Major Contenders and Their Streaming Homes

The race for Best Picture is always a highlight of the Oscar season, and this year is no exception, featuring a diverse range of cinematic achievements. Many of these highly anticipated films have already made their way to popular streaming services, making them accessible to a broad audience. Identifying which 2025 Oscar nominated films are streaming from this prestigious category is crucial for anyone wanting to engage with the year's most celebrated cinematic works.

Several of the top contenders are readily available on major subscription platforms. For instance, films released by studios with exclusive streaming deals, such as Netflix, Amazon Prime Video, or Apple TV+, will likely remain on those services for an extended period. Other major studio releases might be available for rent or purchase on platforms like Amazon, Apple TV, Google Play, and Vudu, often after their initial theatrical and premium VOD windows have closed. It is important to note that streaming rights can be complex and can change over time, so checking current availability is always recommended.

Best Picture Nominees and Their Platforms

The films vying for the coveted Best Picture award represent a spectrum of genres and storytelling styles. Understanding their streaming status allows for informed viewing choices. This section will detail where some of the most prominent Best Picture nominees can currently be streamed.

For films that have had a theatrical release, their journey to streaming often follows a predictable pattern. After their cinema run, they typically become available for premium digital rental or purchase before potentially landing on a subscription service. Some films might debut directly on a streaming platform, particularly those produced or acquired by streaming giants. Keeping track of which 2025 Oscar nominated films are streaming involves monitoring these release strategies.

Actor and Actress Nominees: Streaming the Performances

The acting categories are always a source of immense talent and powerful portrayals. Many of the films recognized for outstanding performances are also readily available for streaming. Identifying which 2025 Oscar nominated films are streaming can help audiences appreciate the individual achievements of these actors and actresses.

Often, the streaming availability of films in acting categories directly correlates with their Best Picture status. If a Best Picture nominee is streaming, the performances within it are also accessible. However, some films might receive nominations solely in acting categories and have a different distribution path. This might involve independent releases with more limited streaming options or direct-to-streaming debuts.

Documentary Features: Streaming the Real Stories

The documentary category consistently offers powerful, eye-opening narratives that shed light on critical issues and compelling individuals. These films often spark important conversations and are highly sought after by viewers interested in non-fiction storytelling. Discovering which 2025 Oscar nominated films are streaming within the documentary sphere is key to engaging with these impactful stories.

Documentaries have found a significant home on streaming platforms, with many premiering directly on services like Netflix, HBO Max, Hulu, or PBS Passport. Others may have had festival runs followed by theatrical releases before becoming available for rental or purchase. The accessibility of these documentaries can vary significantly based on their production company and distribution agreements.

Notable Documentary Nominees and Their Availability

This subtopic will highlight specific documentary features that have earned nominations and provide information on their current streaming platforms. We will explore how these films reach audiences and what factors influence their availability.

The global reach of streaming services means that many critically acclaimed documentaries are accessible internationally. However, licensing agreements can sometimes limit availability to specific regions. When researching which 2025 Oscar nominated films are streaming, it's always wise to check regional availability if you are outside of the primary markets.

Animated Excellence: Where to Stream the Nominated Cartoons

The Best Animated Feature category showcases the incredible artistry and imagination of animators from around the world. These films, while often aimed at younger audiences, are frequently enjoyed by all ages for their technical prowess and storytelling depth. Finding out which 2025 Oscar nominated films are streaming in this category allows families and animation enthusiasts to enjoy them together.

Major animation studios typically have exclusive streaming deals with particular platforms. For instance, Disney and Pixar films often land on Disney+, while DreamWorks Animation titles might be found on platforms like Peacock or Netflix. Independent animated features may have more varied distribution, appearing on a wider range of services or for rental/purchase.

The Animated Contenders and Their Streaming Destinations

This section will detail the specific animated films nominated for an Oscar and outline their current streaming availability. We will consider both mainstream studio releases and potential independent entries.

The convenience of streaming has made these animated gems more accessible than ever. Parents and guardians looking for quality entertainment will find it beneficial to know which 2025 Oscar nominated films are streaming, especially those suitable for a family movie night.

International Films: Global Talent Available Online

The International Feature Film category celebrates outstanding cinematic achievements from non-English

speaking countries. These films often offer unique cultural perspectives and innovative filmmaking techniques. Identifying which 2025 Oscar nominated films are streaming from this diverse group opens up a world of cinema for curious viewers.

International films may have different distribution strategies compared to domestic productions. Some may receive limited theatrical releases in major markets, followed by availability on specialized streaming services that focus on international cinema, such as MUBI, Criterion Channel, or Amazon Prime Video's international sections. Others might be acquired by larger streaming platforms directly.

Globally Acclaimed Films and Their Online Access

Here, we will list the nominated international films and indicate where they can be streamed. This includes exploring the platforms that are known for curating a strong selection of global cinema.

The rise of streaming has significantly democratized access to international cinema. Viewers no longer need to rely solely on art-house cinemas to discover these films. This makes knowing which 2025 Oscar nominated films are streaming particularly valuable for expanding cinematic horizons.

Short Films: Accessing the Concise Cinematic Gems

The Live Action Short Film and Animated Short Film categories often highlight emerging talent and innovative storytelling within a compact format. These shorts are frequently difficult to find on mainstream platforms but are crucial for understanding the breadth of cinematic creativity. Determining which 2025 Oscar nominated films are streaming in the short film categories requires specific knowledge.

Short films often have a unique distribution model. Many are made available for rental or purchase as collections on platforms like iTunes, Amazon, or Google Play, sometimes bundled together by the Academy itself. Some may also find homes on specialized short film streaming platforms or directly on the filmmakers' websites.

Where to Watch the Nominated Shorts

This subsection will provide guidance on how to access the nominated short films, whether they are available individually or as part of a curated collection.

The accessibility of short films can be more fragmented, making it important to seek out dedicated

resources. For those curious about which 2025 Oscar nominated films are streaming in their shortest forms, this information will be invaluable.

Independent Films: Unearthing Hidden Streaming Treasures

The independent film circuit consistently produces some of the most daring, original, and critically lauded movies of the year. These films often tackle unique subjects and employ unconventional narrative structures. Pinpointing which 2025 Oscar nominated films are streaming within the independent sphere can be a rewarding endeavor.

Independent films often have a more diverse and sometimes unpredictable path to streaming. They might premiere on platforms like A24's own streaming initiatives, IFC Films Unlimited, or be picked up by major streamers after a festival circuit. Transactional VOD is also a common route for these films.

Discovering Independent Nominees Online

This section will focus on independent films that have received Oscar nominations and detail their current streaming availability, including both subscription and transactional options.

The independent film landscape is constantly evolving, and streaming has become a vital distribution channel for these productions. Understanding which 2025 Oscar nominated films are streaming from the independent realm provides a gateway to groundbreaking cinema.

Understanding Streaming Rights and Availability

The landscape of streaming availability for Oscar-nominated films is dynamic and can be influenced by numerous factors. As a professional SEO content writer, it's essential to provide clear, actionable information while acknowledging the fluid nature of these rights. This section aims to demystify the process and offer guidance on how to stay updated.

Streaming rights are typically acquired by various platforms for specific periods and geographic regions. A film might debut on a premium cable network's streaming service, then move to a broader subscription platform, and later become available for digital rental or purchase. This tiered approach is common for films released theatrically.

Factors Influencing Streaming Availability

Several key elements dictate where and when you can stream an Oscar-nominated film. These include:

- **Studio Distribution Deals:** Major studios have long-term agreements with streaming services (e.g., Disney with Disney+, Warner Bros. Discovery with Max, Universal with Peacock).
- **Independent Distributor Agreements:** Smaller distributors may license their films to various platforms or opt for direct-to-streaming releases.
- **Windowing Strategies:** The sequence of theatrical release, premium VOD, standard VOD, and subscription streaming is carefully planned.
- **Geographic Licensing:** Rights are often sold on a territory-by-territory basis, meaning a film available in one country might not be in another.
- **Transactional VOD:** Platforms like Amazon, Apple TV, Google Play, and Vudu offer films for rent or purchase, often providing earlier access than subscription services.

When searching for which 2025 Oscar nominated films are streaming, it is important to use reliable sources. Official studio press releases, reputable entertainment news outlets, and dedicated streaming guides are excellent resources. Furthermore, actively checking the catalogs of major streaming platforms like Netflix, Max, Hulu, Disney+, Apple TV+, and Prime Video will provide the most up-to-date information.

Tips for Finding Your Favorite Nominees

To maximize your chances of finding the Oscar-nominated films you wish to watch, consider the following strategies:

- **Utilize Aggregator Websites and Apps:** Services that compile streaming availability across multiple platforms can be incredibly helpful.
- **Set Up Alerts:** Some streaming platforms or third-party apps allow you to set up notifications for when a specific film becomes available.
- **Check Transactional VOD Regularly:** Even if a film isn't on a subscription service, it might be available for rent or purchase.

- **Stay Informed Through Industry News:** Following entertainment news can provide early indicators of upcoming streaming releases.

By understanding these factors and employing smart searching techniques, you can efficiently discover which 2025 Oscar nominated films are streaming and enjoy the best of cinematic excellence throughout awards season and beyond.

Q: Where can I find a definitive list of which 2025 Oscar nominated films are streaming?

A: While definitive lists can change rapidly due to evolving streaming rights, reputable entertainment news websites and dedicated streaming guide platforms are your best bet. Websites like IMDb, Rotten Tomatoes, and dedicated streaming news sites often provide updated information on where nominated films are available to stream, rent, or buy.

Q: Are all Oscar-nominated films immediately available for streaming?

A: No, not all Oscar-nominated films are immediately available for streaming. Many films undergo a traditional release window, starting with theatrical exhibition, followed by premium video on demand (VOD) rentals or purchases, and then eventually landing on subscription streaming services. Some films, particularly those produced by streaming giants, might debut directly on their platform.

Q: Do I need multiple streaming subscriptions to watch all the 2025 Oscar nominated films?

A: It is highly likely that you will need multiple streaming subscriptions or be prepared to rent/purchase films individually to watch all the 2025 Oscar nominated films. Different studios and distributors have exclusive deals with various streaming services, and some films may not appear on a subscription platform for quite some time.

Q: How can I tell if a specific 2025 Oscar nominated film is available in my country?

A: Streaming availability is often geographically restricted due to licensing agreements. To check if a film is available in your country, you should verify its status directly on the streaming platforms available to you,

or use region-specific entertainment news sources that detail local availability for rentals, purchases, or subscriptions.

Q: Will short films nominated for an Oscar be available on major streaming services?

A: Nominated short films are less likely to be found on major, general-interest streaming services as individual titles. They are often compiled into collections and made available for rent or purchase on platforms like Amazon Prime Video, iTunes, or Google Play, sometimes curated by the Academy itself.

Q: How does the streaming availability of documentaries compare to narrative films?

A: Documentaries, especially those produced or acquired by streaming platforms like Netflix, HBO Max, or Hulu, often have a more direct path to streaming. They may premiere on these services or become available shortly after a limited theatrical release, making it easier to track which 2025 Oscar nominated documentaries are streaming.

Q: When do films typically move from premium VOD to standard subscription streaming?

A: The timeline for films moving from premium VOD to standard subscription streaming varies. Generally, there is a window of a few weeks to a few months after the premium VOD release before a film becomes available on a subscription service. This depends heavily on the distribution strategy of the studio or distributor.

which 2025 oscar nominated films are streaming: The Oscars on Trial Pasquale De Marco, 2025-05-07 The Oscars are the most prestigious awards in the film industry, and they have been handed out annually since 1929. Over the years, the Oscars have honored some of the greatest films ever made, but they have also been known to make some questionable choices. In The Oscars on Trial, we take a look at some of the most controversial Oscar winners and losers, as well as some of

the most memorable Oscar moments. We start by examining some of the Academy's all-time blunders. These are films that were nominated for Best Picture but lost to films that are now considered to be far inferior. We also take a look at some of the films that were snubbed by the Academy, films that many critics and fans believe should have won Best Picture. Next, we turn our attention to the politics of Oscar. We examine the influence of studio money, celebrity endorsements, and Academy voters' biases on the outcome of the Oscars. We also discuss the impact of social and political issues on the Oscars, and how the awards have reflected American culture over the years. In the third chapter, we take a look at some of the most overrated Oscar winners. These are films that won Best Picture but are now considered to be overhyped and undeserving of their awards. We also take a look at some of the most underrated Oscar losers, films that were nominated for Best Picture but lost to films that are now considered to be far superior. In the fourth chapter, we discuss some of the most memorable Oscar speeches. These are speeches that were either particularly moving, funny, or controversial. We also take a look at some of the most shocking Oscar moments, such as the envelope mix-up at the 2017 Oscars and the streaker who interrupted the 1974 Oscars. In the fifth and final chapter, we look at the future of the Oscars. We discuss the changing demographics of Academy voters, the rise of streaming services, and the impact of social media on the Oscars. We also discuss the need for greater diversity and inclusion in the Oscars, and how the awards can remain relevant in a changing world. The Oscars on Trial is a fascinating and complex look at the Oscars, one of the most prestigious and controversial awards in the world. It examines contemporary digital media culture with four specific case studies, their cultural contexts and how audiences engage with them online. Drawing on two perspectives – the digital media circuit and the expanded cultural forum – as frameworks for the analysis, this book explores the complexity of film and television culture in the digital age. The analysis encompasses films with experimental storytelling techniques, from blockbusters to art films, coming-of-age serial drama as hybrid genre, the visual identity narratives of movie stars on social media and the

broadcast movie awards as a cultural authority in the era of streaming. The book offers in-depth case studies of Everything Everywhere All at Once, Stranger Things, the performance of Zendaya and Timothée Chalamet on Instagram and the Academy Awards Ceremony as live media event genre. Each chapter includes a genre analysis, an examination of the cultural context and a micro-study of how audiences engage on Letterboxd, Reddit or other social media. This timely, cross-disciplinary book is essential reading for students and scholars in film, media, cultural studies, celebrity and digital cultures and for anyone interested in contemporary film and television culture.

which 2025 oscar nominated films are streaming: *Mr. In-Between* Bill Kroyer, 2025-02-28 What's changed most in your lifetime? The switch from land lines to cell phones? From snail mail to email? How about the transition from Bugs Bunny to Buzz Lightyear? Those Bugs and Daffy cartoons you loved as a kid look nothing like the PIXAR classics Toy Story or The Incredibles. *Mr. In-Between: My Life in the Middle of the Animation Revolution* is the fascinating and hilarious saga of one of animation's computer graphics pioneers, Bill Kroyer, making his way to Hollywood to end up as a key figure in the technical revolution of animation's Second Golden Age. He provides an artist's explanation of the fundamental principles of animation, from the basic mechanics of motion to the immersive, artful experience of visualizing and realizing the performance of an imaginary character. Rather than a scholarly listing of films and filmmakers, the book is instead a captivating first-person journey through what may be the most important transition in the history of the arts—the transformation and renaissance of the animated film in the digital age. An important work for scholars, and an eye-opening and page-turning adventure for any film or cartoon fan, *Mr. In-Between* is a book that has the ultimate writing credit. Bill Kroyer was there. Key Features: Explains the step-by-step evolution of the digital tools of computer animation, from the most basic primitive "scripted" motion to the current application of artificial intelligence Describes some of the most remarkable, eccentric, and colorful geniuses who populated the quirky now-vanished subculture of "hand-drawn animation" Takes the reader on a world-wide tour of animation studios on four continents, explaining the vast cultural differences, but common artistic devotion, of animators in places as diverse as communist China, Europe, India, and the Philippines Recounts fascinating and surprising interactions with world-famous celebrities that worked with the animation industry, including legendary musicians, Oscar-winning actors and the King of the United Kingdom

which 2025 oscar nominated films are streaming: *Oscar Controversies* Octavia Marchand, AI, 2025-02-24 *Oscar Controversies* examines the Academy Awards through a critical lens, revealing how upsets, snubs, and scandals have marked its history. The book argues that the Oscars are not objective measures of cinematic quality; instead, they reflect subjective tastes, strategic campaigning, and prevailing social and political climates. Did you know that some historical analyses suggest vote rigging has influenced outcomes? The book dives into the complex web of film industry politics, exploring how these controversies mirror broader trends in society. The book approaches these topics by first introducing the history and voting system of the Academy Awards. It then dedicates chapters to specific examples of upsets, snubs, and scandals, drawing upon contemporary reviews and historical records. For instance, it investigates instances where films with poor critical reception still managed to win, highlighting potential factors such as effective marketing or studio influence. Understanding these events requires a grasp of the economics of the film industry, and the historical context in which these events unfolded, shedding light on the ongoing debates surrounding diversity and representation. Finally, the book analyzes the patterns and trends that emerge from these controversies, offering a nuanced perspective on the Academy's role in shaping film culture. By exploring these historical moments, *Oscar Controversies* provides a valuable resource for film enthusiasts and students of film history, offering a critical appreciation for the awards and the film industry itself.

which 2025 oscar nominated films are streaming: *Oscar Bait* Robert Boucaut, 2025-09-22 The Academy Awards – or the Oscars – have held a unique position in defining and enacting prestige for film industries and their publics. In evaluating 'the best' of film, they wield cultural influence over such cinema practices as consumption and evaluation, filmmaking aesthetics and narratives,

and the discursive activity of Hollywood's industrial agents and audiences. *Oscar Bait: The Academy Awards & Cultural Prestige* offers a comprehensive insight into how a film or star positions one's self as a viable competitor worthy of such consecration in new media contexts. Based over three years of 'Oscars seasons' (2019–2021), rigorous analysis of film texts, awards telecasts, and circulating discursive media is built through an original scholarly framework for understanding modern cultural awards. *Oscar Bait* recontextualises the Oscars' complex legacy into a new media ecosystem, one in which their established value is undercut by declining broadcast viewership, the changing values and demands of global film publics, and influential discourses aiming to progress popular culture beyond its problematic histories. In this new paradigm of film production and consumption, Boucalt explores what the Oscars mean in a contemporary filmmaking landscape and what impacts established stereotypes of Oscar-worthiness – the colloquial 'Oscar Bait' – continue to hold over the awards. *Oscar Bait* captures a dynamic snapshot of the Oscars and Hollywood in a critical era. It advances popular culture scholarship by developing an analytical framework for understanding disparate media texts within an awards season – and it critically updates Oscars knowledges for modern contexts. Readers interested in media and cultural studies, celebrity studies, persona studies, popular culture, and film will enjoy this book.

which 2025 oscar nominated films are streaming: "All I wanna do is go the distance" Philip L. Simpson, Kathy Merlock Jackson, 2025-08-22 If any film has gone the distance, it's Rocky (1976), which spawned one of the longest running franchises in film history. Released in America's bicentennial year, Rocky, based on an original screenplay by then-unknown writer and actor Sylvester Stallone, surprised everyone. Shot on a shoestring budget by director John Avildsen, the film became a blockbuster and Academy Award-winning best picture, In addition to spawning a lucrative franchise and spin-offs, Rocky propelled the careers of Stallone and Talia Shire, raised interest in boxing and sports movies, and placed Philadelphia and its architecture in the popular consciousness. Rocky has always been a contested text, raising questions about race, gender, and class in America, as well as debate about genre, storytelling, and film art--questions which are addressed at length in this rich collection of essays. As the contributing scholars show, Rocky and its sequels retain their power to rouse audiences well into the twenty-first century and continue to inspire audiences, athletes, and filmmakers.

which 2025 oscar nominated films are streaming: Overhearing Film Music John Caps, 2025-01-01 Beginning with a quick history of film scoring and then taking the reader backstage to interview a dozen major screen composers, Overhearing Film Music represents three generations of movie soundtrack music. Ranging from groundbreaking composers who scored classic 1940s melodramas such as Laura and the Thief of Bagdad, to the jazz-influenced modernists who worked on Rebel Without a Cause and The Pink Panther, and into the symphonic renaissance represented by films like Star Wars and Harry Potter, Caps asks the seminal questions: How did this kind of active movie scoring evolve from silent films—and where is it headed? These interviews provide a master class in how and why to score a film. Interspersed among the interviews, Caps's single-subject essays provide concise histories of the use of choral music in films, African American and female film composers, and digital composing software for a new era.

He wrote as many universally well-known tunes as the Beatles or Beethoven, if not more; his themes for Jaws, Star Wars, Indiana Jones, E.T., Jurassic Park, and Harry Potter are beloved around the world by multiple generations. This is the first major biography, achieved with unprecedented access to Williams and new interviews with Steven Spielberg and Yo-Yo Ma, among many others.

which 2025 oscar nominated films are streaming: The New York Times Essential Library: Children's Movies Peter M. Nichols, 2003-11-06 An indispensable guide for parents from a leading expert on children's film For years Peter M. Nichols has been offering vital advice and information for parents about current movies in his regular Taking the Children column. But parents need the same kind of guidance when renting or buying videos and DVDs for their family. They may know that movies such as Toy Story and Chicken Run are good choices for their children, but Nichols helps parents go beyond the obvious choices to more unconventional movies like The African Queen and Some Like It Hot. From the classics of animation to a host of great comedies and dramas, Nichols provides a knowing and illuminating guide to one hundred great cinematic works. Each brief original essay not only explains why the children will enjoy the film but also allows Nichols to offer timely bits of film history and to discuss certain films in a larger cultural context. Nichols's knowledge and understanding of films is broad and deep, and many of his choices-especially of films that we might not have thought of as children's films-will surprise and delight readers.

which 2025 oscar nominated films are streaming: Judy Garland Scott Brogan, 2025-06-18 A Definitive Celebration of Hollywood's Iconic Musical Star and Her Legendary Career More than 100 years after her birth, Judy Garland remains the gold standard by which all movie musical leading ladies are judged. She is revered and celebrated by current stars, directors, songwriters, and others in the entertainment industry. She also has a fan base that is as large as that of Marilyn Monroe or

James Dean. Her image, especially "Dorothy" in *The Wizard of Oz* (1939), is an instantly recognized icon. Garland really was the voice of MGM during her tenure and after. No documentary about any aspect of the history of the MGM Studios is complete without Garland's voice on the soundtrack. When people think of MGM Musicals, they think of Garland along with Gene Kelly and Fred Astaire. She's the only female in that exalted "top three." There have been many books about Garland's fabled and troubled life, but none devoted solely to the study (and celebration) of her years at MGM. She entered the studio as a 13-year-old contract player in 1935. She left the studio in 1950 carrying the title "Metro's Greatest Asset." *Judy Garland: The Voice of MGM* will focus on Garland's films, but it will also delve into her other professional achievements such as her extensive appearances on radio programs, her long association with Decca Records, and her personal appearances, highlighted by her two USO Bond Tours in the early 1940s. This will be the definitive book about Garland's legendary career at MGM, pulling back the curtain to reveal the truths about that career while also presenting previously unknown details and facts that are sure to delight her fans as well as fans of classic film.

which 2025 oscar nominated films are streaming: *The Real Pink Panther* Robert Sellers, 2025-04-28 Unveils the untold story of the iconic franchise, exploring its origins, secrets, and the complex legacy of Peter Sellers. The Pink Panther series is one of the most enduring and financially successful franchises in movie history, beginning with 1963's *The Pink Panther*, which introduced audiences to the iconic Inspector Clouseau, unforgettably played by Peter Sellers. Drawing on previously unseen material and 'exclusive' interviews with stars of the films and crew members, along with friends and colleagues of Peter Sellers, Robert Sellers presents, for the very first time, the untold story and some of the secrets behind the Pink Panther films. The original Pink Panther movie proved popular enough to spawn eight sequels. The films also inspired a popular animated TV series based on the pink panther cartoon character that appeared in the film's credit sequences. There were also spin-off toys, games, clothes, even breakfast cereal. In the 2000s, comedy legend Steve Martin twice stepped into the role of Inspector Clouseau. But behind the laughs, there was madness and darkness, and at the series' heart was one of cinema's most tragic figures: Peter Sellers. A comedic genius, Sellers could be temperamental, unprofessional, and unpredictable. Add to that a heart problem Sellers feared could kill him at any moment. This book reveals many of the Pink Panther's secrets for the first time, shining a spotlight behind the scenes at the making of some of the most beloved comedies of all time, and the extraordinary personalities that brought them to life.

One measure of their importance is their commercial value. Major media companies have moved aggressively to monetize documentary, exploiting the form's relatively low budgets (compared to fiction)--

which 2025 oscar nominated films are streaming: *The Exorcist Behind the Scenes* Pasquale De Marco, 2025-07-24 *The Exorcist* is one of the most iconic and controversial horror films ever made. Released in 1973, the film tells the story of a 12-year-old girl who is possessed by a demonic force. The film was a critical and commercial success, but it was also met with widespread controversy due to its graphic violence and disturbing content. In *The Exorcist: Behind the Scenes*, Pasquale De Marco takes a look at the making of the film, from its origins to its impact on popular culture. Pasquale De Marco interviews cast and crew members, including director William Friedkin, writer William Peter Blatty, and star Linda Blair. He also explores the film's cultural impact, its influence on other horror films, and its enduring legacy. *The Exorcist: Behind the Scenes* is the definitive book on the making of one of the most important and influential horror films ever made. It is a must-read for fans of the film and for anyone interested in the history of horror cinema. **About the Author** Pasquale De Marco is a film historian and critic. He is the author of several books on

horror cinema, including *The History of Horror* and *The 100 Greatest Horror Films*. He has also written for numerous film magazines and websites. If you like this book, write a review!

which 2025 oscar nominated films are streaming: Bitter Sweet Hattie Williams, 2025-07-08 A young book publicist finds herself in an all-consuming workplace affair with her literary idol in this “very impressive debut” (Chris Whitaker, *New York Times* bestselling author of *All the Colors of the Dark*). “Beautifully crafted, with aftershocks of conscience that will leave you processing for hours with others who’ve read it.”—Jodi Picoult, #1 *New York Times* bestselling author of *By Any Other Name* Sometimes the things you love most are the very things that can tear you apart. Charlie is twenty-three, single and the new publicity assistant at London’s preeminent independent book publishing house. Richard Aveling is fifty-six, married and the author who has defined his generation. Charlie has long idolized the charming, illustrious writer, who also represents a link to her late mother who loved his work. But as they embark on an illicit and all-consuming affair, Charlie is forced to hide the relationship from everyone she cares about. Too soon, she can’t imagine her life without Richard, and too late, she understands that losing him will unravel more than just their relationship—it might also unravel her. Tender and poignant, *Bitter Sweet* is an intimate exploration of power, of vulnerability, of what it means to love another person and what it means to love yourself.
