Looking Ahead: The Enduring Legacy of Liam Neeson

Introduction to Liam Neeson's 2025 Slate

The anticipation surrounding Liam Neeson's cinematic future is always palpable, and 2025 is shaping up to be no exception. Following a string of successful action-thrillers and the occasional dramatic turn, Neeson continues to be a reliable box office draw. Fans are eager to discover which characters he will embody and the narratives he will bring to life in the coming year. This overview aims to consolidate the latest information regarding his confirmed projects and offers insights into potential future endeavors. The focus remains on providing a comprehensive guide for enthusiasts keen to stay abreast of the veteran actor's burgeoning filmography.

Confirmed Liam Neeson Movies for 2025

As of the current reporting period, several projects featuring Liam Neeson are officially slated for release in 2025. These confirmed ventures offer a clear glimpse into his upcoming on-screen presence and the types of stories he is choosing to tell. While details are still emerging for some, the established nature of these productions provides a solid foundation for excitement.

"Ice Road 2: Road to the Sky"

The sequel to the 2021 action-thriller "The Ice Road" is a highly anticipated project. Liam Neeson is set to reprise his role as Mike McCann, a veteran trucker tasked with delivering critical supplies. "Ice Road 2: Road to the Sky" is expected to take the franchise to new heights, quite literally, with

filming reportedly set to occur in the Himalayas. This geographic shift promises a visually stunning and potentially more perilous adventure for Neeson's character, building upon the rugged landscapes and high-stakes scenarios that defined the first film. Fans can anticipate Neeson once again showcasing his physical prowess and his ability to convey a stoic, determined protagonist facing overwhelming odds. The narrative is expected to delve deeper into the lore and challenges of transporting goods across treacherous terrains, with the added element of a journey into a remote and exotic location.

"Retribution" (International Release in 2025)

"Retribution," a remake of the Spanish thriller "El desconocido," has already seen some international releases. However, for many markets, its wider distribution and potential for broader audience reach are anticipated in 2025. In this film, Neeson plays a bank executive who receives a bomb threat on his life while driving his children to school. The ensuing chaos forces him into a desperate race against time to uncover the identity of the perpetrator and prevent a catastrophic event. This role allows Neeson to embody a character under immense psychological pressure, a departure from some of his more physically driven roles, yet still infused with the urgency and suspense his fans have come to expect. The confined setting of the car and the ticking clock create an atmosphere of intense claustrophobia and escalating tension, perfectly suited to Neeson's commanding presence.

Potential and Rumored Projects

Beyond the confirmed releases, the rumor mill often churns with potential projects involving established stars like Liam Neeson. While these are not yet officially announced or guaranteed for a 2025 release, they offer an exciting glimpse into possible future collaborations and roles that align with his career trajectory.

Action-Thriller Collaborations

Neeson has consistently worked with established directors in the action-thriller genre. It is plausible that he is in discussions for other projects that leverage his signature performance style. These might include collaborations with directors known for their gritty, character-driven suspense films, or perhaps new talent looking to tap into Neeson's proven appeal for this niche. The nature of these potential films would likely involve high stakes, a quest for justice or survival, and Neeson's character navigating complex moral dilemmas. The specific plot points remain speculative, but the underlying genre remains a strong possibility for his future endeavors.

Possible Genre Expansions

While action-thrillers are his forte, Liam Neeson has a distinguished career that includes critically acclaimed dramatic performances. It is always a possibility that a compelling dramatic script could draw him back into more character-intensive roles. Such projects might explore themes of loss, redemption, or complex human relationships, showcasing the depth and versatility that initially brought him widespread acclaim. While less frequently discussed in terms of his current slate, these genre expansions are an inherent part of his cinematic legacy and could resurface with the right

project.

Analyzing Liam Neeson's Continued Appeal

Liam Neeson's enduring popularity, particularly in the action genre, is a fascinating phenomenon. Several key factors contribute to his consistent ability to draw audiences to the cinema, and these are likely to continue influencing his choices and appeal in 2025.

The "Relatable Everyman" Archetype

Neeson often portrays characters who are not necessarily superheroes but ordinary individuals thrust into extraordinary circumstances. This "relatable everyman" archetype, often possessing a hidden strength or a past trauma, resonates deeply with audiences. His characters, whether they are grieving fathers, retired operatives, or skilled professionals, often have a grounded quality that makes their struggles and triumphs feel more authentic and impactful. This allows viewers to project themselves onto the characters, fostering a stronger emotional connection.

Mastery of the Intense Performance

There is a distinct gravitas and intensity that Liam Neeson brings to his roles. His commanding presence, deep voice, and ability to convey a simmering intensity make him perfectly suited for characters facing life-or-death situations. Whether he is delivering a quiet threat or engaging in a brutal fight sequence, Neeson commands attention and belief. This specific skill set has allowed him to become a go-to actor for thrillers that require a protagonist with both physical capability and a believable emotional core. His performances are often characterized by a steely resolve that is both intimidating and compelling.

Strategic Role Selection

Neeson has demonstrated a keen understanding of his marketability and has strategically chosen roles that capitalize on his strengths. While he has a range, he has found a sweet spot in action-thrillers where his mature persona and physical presence are highly valued. This deliberate selection has helped him build a loyal fanbase that knows what to expect and eagerly anticipates his next installment in this vein. The consistency in his genre choices has, paradoxically, allowed for further specialization and mastery within that chosen field.

Looking Ahead: The Enduring Legacy of Liam Neeson

As Liam Neeson continues to grace the silver screen, his 2025 film slate represents another chapter in a career marked by versatility and a unique ability to connect with audiences. The confirmed projects, alongside the potential for further exciting ventures, suggest a future that will likely continue to be defined by compelling narratives and Neeson's signature on-screen presence. His

journey from dramatic heavyweight to action icon is a testament to his adaptability and the enduring appeal of his talent. Whether he is fighting bad guys on treacherous ice roads or navigating intense personal stakes, Liam Neeson remains a significant force in contemporary cinema, and 2025 promises to be another memorable year for his devoted fans.

FAQ

Q: What is the most anticipated Liam Neeson movie scheduled for 2025?

A: Based on current information and fan buzz, "Ice Road 2: Road to the Sky" is generating significant anticipation as it promises a continuation of the high-octane adventure from the first film, set against a visually striking new backdrop in the Himalayas.

Q: Will Liam Neeson be returning to his dramatic roots in 2025?

A: While his 2025 slate is currently dominated by action-thrillers, Liam Neeson has a rich history in dramatic roles. It is always a possibility that a compelling dramatic script could emerge, though no confirmed projects in that genre have been announced for 2025.

Q: Are there any specific directors Liam Neeson is rumored to be working with in 2025?

A: Specific director rumors for Liam Neeson's 2025 projects are not widely publicized at this time. However, he has a history of collaborating with directors known for their work in the action-thriller genre, and it's likely future projects would align with similar creative partnerships.

Q: What can fans expect from Liam Neeson's performance in "Ice Road 2: Road to the Sky"?

A: Fans can expect Liam Neeson to reprise his role as Mike McCann, showcasing his signature blend of stoic determination, physical prowess, and the ability to portray a character facing extreme danger and adversity. The film is expected to build on the character's resilience and problem-solving skills in a new, challenging environment.

Q: Is "Retribution" a new film for Liam Neeson in 2025, or a delayed release?

A: "Retribution" is a remake of a Spanish film, and while it has seen some international releases prior to 2025, its wider global distribution and significant release in many markets are anticipated in 2025, making it a relevant upcoming film for a large audience.

Q: What types of roles does Liam Neeson typically play in his upcoming movies?

A: In his upcoming movies, Liam Neeson is primarily known for playing tough, determined protagonists in action-thrillers. These characters often find themselves in high-stakes situations, fighting for survival, justice, or to protect their loved ones, and they frequently possess a hidden past or a strong moral code.

liam neeson upcoming movies 2025: Love Inspired Suspense June 2025 - Box Set 1 of 2
Terri Reed, Jessica R. Patch, Sharon Dunn, 2025-05-27 Love Inspired Suspense brings you three new titles! Enjoy these suspenseful romances of danger and faith. This box set includes: **STANDING WATCH** (A Dakota K-9 Unit novel) by Terri Reed When K-9 task force officer Zach Kelsey's estranged wife is attacked at a Mount Rushmore observation deck, he and his K-9, Amber, are quick to come to her rescue. He discovers not only that Eden, a park ranger, is carrying his child, but that she saw her coworker's murder. As the only witness to the crime, Eden has no choice but to accept Zach's protection. But with a ruthless killer ramping up his vicious attacks, they must put their differences aside to catch the murderer...before Eden becomes his next target. **ATTEMPTED MOUNTAIN ABDUCTION** (An Elite Protectors novel) by Jessica R. Patch Hired to protect a murdered tech mogul's daughter, undercover bodyguard Bridge Spencer never expects his ex-fiancée to blow his cover...while she's trying to kidnap the child. But before he and former CIA spy Wendy Dawson can figure out whose side they're on, they're attacked. Setting aside his heartbreak, Bridge has no choice but to team up with the woman who abruptly dumped him in a letter three years ago. Guarding the child from assailants who are after her father's top secret technology is priority one. But in the frigid Smoky Mountains, dangers are everywhere. The question is...which one is deadliest? **TARGETED MONTANA WITNESS** by USA Today bestselling author Sharon Dunn After being attacked in her workplace, Jillian Welch fears the worst—the mobsters behind her fiancé's murder have found her. Uncertain of her safety in witness protection, she turns to Sheriff Luke Mayfair for help. But clues point to an obsessed fan of Jillian's anonymous nightly podcast as her assailant. Now with potential threats all around, Jillian and Luke must seek refuge at Luke's family farm. But when the continued ambushes escalate to attempted murder, they must expose the culprits before they get to Jillian first. For more stories filled with danger and romance, look for Love Inspired Suspense June 2025 Box Set - 2 of 2

liam neeson upcoming movies 2025: Applied Algorithms Subhas C. Nandy, Rajat K. De, Prosenjit Gupta, 2025-04-18 This book LNCS constitutes the refereed proceedings of the Second International Conference on Applied Algorithms, ICAA 2025, held in Kolkata, India, during January 8-10, 2025. liam neeson upcoming movies 2025: LATIN AMERICA THE FINAL FRONTIER Shaun Donovan, 2025-03-16 Having traversed over 50,000 miles overland, throughout Europe, Africa, Asia, North America, and Australia, Shaun Donovan sets out on his pen-ultimate challenge -to conquer the continent of Latin America, and thus complete his circumnavigation of our planet. Like all his previous adventures, this latest Voyage of Discovery will be no easy task, as he traverses Chile, the longest country in the world, from top to bottom, encountering countless riots, and endless destruction and devastation along the way, as he crosses the Atacama Desert -one of the driest places on Earth. Reaching 'The End of the World', in Ushuaia, along with discovering his Welsh heritage in Patagonia -and going Whale-watching in Puerto Madryn, Shaun is able to cross-off three more must-do's from his Bucket List, before dicing with death in Argentina -and being abandoned in Uruguay! After meeting-up with his daughter, Hayley, in Rio de Janeiro, read how our intrepid pair brave the deadly waters of the Iguacu Falls, and survive food poisoning and altitude sickness, in Bolivia, before crossing Lake Titicaca into Peru, where they visit the 'Lost City of the Incas', namely Machu Picchu. After a pit-stop in Bogota, Columbia, they head for the famous Panama Canal, before relaxing on a desert island -and then getting stranded in the jungle in Bocas del Toro! Costa Rica is next on the list, where they visit the incredible Manuel Antonio National Park, before flying over to Belize, to do a spot of Scuba Diving on the Belize Barrier Reef, followed by a Golf Buggy race into the abyss, as they head off in search of the 'Secret Beach.' From here, our Daddy-Daughter Duo head up the east coast of Mexico, to Cancun, to soakup the sunshine -and to swim with a handful of

delightful dolphins, before flying over to Cuba, to enjoy the delights of this amazing island, as they celebrate their conquering of Latin America, by toasting Ernest Hemmingway in his 'Favourite Bar,' before smoking freshly rolled 'Cuban Cigars' in Valle de Vinales -and then rounding-off their fabulous adventure, by supping glasses of glorious champagne, as they proudly declare their incredible achievement -from the rooftops of Havana.

liam neeson upcoming movies 2025: Shopping for a Booty Call Julia Kent, 2025-05-29 Getting a 3:00 a.m. booty call from one of Scotland's hottest footballers is every woman's dream, right? No. It's my worst nightmare. My sister's marrying a billionaire. I'm a bridesmaid, and the groom's Scottish cousin, Hamish, is a groomsman. We're paired together in the ceremony, and the man is so full of himself, he's bulging at the seams. Biceps bulging. Thigh muscles bulging. Everything bulging... Overflowing with charm and oozing animal attraction, Hamish is irresistible sunshine. And he knows it. But I'm not looking or admiring, because once this wedding is over, he goes back to Scotland and does his cute little job, where he runs around with a bunch of other grown men who all get paid obscene amounts of money to chase a ball around on grass. And I can get on with my life and my goals. That call, though. That call changed everything. How can I hate someone and want them so desperately? Because it's him. That's why. A short, hot, frustrating prequel. ;) Long before Shopping for a Turkey, the first book in my Shopping for a Highlander series that features uptight Amy Jacoby and the ever-sensuous Scottish footballer Hamish McCormick, Amy and Hamish were in a wedding together. Her sister and his cousin's nuptials, to be specific. This is the story of Hamish's intensely steamy booty call, a subject mentioned over the years in my Shopping for a Billionaire series, especially Shopping for a Highlander, but now, dear reader, you will learn the truth about that infamous 3:00 a.m. call. Every dirty word. * * * Fans of Julia Kent's laugh-out-loud romantic comedies will devour this delicious mix of witty banter, heart-melting romance, and wedding-weekend chaos, packed with the irresistible charm (and Scottish hero!) readers love. [Note to readers: this was originally a 10,000 word short story, released in 2022 in an anthology. It's been more than doubled and now includes Hamish and Amy's perspective of the wedding they're in. Have fun!]

liam neeson upcoming movies 2025: Unreasonable Doubts Reyna Marder Gentin, 2025-07-30 Jaded New York City Public Defender Liana Cohen would give anything to have one client in whom she can believe. Dozens of hardened criminals and repeat offenders have chipped away at her faith in both herself and the system. Her boyfriend Jakob's high-powered law firm colleagues see her do-gooder job as a joke, which only adds to the increasing strain in their relationship. Enter imprisoned felon Danny Shea, whose unforgivable crime would raise a moral conflict in an attorney at the height of her idealism—and that hasn't been Liana in quite a while. But Danny's astonishing blend of good looks, intelligence, and vulnerability intrigues Liana. Could he be the client she's been longing for—the wrongly accused in need of a second chance? Is he innocent? As their attorney-client relationship transforms into something less than arm's length, Liana is forced to confront fundamental questions of truth, faith, and love—and to decide who she wants to be.

liam neeson upcoming movies 2025: John Williams Film Music Journalist and Historian Adjunct Instructor in Film Music History Tim Greiving, 2025 John Williams is the most famous film composer of all time. He wrote as many universally well-known tunes as the Beatles or Beethoven, if not more; his themes for Jaws, Star Wars, Indiana Jones, E.T., Jurassic Park, and Harry Potter are beloved around the world by multiple generations. This is the first major biography, achieved with unprecedented access to Williams and new interviews with Steven Spielberg and Yo-Yo Ma, among many others.

liam neeson upcoming movies 2025: It Nearly Killed Me But I Love You Sinead Corcoran Dye, 2025-08-12 An honest and heartwarming collection of essays from journalist Sinead Corcoran Dye, whose journey into motherhood makes her the perfect person to speak to its highs and lows.

liam neeson upcoming movies 2025: The Pen Adam Priolo, 2025-07-06 It's Evil... Oh, So Evil... Matt Robbins and his twin sister Erica are new to the city of Westwood. While both teens are

reluctant to make the move, it is Erica who cannot seem to come to terms with her father's decision to relocate. It isn't until Erica captures the attention of Dave Porter—the captain of the Westwood Warriors hockey team—that life seems to come full circle. But when Dave dumps his current girlfriend to be with Erica, the horrors begin. Now, with Erica receiving terrible threats warning her to stay away from Dave, Matt finds a mysterious fountain pen under the rotted floorboards in his attic. Surprisingly, this pen has the power to bring to life any wish that he writes. But there is a catch. It will only fulfill evil wishes. What good is a pen that will only grant evil wishes? Matt finally comes up with an answer to this dilemma when Erica suddenly finds herself in the crosshairs of a murderous plot. Can Matt save his sister from an untimely death? Or will she become the first casualty of an unrequited love?

liam neeson upcoming movies 2025: Martin Scorsese Ian Nathan, 2025-10-07 Discover the genius of Martin Scorsese - one of cinema's greatest storytellers. For over 50 years, Martin Scorsese has been one of cinema's most celebrated directors. From a Catholic kid in Manhattan to a legendary filmmaker, he's shaped Hollywood with masterpieces such as *Taxi Driver*, *Goodfellas* and *The Irishman*. But what makes a Scorsese film unique? His stories explore power, morality, and human nature, blending raw emotion with intellectual depth. Whether reinventing noir, musicals or crime dramas, his work captures the pulse of America and the Italian-American experience. This book dives into all 26 of his films, breaking down his signature themes, iconic collaborations with Robert De Niro and Leonardo DiCaprio, and his place in film history. A true movie fanatic and preservationist, Scorsese continues to push boundaries - proving that cinema isn't just entertainment, it's an art form.

liam neeson upcoming movies 2025: I'd Just As Soon Kiss a Wookiee Greg Carter, 2025 In a dedicated study of the Star Wars trilogies spanning from 1977 to 2019, Greg Carter contextualizes the popular franchise and its fandom through a critical mixed race studies framework. The project primarily examines the five-decade Star Wars phenomenon historically since, as Carter states, the films mirror the dominant beliefs in American society. Just as many have assumed the movies lack racial issues, some have claimed that the United States has reached a post-racial state where racial difference is irrelevant. *I'd Just As Soon Kiss a Wookiee* applies theoretical frameworks posited by Stuart Hall and bell hooks to this analysis of Star Wars as a portrait of post-civil rights era race relations in the United States. Though the franchise has perpetuated toxicity, racism, and sexism, each of which have roots in longstanding currents of American thinking, Carter showcases the perspectives of minority fans, intellectuals, and performances at a time when many recognize their centrality in the meaning of Americanness. With the surplus of spinoffs in the Star Wars franchise, Carter limits his study to the three trilogies of the Skywalker Saga. In the original trilogy, Carter looks at the racial ambiguity present in Darth Vader's cyborg body as well as the whiteness inherent to Princess Leia and the tropes incorporated in her narrative. While examining how the prequel trilogy built the Star Wars world, the study hones in on the family-narrative structure in addition to the actors of color introduced. The chapters that focus on the sequel trilogy rely on a variety of minority geek voices to reveal their underappreciated perspectives, using these perspectives to understand the fandom ships and the amplified animosity after *The Last Jedi* (2017). The author conducts this analysis all while asking: what is the story of Star Wars, especially for those outside of the white cis-male audience?--

liam neeson upcoming movies 2025: Maxwell Anderson and the Classical Tradition Robert J. Rabel, 2025-04-15 This book sheds new light on the dramatic works of the American playwright, poet, and lyricist Maxwell Anderson, assessing the pervasive influence of Greek and Roman antiquity on his plays that dominated Broadway in the first half of the twentieth century. Anderson is an important, though often forgotten, figure in the history of American drama and the Classical Tradition. The book highlights Anderson's remarkably creative use of classical antiquity, while also illustrating how he served as a first-hand witness and reactor to some of the main social and political events of his time. It explores Anderson's major theatrical works and adaptations of ancient Greek drama and poetry, including *Winterset*, *The Winged Victory*, the never-published *Ulysses Africanus*,

and *Bad Seed*, as well as his later minor works. Anderson found in tragedians such as Aeschylus, Sophocles, and Euripides ideal models for the dramatic portrayal of human emotion amidst the social and political backdrop of the United States from the interwar period to the nuclear age, which this book seeks to explore at length for the first time. This volume is of interest to students and scholars of Classical Reception and the Classical Tradition, as well as those working on twentieth century American literature, drama, history, and politics.

liam neeson upcoming movies 2025: An Anchor in the Sea of Time Stephen Harrigan, 2025 Books of essays, Stephen Harrigan writes in a short introduction to this collection, tend to be assembled more than planned. *An Anchor in the Sea of Time* is more planned than assembled, as Harrigan's seniority has allowed him to pick and choose his topics in the later stages of his career. While each essay stands on its own (most have already been published in *Texas Monthly* or the *Alcalde*), there is a steady focus on memory, identity, and history--both individual and collective. Harrigan's writing became more personal, and more focused on the topics that anchor this collection, with the publication of *Off Course*, a 2016 piece about his father, who was killed in a plane crash before he was born. Subsequent pieces like *The Voice in the Tree*, about a crisis of identity he had as a child, or *A Family Painting*, about art that hung in his grandparents house and whose subject matter and colors became part of my consciousness, continue that exploration of remembering his youth. Other pieces are both personal and generational, such as an essay about a group trip to Vietnam that stirs up feelings of class privilege in those who fought in the war and those (like Harrigan) who did their best not to-- Provided by publisher.

liam neeson upcoming movies 2025: If Chins Could Kill Bruce Campbell, 2025-08-22 *If Chins Could Kill: Confessions of a B Movie Actor* Here we are together in the digital universe. Somehow, you've clicked yourself to this page. If you came here of your own free will and desire, you and I are going to get along just fine. Life is full of choices. Right now, yours is whether or not to download the autobiography of a mid-grade, kind of hammy actor. Am I supposed to know this guy? you think to yourself. No-and that's exactly the point. You can download a terabyte of books about famous actors and their high-falootin' shenanigans. I don't want to be a spoilsport, but we've all been down that road before. Scroll down to that Judy Garland biography. You know plenty about her already-great voice, troubled life. Scroll down a little further to the Charlton Heston book. Same deal. You know his story too-great voice, troubled toupee. The truth is that though you might not have a clue who I am-unless you watch cable very late at night-there are countless working stiffs like me out there, grinding away every day at the wheel of fortune. *If Chins Could Kill: Confessions of a B Movie Actor* documents my time in blue-collar Hollywood, where movies are cheap, the hours are long, and the filmmaking process can be very personal. To keep up with the times, I've digitized *Chins*. It was originally published in hardcover/analog fifteen years ago, which is a vast amount of time in the evolution of books and technology, and it was time to get current. The advance of technology is great for a book like this, which is jammed full of pictures. When it came out originally, the photographs all had to be black and white and moderately sized on the page. Now, any photo that was originally taken in color can strut its stuff. Overall, the resolution of the images is off-the-charts better than the first go-around. This is one sequel that I'm happy to be a part of, since we could make so many technical improvements. The process was very similar to restoring an old movie. Since I knew that it was going to be reissued, I also had a look at the story being told and decided to condense, move, or clarify some chapters, all or in part. I also tried to add a hint of historical context, since it has been a decade and a half since *Chins* first came out. I hope you enjoy it. Regards, Bruce Campbell

liam neeson upcoming movies 2025: TLA Video & DVD Guide 2005 David Bleiler, 2025-06-25 *The TLA Video and DVD Guide 2005* is the absolutely indispensable guide to worthwhile cinema. It includes over 10,000 entries on the best of film and video that a real film lover might actually want to see. The

guide includes: -Reviews of more than 10,000 films -Four detailed indexes--by star, directory, country of origin, and theme -More than 300 photos throughout -A listing of all the major film awards of the past quarter-century, as well as TLA Bests and recommended films -A comprehensive selection of cinema from more than 50 countries Now published annually, the TLA Video and DVD Guide is one of the most respected guides from one of the finest names in video retailing, perfect for anyone with an eclectic taste in cinema.

liam neeson upcoming movies 2025: *Subwoofers Box Set* Linda Mooney, 2025-06-27 Alligator, Bear, Cougar, Deer, Eagle They found each other by accident. They became a team for life. After serving their time overseas, five former military soldiers decide to remain together as a team and start a new business called Bag-It-and-Tag-It. Located on Caddo Lake in East Texas, the area is ripe with game for hunters wanting to claim a trophy or two. But more importantly, the swampland is a perfect place for they themselves to explore and safely roam about in their other forms. In their non-human forms. They never planned on nor expected to find the women whom they'd end up falling in love with. Women who accepted both their human and animal selves.

liam neeson upcoming movies 2025: *Great Tales from English History (3)* Robert Lacey, 2006-12-01 With insight, humor and fascinating detail, Lacey brings brilliantly to life the stories that made England -- from Ethelred the Unready to Richard the Lionheart, the Venerable Bede to Piers the Ploughman. The greatest historians are vivid storytellers, Robert Lacey reminds us, and in *Great Tales from English History*, he proves his place among them, illuminating in unforgettable detail the characters and events that shaped a nation. In this volume, Lacey limns the most important period in England's past, highlighting the spread of the English language, the rejection of both a religion and a traditional view of kingly authority, and an unstoppable movement toward intellectual and political freedom from 1387 to 1689. Opening with Chaucer's *Canterbury Tales* and culminating in William and Mary's Glorious Revolution, Lacey revisits some of the truly classic stories of English history: the Battle of Agincourt, where Henry V's skilled archers defeated a French army three times as large; the tragic tale of the two young princes locked in the Tower of London (and almost certainly murdered) by their usurping uncle, Richard III; Henry VIII's schismatic divorce, not just from his wife but from the authority of the Catholic Church; Bloody Mary and the burning of religious dissidents; Sir Francis Drake's dramatic, if questionable, part in the defeat of the Spanish Armada; and the terrible and transformative Great Fire of London, to name but a few. Here Anglophiles will find their favorite English kings and queens, villains and victims, authors and architects - from Richard II to Anne Boleyn, the Virgin Queen to Oliver Cromwell, Samuel Pepys to Christopher Wren, and many more. Continuing the eminently readable, highly enjoyable (St. Louis Post-Dispatch) history he began in volume I of *Great Tales from English History*, Robert Lacey has drawn on the most up-to-date research to present a taut and riveting narrative, breathing life into the most pivotal characters and exciting landmarks in England's history.

liam neeson upcoming movies 2025: *Thunder Song* Sasha LaPointe, 2025-03-04 Blending beautiful family history with her own personal memories, LaPointe's writing is a ballad against amnesia, and a call to action for healing, for decolonization, for hope. —Elle The author of the award-winning memoir *Red Paint* returns with a razor-sharp, clear-eyed collection of essays on what it means to be a proudly queer indigenous woman in the United States today Drawing on a rich family archive as well as the anthropological work of her late great-grandmother, Sasha taq'wšəblu LaPointe explores themes ranging from indigenous identity and stereotypes to cultural displacement and environmental degradation to understand what our experiences teach us about the power of community, commitment, and conscientious honesty. Unapologetically punk, the essays in *Thunder Song* segue from the miraculous to the mundane, from the spiritual to the physical, as they examine the role of art—in particular music—and community in helping a new generation of indigenous people claim the strength of their heritage while defining their own path in the contemporary world.

liam neeson upcoming movies 2025: *Open-Hearted People, Soul-Connected Church* Tom Bennardo, 2025-04-08 Ask most anyone and they would say they desire honest, authentic, real relationships. Yet few of us experience the soul-level connection we long for with other human

beings, let alone God. Fear and pride drive us to mask our truest selves, leaving us perpetually disconnected, hidden, and lonely. God made us for something profoundly better: an open-hearted, courageous honesty that liberates us from a life of guardedness and self-protection and has the power to radically transform our approach to Christian community. In fact, it's those things about ourselves we're most afraid to reveal that lead to the kind of love and acceptance we yearn for. This book is your call to embrace and practice heart-level honesty and authenticity in this age of artificiality. As you learn to engage your world with your soul wide open, you'll discover deeper connections--with yourself, others, and God--and open avenues for other lonely and disconnected souls to join you there.

liam neeson upcoming movies 2025: Horses of Hollywood Roberta Smoodin, 2025-04-15 Despite the prevalence of horses in some of Hollywood's biggest movies of all time, their role in cinema has gone largely unsung. In fact, film might not exist without horses. Motion picture technology can trace its origins back to photographer Eadweard Muybridge, whose early photos of a running racehorse were used to demonstrate the medium's potential. In *Horses of Hollywood*, Roberta Smoodin gives equine film stars the credit and recognition they have long deserved. Smoodin goes behind the scenes to feature the trainers, actors, and directors who brought some of our favorite horses into the spotlight. From silent movie horses like Gallant Bess, to John Wayne and his four-legged sidekicks, to the origins of the horse girl trope in *National Velvet*, to equine actors in Ridley Scott films, *Horses of Hollywood* ensures that no self-proclaimed horse whisperers detract from the real stars of the show. Smoodin—who was for many years a horse breeder and caretaker—explains what went right and amiss in films featuring horses, including factual discrepancies and unrealistic depictions of human-equine relationships. She discusses filmmakers, celebrities, and film crews who mistreated equine actors and failed to utilize these marvelous animals in more expressive ways. At every turn, Smoodin offers a reverence and adoration for Hollywood's horses that is often reserved for human celebrities, balancing this perspective with humor and her own firsthand knowledge. Bringing horses' personalities to the forefront, *Horses of Hollywood* serves as a veritable hall of fame and honors the vital, intertwined history of motion pictures and equine legends.
