger appreciation for laughter!

**best true crime podcast series to binge:** *Justice on Demand* Tanya Horeck, 2019-11-11 Explores the proliferation of true crime audiovisual texts across multiple media platforms. *Justice on Demand: True Crime in the Digital Streaming Era* offers a theoretical rumination on the question asked in countless blogs and opinion pieces of the last decade: Why are we so obsessed with true crime? Author Tanya Horeck takes this question further: Why is true crime thought to be such a good vehicle for the new modes of viewer/listener engagement favored by online streaming and consumption in the twenty-first century? Examining a range of audiovisual true crime texts, from podcasts such as *Serial* and *My Favorite Murder* to long-form crime documentaries such as *The Jinx* and *Making a Murderer*, Horeck considers the extent to which the true crime genre has come to epitomize participatory media culture where the listener/viewer acts as a desktop detective or internet sleuth. While Facebook and Twitter have re-invigorated the notion of the armchair detective, Horeck questions the rhetoric of interactivity surrounding true crime formats and points to the precarity of justice in the social media era. In a cultural moment in which user-generated videos of real-life violence surface with an alarming frequency, *Justice on Demand* addresses what is at stake in the cultural investment in true crime as packaged mainstream entertainment. Paying close attention to the gendered and racialized dimensions of true crime media, Horeck examines objects that are not commonly considered true crime, including the subgenre of closed-circuit television (CCTV) elevator assault videos and the popularity of trailers for true crime documentaries on YouTube. By analyzing a range of intriguing case studies, Horeck explores how the audience is affectively imagined, addressed, and commodified by contemporary true crime in an on demand mediascape. As a fresh investigation of how contemporary variations of true crime raise significant ethical questions regarding what it means to watch, listen, and witness in a digital era of

accessibility, immediacy, and instantaneity, Justice on Demand will be of interest to film, media, and digital studies scholars.

**best true crime podcast series to binge: Finding Your Voice in Radio, Audio, and Podcast Production** Rob Quicke, 2023-12-19 This book provides a unique identity-centered approach to radio, audio, and podcast production which encourages readers to build their confidence and create audio content that matters to them. Written for those just starting out in audio production and focusing on the process of their self-development, readers will learn how to use sound to express themselves in a variety of ways and to create powerful stories in the process – all with the tools already available to them. At the centre of this approach is the author's R.E.A.L. method, referring to the creation of audio that is relatable, engaging, authentic, and liberating. Students will learn to apply this concept to each step of the production process, from planning and writing through to interviewing, broadcasting, and responding to feedback. By the end of this book readers will have developed a working knowledge of podcast, audio, and radio production alongside their own means of self-expression. Supported by exercises and interviews with audio practitioners throughout, Finding Your Voice in Radio, Audio, and Podcast Production is a key resource for anyone approaching radio, audio, or podcasting for the first time. A supporting companion website with Instructor and Student Resources is available at [www.robquicke.com](http://www.robquicke.com).

**best true crime podcast series to binge: Dream City and Other Stories** Cristian Mihai, Dream City and Other Stories is a masterfully woven tapestry of interlacing narratives from the deft hand of Cristian Mihai. These tales will invade the sanctity of your thoughts, twisting your perception of reality and painting your dreams with a palette of absurdity, heartbreak, and intrigue. In the titular

story, Dream City, meet a painter battling an unforgiving disease, his life fading as his artistry reaches its zenith. His struggle is a haunting portrayal of sacrifice, of a man who gives all to his craft, even as life itself seeps away from him. Each story in this collection is a window into a world where the extraordinary masquerades as the mundane, where the line between dream and reality blurs and distorts. Cristian Mihai's vibrant prose will sweep you along, leaving you breathless, moved, and forever altered.

**best true crime podcast series to binge: The Routledge Handbook of Digital Sport Management** Michael L. Naraine, Ted Hayduk III, Jason P. Doyle, 2022-12-01 The Routledge Handbook of Digital Sport Management provides students, researchers, and practitioners with a contemporary roadmap of the impact of digital technologies in sport management, at all levels and in all sectors, in a global context. Divided into three sections addressing digital transformations, digital tools, and emerging digital issues, this book explores the impact of digital technology in the core functional areas of sport management, such as sponsorship, event management, and human resources. It introduces essential digital innovations such as esports, social media, VR, wearables, analytics, and artificial intelligence, and examines the debates and issues that are likely to shape and transform sport business over the next decade. The only book to survey the full sweep of digital sport management, this book is an essential reference for all serious students of sport business and management, any researcher working in the nexus of sport business and digital, and all managers, policy-makers or associated professionals working in the sport industry.

**best true crime podcast series to binge: The Cereal Killer Chronicles of Battle Creek** Jenn Carpenter, 2014-04-08 At the convergence of the Battle Creek and Kalamazoo Rivers lies Cereal City, USA. Named after a bloody battle between Native Americans and land surveyors, Battle Creek is most famously the home of the Kelloggs, a family of eccentric inventors and entrepreneurs who would go on to rule the world of breakfast foods. But before their worldwide fame came the sanitarium...and the questionable deaths...and the fires. After their downfall came the complicated legacy that would result in tragedy for decades to come. Author and podcaster Jenn Carpenter reveals how cereal, Battle Creek's lifeblood, also served as the root cause of bloodshed in the city many times over.

**best true crime podcast series to binge: Stay Sexy and Don't Get Murdered** Georgia Hardstark, Karen Kilgariff, 2021-03-04 THE SUNDAY TIMES BESTSELLER FROM THE CULT-HIT TRUE CRIME PODCAST, MY FAVORITE MURDER In STAY SEXY & DON'T GET MURDERED, Karen Kilgariff and Georgia Hardstark, hosts of true crime comedy podcast 'My Favorite Murder,' open up about their lives more intimately than ever in their confessionally honest and hilarious debut book, titled after their podcast sign-off. Sharing never-before-heard stories ranging from their struggles with depression, eating disorders, and addiction, Karen and Georgia irreverently recount their biggest mistakes and deepest fears, reflecting on the formative life events that shaped them into two of the most followed voices in the podcasting world.

**best true crime podcast series to binge: Murderers' Row Volume One** M. William Phelps, 2015-10-25 True stories from the files of an award-winning journalist and New York Times-bestselling author: "One of America's finest true-crime writers" (Vincent Bugliosi). Someone tries to pin a gruesome murder on a horse. Infamous serial killer Son of Sam shows us his true evil nature in a series of lost letters this psychopath never wanted you to see. Sesame Street's Big Bird comes home to find a dead woman on his estate. These shocking stories and several others are collected in one volume for the first time, with added updates from the author. One story involves a young man who believes he's figured out the perfect way to commit a murder after binge-watching Forensic Files. In this opening tale, a Massachusetts man is stalked by a hired killer because of the information he holds in the case of insurance scam gone bad, resulting in savage murder. Next up is the story of a restaurant owner and her husband, enjoying a tranquil life in the Berkshires, until a bloody trail inside a barn leads to a gruesome discovery and a family's deepest, darkest secrets are exposed. As a bonus, Phelps takes readers behind the scenes of his hit Investigation Discovery series Dark Minds, revealing his investigative secrets with an intimate look at those serial-killer cold cases

that still haunt Phelps today—and meets with forensic scientist Dr. Henry Lee in a narrative interview that reveals Lee’s ingenious and humorous take on life, his crime-scene philosophy, and the ways in which he deals with the brutality of the work he does.

**best true crime podcast series to binge:** The Murder Case of Sasha Samsudean Kellan Perkins Harris, 2021-09-25 In the event that a person is murdered in their closed apartment and a security guard is the last person to see them, I believe he should be suspect number one. true crime streets of la was there a movie filmed about true crime true crime new york city how do you get someone to what is better true crime la or true crime new yor true crime new york city cant defeat leeland is true crime a book or novel series {} true crime true crime podcast true crime documentaries true crime obsessed true crime shows true crime garage true crime movie true crime stories true crime books true crime podcasts 2021 true crime books true crime true crime gifts true crime shirt ann rule true crime books true crime game true crime gifts for women true crime books paperback true crime merchandise true crime samantha kolesnik best true crime podcasts true crime podcasts true crime stories true crime garage true crime documentaries true crime network true crime shows true crime movie true crime books true crime obsessed true crime true crime daily true crime stories true crime with natasha cooper true crime documentary true crime rocket science true crime podcast true crime loser true crime youtubers true crime cam true crime asmr true crime tiktoks true crime and makeup true crime brewery true crime youtube true crime new york city true crime podcasts true crime documentaries youtube true crime game true crime daily true crime shows

**best true crime podcast series to binge:** RedHanded Suruthi Bala, Hannah Maguire, 2021-09-14 2021 Listeners' Choice British Podcast Awards Winner What is it about killers, cult leaders, cannibals, cults, and criminals that capture our imaginations even as they terrify and disturb us? How do we responsibly consume these kinds of stories as entertainment, and more importantly, what can we learn from them? RedHanded rejects the narrative of killers as monsters and that a victim was in the wrong place at the wrong time, and instead tells the stories we want to hear in a way that challenges perceptions and asks the hard questions about society, gender, poverty, culture, and even our politics. After meeting at a party in London where they both discovered they listened to the same murder podcasts, Hannah Maguire and Suruthi Bala drunkenly promised to one day start their own true crime podcast together and the rest is history. From the hosts of the hit true crime podcast RedHanded (dubbed by Rick & Morty creator Dan Harmon as the best true crime podcast I've heard, ever), Hannah Maguire and Suruthi Bala have amassed a cult following of spooky bitches amounting to an incredibly strong 63k downloads per episode and 728k backlist downloads every month in the US alone. With candor, humor, interviews with experts, research on real-life cases, and an unflinching dissection of what makes a killer tick, Bala and Maguire take us through the societal, behavioral, and cultural phenomena that make victims -- and their murderers -- our collective responsibility and to find out once and for all: what makes a killer tick?

**best true crime podcast series to binge:** The New True Crime Diana Rickard, 2023-09-05 How serialized crime shows became an American obsession TV shows and podcasts like Making a Murderer, Serial, and Atlanta Monster have taken the cultural zeitgeist by storm, and contributed to the release of wrongly imprisoned people—such as Adnan Syed. The popularity of these long-form true crime docuseries has sparked greater attention to issues of inequality, power, social class, and structural racism. More and more, the American public is asking, Who is and is not deserving of punishment, and who is and is not protected by the law? In The New True Crime, Diana Rickard argues that these new true crime series deserve our attention for what they reveal about our societal understanding of crime and punishment, and for the new light they shine on the inequalities of the criminal justice system. Questioning the finality of verdicts, framing facts as in the eye of the beholder—these new series unmoor our faith in what is knowable, even as, Rickard critically notes, they often blur the lines between “fact” and “fiction.” With a focus on some of the most popular true crime podcasts and streaming series of the last decade, Rickard provides an in-depth analysis of the

ways in which this new media—which allows for binge-listening or watching—makes crime into a public spectacle and conveys ideological messages about punishment to its audience. Entertainment values have always been entwined with crime news reporting. Newsworthy stories, Rickard reminds us, need to involve sex, violence, or a famous person, and contain events that can be framed in terms of individualism and conservative ideologies about crime. Even as these old tropes of innocent victims and deviant bad guys still dominate these docuseries, Rickard also unpacks how the new true crime has been influenced by the innocence movement, a diverse group of organizers and activists, be they journalists, lawyers, formerly incarcerated people, or family members, who now have a place in mainstream consciousness as DNA evidence exonerates the wrongly convicted. The New True Crime questions the knowability of truth and probes our anxieties about the “real” nature of true crime media. For fans of true crime shows and anyone concerned about justice in America, this book will prove to be essential reading.

**best true crime podcast series to binge: Stay Sexy & Don't Get Murdered by Karen Kilgariff, Georgia Hardstark** , 2024-07-13 Book Description Stay Sexy & Don't Get Murdered by Karen Kilgariff, Georgia Hardstark From the true-crime podcast, My Favorite Murder hosts Karen Kilgariff and Georgia Hardstark share their insights on how to not get murdered. Through stories of true crime and personal memoirs, Stay Sexy & Don't Get Murdered offers insight on how to seek help for mental illness and change the conversation among true crimes to stop victim-blaming. Sharing their personal struggles with mental illness, Karen and Georgia discuss their experiences with depression, anxiety, ADHD, and more. And while it's important to recognize the symptoms within yourself, it's also important to recognize the warning signs and behaviors of a person wishing to do you harm. Throughout their experience in sharing My Favorite Murder with millions of listeners, Karen and Georgia have learned to share advice that is both insightful and avoids blaming the victims. So, readers, keep reading to learn how to stay sexy and don't get murdered.
