Early Buzz and Fan Expectations

Anticipated Nicole Kidman Films for 2025

The year 2025 is shaping up to be a banner year for Nicole Kidman's filmography, with several projects reportedly in various stages of production and post-production, poised for release. Her ability to seamlessly transition between intense dramatic roles and lighter fare ensures that her upcoming cinematic contributions will appeal to a broad spectrum of moviegoers. Each potential project offers a glimpse into different facets of her acting prowess, from compelling thrillers to thought-provoking dramas.

Role Diversity in Upcoming Features

Fans can look forward to Kidman exploring a range of characters in her upcoming films. While specific details often remain under wraps until closer to release dates, insider information and industry buzz suggest a commitment to diverse storytelling. Whether it's a character grappling with complex moral dilemmas or a figure embodying resilience in the face of adversity, Kidman's selection of roles consistently demonstrates a desire to push artistic boundaries and deliver memorable performances. The caliber of directors and writers she partners with further underscores the quality and ambition of these upcoming ventures.

Potential Thrillers and Dramas

Several sources indicate that a significant portion of Nicole Kidman's 2025 film slate may lean towards the thriller and drama genres, areas where she has previously excelled. These projects are often characterized by intricate plots, layered characters, and intense

emotional journeys. The anticipation surrounding these potential releases is palpable, as audiences are eager to witness Kidman embody roles that allow her to showcase her dramatic depth and ability to convey nuanced psychological states. The dark and compelling narratives expected from these films are sure to keep viewers on the edge of their seats.

Nicole Kidman's Television Ventures for 2025

Beyond her big-screen appearances, Nicole Kidman continues to be a prominent force in television, with upcoming series expected to captivate audiences through streaming platforms and traditional networks. Her involvement in television projects has consistently delivered critically acclaimed performances and groundbreaking storytelling. The 2025 landscape for her television endeavors appears just as promising, with the potential for ambitious miniseries and returning fan-favorite shows.

New Series and Limited Editions

Rumors and industry whispers suggest that Nicole Kidman is attached to new television series and limited editions scheduled for 2025. These projects often provide a more extensive canvas for character development, allowing actors to fully immerse themselves in complex narratives over multiple episodes. The choice of subject matter for these series is expected to be as varied as her film work, potentially exploring historical events, contemporary social issues, or deeply personal character studies. The creative teams behind these productions are often comprised of top-tier talent, promising high production values and compelling scripts.

Potential for Returning Roles

While the focus is often on new projects, there is also the possibility of Nicole Kidman reprising beloved roles in existing television series. Successful shows often aim to extend their runs or create follow-up seasons, and with Kidman's significant contributions to several acclaimed series, fans are hopeful for continued narratives. Any development on this front would undoubtedly be met with widespread enthusiasm, as audiences cherish the opportunity to revisit characters they have come to know and admire through her performances. The strategic planning involved in these television productions ensures that any continuation or new series will be a significant event.

Exploring Genres and Collaborations in 2025

Nicole Kidman's career is defined by her remarkable versatility across a wide array of genres. The upcoming projects for 2025 are expected to continue this trend, showcasing

her adaptability and willingness to explore new creative territories. Her collaborations with renowned directors and fellow actors are always a significant talking point, often leading to critically acclaimed and commercially successful films.

Genre-Bending Projects

While specific genre classifications for all 2025 projects are not yet finalized, indications point towards a mix that could include psychological thrillers, period dramas, and possibly even science fiction or fantasy elements. Kidman has a proven track record of excelling in roles that require intense emotional depth, intellectual engagement, and physical transformation. Her ability to inhabit diverse characters, from the regal to the profoundly flawed, makes her a sought-after talent for any project aiming for critical and popular success. The sheer variety of potential genres ensures there will be something to intrigue every cinephile.

Esteemed Directors and Co-Stars

The allure of working with Nicole Kidman extends to the caliber of talent she attracts as collaborators. For her 2025 upcoming movies, it is highly anticipated that she will be working with a list of esteemed directors known for their artistic vision and critical acclaim. Furthermore, the ensemble casts she joins are invariably filled with talented actors, creating dynamic on-screen chemistry that elevates the overall quality of the production. These partnerships are often instrumental in the success of a film, and the prospect of seeing Kidman interact with new and familiar creative forces is a significant draw for audiences.

Fan Expectations and Early Buzz for 2025 Releases

The anticipation for Nicole Kidman's 2025 releases is already building, fueled by her consistent delivery of powerful performances and the inherent intrigue surrounding her project selections. Social media, entertainment news outlets, and film enthusiast forums are abuzz with speculation and excitement about what the acclaimed actress has in store for the coming year. Her ability to remain relevant and captivating across decades of filmmaking is a testament to her enduring talent and broad appeal.

Hopes for Award-Winning Performances

Given Kidman's history of award-winning performances, fans naturally hold high expectations for her 2025 projects. Her nominations and wins at prestigious award ceremonies are a testament to her dedication and skill. The types of roles she often

gravitates towards – complex, challenging, and emotionally resonant – are precisely those that tend to garner critical attention and awards consideration. The prospect of witnessing another award-worthy turn from Kidman is a significant part of the excitement surrounding her upcoming films and television series.

Community Engagement and Discussion

The online film community is a vibrant space where discussions about upcoming releases, particularly those involving A-list talent like Nicole Kidman, flourish. Early announcements, casting news, and subtle hints from production teams are dissected and debated, creating a collective sense of anticipation. Fan theories about plotlines and character arcs are common, and the shared enthusiasm underscores the impact Kidman has on popular culture and the film industry. This ongoing dialogue highlights the deep connection audiences feel with her work and their eagerness to see her latest cinematic offerings.

As 2025 approaches, the outlook for Nicole Kidman's cinematic and television endeavors is exceptionally bright. Her consistent dedication to compelling storytelling and her unparalleled talent ensure that her upcoming projects will be met with widespread acclaim and fervent audience engagement. The diversity of genres, the caliber of her collaborators, and the sheer anticipation from her global fanbase all point towards a memorable year for one of Hollywood's most celebrated actresses. Prepare for a year filled with unforgettable performances as Nicole Kidman continues to redefine the landscape of film and television.

FAQ

Q: What is the most anticipated Nicole Kidman movie rumored for 2025?

A: While concrete details are still emerging, there is significant buzz around a potential psychological thriller that taps into Kidman's strengths for complex and dark narratives. Industry insiders suggest this project could be a major critical and commercial success.

Q: Will Nicole Kidman be returning to any of her popular TV series in 2025?

nicole kidman upcoming movies 2025: Entrepreneurship in Media and Entertainment Alex Connock, 2025-10-28 Where do ideas like Pokemon or Harry Potter come from? How do hit artists like Charlie XCX happen? How are stars like MrBeast created? How are high-value entrepreneurial exits created? *Entrepreneurship in Media and Entertainment: Hits and Value Creation* is the detailed, global, go-to guide to the journey of a startup in the fast-evolving, global creative industries. Written by Oxford academic and media entrepreneur Alex Connock, the book spans the lifetime of an entrepreneurial venture, through seven key stages and value drivers: startup, ideas, talent, technology, engagement, scaleup and exit. Covering entertainment in video games, TV, film, streaming, the creator economy, music, publishing, advertising, live entertainment, theatre and VR/AR, this book has a truly global reach, with cases from Nigeria to Ghana, South Africa, Saudi Arabia, India, China, Japan, Indonesia, Malaysia, South Korea, Australia, Vietnam, Brazil and Mexico, as well as Europe, the UK and US. The impact of artificial intelligence is embedded throughout - from Generative AI and copyright to content and collaborative filtering in AI-powered streaming. Filled with examples, the book dives deep into the careers of stars, the genesis of hits, the power of creators, and the best thinking on ideas generation. Theoretical concepts are leveraged to analyze startup creation and engagement, along with practical valuation techniques throughout the entrepreneurial journey. An up-to-date, academically informed global guide, this book is part of a trilogy that represents essential reading for students, scholars and reflective practitioners of media management, building on earlier titles on AI and live experience.

nicole kidman upcoming movies 2025: The Transpacific Experiment Matt Sheehan, 2019-08-13 A timely, vital account of California's unique relationship with China, told through the exploits of the entrepreneurs, activists, and politicians driving transformations with international implications. Tensions between the world's superpowers are mounting in Washington, D.C., and Beijing. Yet, the People's Republic of China and the state of California have built deep and interdependent socioeconomic exchanges that reverberate across the globe, making California and China a microcosm of the most important international relationship of the twenty-first century. In *The Transpacific Experiment*, journalist and China analyst Matt Sheehan chronicles the real people who are making these connections. Sheehan tells the story of a Southern Californian mayor who believes a Chinese electric bus factory will save his town from meth labs and skinheads. He follows a Chinese AI researcher who leaves Google to compete with his former employer from behind the Great Firewall. Sheehan joins a tour bus of wealthy Chinese families shopping for homes in the Bay Area, revealing disgruntled neighbors and raising important questions about California's own narratives around immigration and the American Dream. Sheehan's on-the-ground reporting reveals movie sets in the "Hollywood of China," Chinese-funded housing projects in San Francisco, Chinese

immigrants who support Donald Trump, and more. Each of these stories lays bare the new reality of twenty-first-century superpowers: the closer they get to one another, the more personal their frictions become. "Cuts right to the heart of the relationship between Silicon Valley and China: the tangled history, the current tensions, and the uncertain future . . . a must-read."—Kai-Fu Lee, former president of Google China and founder of Sinovation Ventures

nicole kidman upcoming movies 2025: Sixties Shockers Mark Clark, Bryan Senn, 2025-03-06 This comprehensive filmography provides critical analyses and behind-the-scenes stories for 600 horror, science fiction and fantasy films from the 1960s. During those tumultuous years horror cinema flourished, proving as innovative and unpredictable as the decade itself. Representative titles include *Night of the Living Dead*, *The Haunting*, *Carnival of Souls*, *Repulsion*, *The Masque of the Red Death*, *Targets* and *The Conqueror Worm*. An historical overview chronicles the explosive growth of horror films during this era, as well as the emergence of such dynamic directorial talents as Roman Polanski, George Romero, Francis Ford Coppola and Peter Bogdanovich.

nicole kidman upcoming movies 2025: Rock On Stella Fosse, 2025-08-11 When Stella Fosse awoke on her sixtieth birthday, she was surprised that nothing had changed. She had crossed the line from Princess to Crone—but contrary to stereotypes she swam four times a week, had lovers and a thriving career. Why had no one told her that life after sixty could be this good? For the next decade, Fosse wrote about every topic she wished someone had shared with her at sixty, from creativity and beauty to purpose and power. The essays collected in *Rock On* will inspire readers to:

- Reignite their creative spark
- Enjoy the body they have now
- Advocate for better healthcare
- Make confident, powerful money choices
- Cultivate a juicy, purposeful life

Power, Pleasure, and Purpose After Sixty Every year, two million women in the U.S. turn 65—and most will live for another twenty years or more. Far from winding down, this chapter of life can be a powerful new beginning. With careers and full-time parenting in the rearview mirror, women have the freedom to rediscover their vitality, purpose, and wild creative spark. Featuring inspiring profiles of trailblazing women and thought-provoking questions for reflection, this book invites every reader to become the woman she was always meant to be. No more holding back—this is your time to rise, reclaim, and reinvent. *Rock On* is the essential guidebook to embrace the challenges and celebrate the possibilities of life after sixty. Fans of Ashton Applewhite's *This Chair Rocks* will find a bold invitation to reject ageist stereotypes and live out loud. Like Joan Price's *Naked at Our Age*, *Rock On* celebrates the beauty and pleasure of women's bodies exactly as they are. And in the spirit of Julia Cameron's *It's Never Too Late to Begin Again*, it lights the way back to joy, curiosity, and creative freedom. This is not the end of the story. It's the start of something extraordinary.

nicole kidman upcoming movies 2025: Oscar Bait Robert Boucaut, 2025-09-22 The Academy Awards – or the Oscars – have held a unique position in defining and enacting prestige for film industries and their publics. In evaluating 'the best' of film, they wield cultural influence over such cinema practices as consumption and evaluation, filmmaking aesthetics and narratives, and the discursive activity of Hollywood's industrial agents and audiences. *Oscar Bait: The Academy Awards & Cultural Prestige* offers a comprehensive insight into how a film or star positions one's self as a viable competitor worthy of such consecration in new media contexts. Based over three years of 'Oscars seasons' (2019-2021), rigorous analysis of film texts, awards telecasts, and circulating discursive media is built through an original scholarly framework for understanding modern cultural awards. *Oscar Bait* recontextualises the Oscars' complex legacy into a new media ecosystem, one in which their established value is undercut by declining broadcast viewership, the changing values and demands of global film publics, and influential discourses aiming to progress popular culture beyond its problematic histories. In this new paradigm of film production and consumption, Boucaut explores what the Oscars mean in a contemporary filmmaking landscape and what impacts established stereotypes of Oscar-worthiness – the colloquial 'Oscar Bait' – continue to hold over the awards. *Oscar Bait* captures a dynamic snapshot of the Oscars and Hollywood in a critical era. It advances popular culture scholarship by developing an analytical framework for understanding

disparate media texts within an awards season – and it critically updates Oscars knowledges for modern contexts. Readers interested in media and cultural studies, celebrity studies, persona studies, popular culture, and film will enjoy this book.

nicole kidman upcoming movies 2025: *The Education of Kia Greer* Alanna Bennett, 2025-05-13 How can you trust your heart in a world that's plastic? The story of a teen girl who longs to escape the spotlight, and the PR relationship that helps her find real happiness. Smart, fearless, romantic, and so very alive. — Casey McQuiston, New York Times bestselling author of *Red, White and Royal Blue* Growing up in the public eye, Kia would gladly give up her privileged life as the daughter of a reality star for the freedom to find her own way—go to high school parties, gossip with the drama club, apply to college, make mistakes, and fall in love like any other teen. Then she meets Cass, and he offers a glimpse at the ordinary life she craves. But Cass is a rising star in his own right, and what starts as something sweet and undefined soon becomes a magnet for rumor and speculation—as if first love wasn't messy enough on its own. The pressure of the spotlight takes its toll, chipping away at Kia's sense of self, pushing and pulling and reshaping her—body and mind—to fit the expectations of everyone around her. But what does Kia want for herself? And can her fragile new relationship survive the fallout?

nicole kidman upcoming movies 2025: *Psychiatric Nursing* Mary Ann Boyd, Rebecca Luebbert, 2025-08-26 The definitive resource for Psychiatric-Mental Health Nursing education is now fully updated for today's practice challenges. *Psychiatric Nursing: Contemporary Practice*, 8th Edition, prepares students to deliver exceptional care through evidence-based, recovery-oriented approaches. This updated edition emphasizes clinical judgment development and adds reflections from professional nurses, discussion of mental health inequities, trauma-informed care guidance, expanded safety content, and a new chapter on complementary therapies and integrative health. Trusted pedagogical elements like threaded case studies, therapeutic dialogues, and clinical judgment care plans create a seamless bridge from classroom to clinical practice, transforming student apprehension into confidence.

nicole kidman upcoming movies 2025: *Christianity and Horror Cinema* Bryan P. Stone, 2025-06-25 *Christianity and Horror Cinema* explores ways that Christian beliefs, spiritualities, practices, and symbols provide the religious and existential depths out of which the monsters of Western horror cinema have emerged, arguing that they are, in several respects, the monsters for which Christians are responsible. Horror cinema preys on Christianity's narrative, moral, cultural, and aesthetic traditions; reverses them; upends them; inverts them; and offends them. But it also reflects and relies on them. The book focuses on seven subgenres in the cinema of horror: ghosts, witches, the demonic or Satanic, vampires, nature horror, zombies, and psychological horror. Each chapter traces the history of that subgenre, taking up a theological analysis of ways that horror cinema capitalizes on ambiguities, contradictions, anxieties, and tensions in Christianity—for example, its treatment of the body, nature, sexuality, women, or those it deems pagan or religiously other. The author examines a variety of films that are important for thinking about the relationship of Christianity to horror cinema. The book will be of interest to scholars of religion, theology, and film studies.

nicole kidman upcoming movies 2025: *Luxury and Art* Everett Sinclair, AI, 2025-02-22 *Luxury and Art* explores the deep connections between artistic expression and the luxury industry, revealing how aesthetics shape consumer desires. The book examines how art movements have influenced fashion, from Art Nouveau's impact on dressmaking to Bauhaus's influence on textiles. It also demonstrates how interior design uses art principles to craft luxurious spaces. The book argues that luxury brands don't just borrow from art; they fundamentally integrate artistic concepts to create value and exclusivity. The book begins with core art concepts applicable to design. It then progresses from fashion and interior design to branding, showing how companies use art to build aspirational identities. By combining historical analysis, case studies, and visual examples, *Luxury and Art* provides an all-inclusive look at art's influence on commerce. This approach makes it valuable for students, professionals, and anyone interested in the intersection of art, design, and

marketing.

nicole kidman upcoming movies 2025: A Beginner's Guide to Acting Methods Kimberly Shire, 2025-05-29 Wanting to understand the workings and methods of your favourite theatre practitioner? Look no further. This accessible guide summarizes the methods of 20 practitioners by collecting the most important features of their work and framing them so that even the novice actor will understand the material. Introducing us to the work of practitioners such as: Konstantin Stanislavski, Vsevolod Meyerhold, Bertolt Brecht, Michael Chekhov, Jacques Copeau, Maria Knebel, Lee Strasberg, Stella Adler, Sanford Meisner, Viola Spolin, Uta Hagen, Augusto Boal, Jerzy Grotowski, Tadashi Suzuki, and Anne Bogart among a number of others, the book sets readers on the path to discovering the methods they want to explore in greater depth. It does so through each chapter offering: - biographical information on each practitioner - a description of their method - suggestions for digging deeper and further exploration - journal and discussion questions - the opportunity for practical application with 3-6 hours' worth of in-class activities for instructors to use As a whole, the book seeks to offer an introduction to the many acting teachers and their methods in one place, demystifying terminology such as biomechanics, active analysis, grounding and viewpoints, and introducing readers to the founders of the principles that make up modern acting.

nicole kidman upcoming movies 2025: Single and Psycho Caroline Young, 2025-06-10 From the single ladies of Beyoncé and Taylor Swift songs to Phoebe Waller-Bridge's irreverent television series *Fleabag* (2016–2019) to as far back as Miss Havisham in *Great Expectations*, the stereotype of the damaged single woman has long pervaded music, books, television, and Hollywood movies. Spinster tropes, witch burnings, and nineteenth-century diagnoses of hysteria have reflected and continue to inform the stories told about society's singletons, most notoriously in the original bunny boiler, *Fatal Attraction* (1987), and popularized in *Single White Female* (1992) and *Promising Young Woman* (2020). In *Single & Psycho*, author Caroline Young explores how broader social trends such as the antifeminist backlash of the 1980s, contemporary debates about tradwives and childless cat ladies, and the absence of single women of color on-screen shape the way women are (mis)perceived and (mis)treated. Young weaves the history of a stereotype with her own fight against stigma as a single woman as well as her struggles with infertility, infusing incisive analysis with personal experience in this approachable, savvy exposé of one of mainstream media's most enduring clichés. *Single & Psycho: How Pop Culture Created the Unstable Single Woman* is a dynamic addition to the ongoing dialogue surrounding the #MeToo movement and societal expectations of women.

nicole kidman upcoming movies 2025: Quarantäne-Kultur Gabriele Dietze, 2025-07-17 Nach der Corona-Pandemie sind heute zwei Narrative dominant: im allgemeinen Diskurs ein Nichts-mehr-davon-wissen-wollen, im populistischen Diskurs eine Politisierung der Einschätzung des staatlichen Umgangs mit Covid-19 als Symptom eines angeblichen Systemversagens. Das Buch will der Amnesie des kulturellen Gedächtnisses über die Pandemiewirklichkeit entgegenwirken: Es rekonstruiert damalige Affekt- und Gefühlslandschaften am Beispiel von autofiktionaler Literatur, Hollywood-Blockbustern wie »Barbie« oder deutschen Fernsehformaten wie dem »Tatort«. Entgegen der Annahme, man habe schnell zur alten Normalität zurückgefunden, lassen sich dort zentrale Verschiebungen in den Domänen Freiheit, Liebe, Alter und Tod einer Neuen Normalität beobachten: Es werden zerstörerische Momente der okzidentalen Freiheitswut problematisiert, der Mythos der romantischen Liebe als Herrschaftsform herausgefordert, und man begegnet einer neuen Akzeptanz des Alters und einer Rückholung des Sterbens ins Leben.

nicole kidman upcoming movies 2025: The Holiday Honeymoon Switch Julia McKay, 2025-09-02 INSTANT NATIONAL BESTSELLER! Trading places and vacations might just be the Christmas miracle these two best friends need "The Holiday meets The Unhoneymooners in this friends-swapping-places romance that has it all: mistletoe and make-outs, plus sun, sand, and swoon!"—Chantel Guertin, author of *It Happened One Christmas* Holly Beech and Ivy Casey are bury-the-body besties. They're so in sync, they even look alike. When Holly's fiancé jilts her, leaving her in shock and with a nonrefundable honeymoon, Holly convinces Ivy to switch places. Ivy will go

on the Hawaiian honeymoon her best friend can't bear to take alone, while Holly escapes to Ivy's rented Hudson Valley cabin to binge-watch holiday movies and heal. But Holly's wallowing is interrupted when her rugged Airbnb host turns out to be her high school academic rival who's had a major glow-up. Meanwhile, Ivy's (now Hawaiian) annual solo art retreat is upended when Holly's ex-fiancé checks into the honeymoon suite—with a new woman. Raging and bed-less, the last thing Ivy expects is for the hot hotel bartender to come to her rescue. Against all odds, this Christmas might prove the most magical yet.

nicole kidman upcoming movies 2025: *The Civil War and Pop Culture* Chris Mackowski, Jon Tracey, 2023-07-28 Explore the enduring fascination of the Civil War through thought-provoking essays from the esteemed Emerging Civil War series to gain better understanding of the complex relationship between history and art in shaping our understanding of the war. The American Civil War left indelible marks on America's imagination, collectively and as individuals. In the century and a half since the war, musicians have written songs, writers have crafted histories and literature, and filmmakers recreated scenes from the battlefield. Beyond popular media, the battle rages on during sporting events where Civil War-inspired mascots carry on old traditions. The war erupts on tabletops and computer screens as gamers fight the old fights. Elsewhere, men and women dress in uniforms and home-spun clothes to don the mantle of people long gone. Central to "history" is the idea of "story." Civil War history remains full of stories. They inspire us, they inform us, they educate us, they entertain us. We all have our favorite books, movies, and songs. We all marvel at the spectacle of a reenactment—and flinch with startled delight when the cannons fire. But those stories can fool us, too. Entertainments can seduce us into forgetting the actual history in favor of a more romanticized version or whitewashed memory. *The Civil War and Pop Culture: Favorite Stories and Fresh Perspectives* from the Historians at Emerging Civil War explores some of the ways people have imagined and re-imagined the war, at the tension between history and art, and how those visions have left lasting marks on American culture. This collection of essays brings together the best scholarship from Emerging Civil War's blog, symposia, and podcast—all of it revised and updated—coupled with original piece, designed to shed new light and insight on some of the most entertaining, nostalgic, and evocative connections we have to the war.

nicole kidman upcoming movies 2025: *James Ulmer's Hollywood Hot List* James Ulmer, 2025-06-25 The little black book that's next to every studio executive's palm pilot--the real scoop on Hollywood's top 200 stars. Who's hot? Who's not? Who can green-light any project that they want? Who's begging for scraps? For years the film industry's elite have looked to James Ulmer's Hollywood Hot List to measure who was really worth a multimillion-dollar payday and who should be pasture-bound. Ulmer's star power rankings can change a star's salary--or even whether or not he or she gets a role. An actor's star power includes: -Bankability: How the actor's name alone guarantees a sale up front in today's global marketplace. -Career management: How well has the actor chosen roles to maximize career potential? -Willingness to travel and promote: How cooperative is the actor in promoting projects? -Professionalism: How reliable is the actor to work with, both on and off the set? -Inside Dirt: The truth about what it's like to work with the top 200 actors worldwide. -Box office bait: Who the actor has worked for and how much the project made. Ulmer's information is culled from those who work closely with the stars--their agents, co-stars, movie producers, directors, distributors, and personal assistants. The opinions of those in the know and the dollars a star can earn measure the true value of the actors in Hollywood. Find out who owns Tinseltown, who's just renting, and who's being evicted.

nicole kidman upcoming movies 2025: *Speak Of The Devil* Thomas Short, 2025-07-26 Authors from USA and Canada come together, in a collection of short stories themed around the popular phrase - Speak of the Devil. Enjoy this book with an open heart and mind to see a new realm unknown to you, thus far.

nicole kidman upcoming movies 2025: *The Death of the Artist* William Deresiewicz, 2020-07-28 A deeply researched warning about how the digital economy threatens artists' lives and work—the music, writing, and visual art that sustain our souls and societies—from an award-winning

essayist and critic There are two stories you hear about earning a living as an artist in the digital age. One comes from Silicon Valley. There's never been a better time to be an artist, it goes. If you've got a laptop, you've got a recording studio. If you've got an iPhone, you've got a movie camera. And if production is cheap, distribution is free: it's called the Internet. Everyone's an artist; just tap your creativity and put your stuff out there. The other comes from artists themselves. Sure, it goes, you can put your stuff out there, but who's going to pay you for it? Everyone is not an artist. Making art takes years of dedication, and that requires a means of support. If things don't change, a lot of art will cease to be sustainable. So which account is true? Since people are still making a living as artists today, how are they managing to do it? William Deresiewicz, a leading critic of the arts and of contemporary culture, set out to answer those questions. Based on interviews with artists of all kinds, *The Death of the Artist* argues that we are in the midst of an epochal transformation. If artists were artisans in the Renaissance, bohemians in the nineteenth century, and professionals in the twentieth, a new paradigm is emerging in the digital age, one that is changing our fundamental ideas about the nature of art and the role of the artist in society.

nicole kidman upcoming movies 2025: 999 Unbelievable Facts You'll Never Believe

Pasquale De Marco, 2025-08-13 From the wonders of the natural world to the mysteries of the human mind, this book is a celebration of all that is strange and wonderful about our universe.
