- Confirmed Marvel Movies in Phase 5
- Anticipated Storylines and Character Arcs
- The Role of New Heroes and Villains
- Connecting the Dots: Phase 5's Impact on the MCU
- Looking Ahead: What Phase 5 Sets Up

The Multiverse Saga Continues

Phase 5 is a crucial segment of the overarching Multiverse Saga, following directly on the heels of Phases 1-4, which culminated in the epic Infinity Saga. This new era is defined by its exploration of parallel realities, alternate timelines, and the immense power that comes with understanding and manipulating the multiverse. The events of previous phases, particularly those involving the Scarlet Witch's reality-altering powers and the

introduction of variants in series like "Loki," have irrevocably altered the MCU's understanding of existence. This foundational understanding of the multiverse is not just a backdrop but a central driving force for the narratives within Phase 5.

The implications of incursions, parallel universes colliding, and the potential chaos that could ensue are at the forefront of the MCU's current storytelling. Marvel Studios has strategically laid the groundwork for these complex concepts, and Phase 5 is where these ideas will be fully realized and explored in cinematic and streaming formats. Audiences can expect to see the ramifications of these multiversal mechanics on both individual characters and the fabric of reality itself.

Confirmed Marvel Movies in Phase 5

Marvel Studios has officially announced several blockbuster films that form the backbone of its Phase 5 slate. These movies are meticulously planned to build upon existing narratives and introduce new elements that will captivate audiences worldwide. Each film is designed to contribute significantly to the unfolding Multiverse Saga, offering unique perspectives and expanding the scope of the MCU.

The Fantastic Four

One of the most anticipated additions to Phase 5 is the introduction of Marvel's First Family, the Fantastic Four. After years of anticipation, Reed Richards, Sue Storm, Johnny Storm, and Ben Grimm are finally set to join the MCU. This reboot is expected to explore their origin story and their initial encounters with the challenges of superpowers and scientific exploration. The presence of the Fantastic Four opens up a wealth of cosmic storytelling possibilities, including their iconic arch-nemesis, Doctor Doom.

Captain America: Brave New World

This film will see Sam Wilson fully embrace his role as Captain America. Moving beyond the legacy of Steve Rogers, Sam's journey will explore the complexities of leadership, the weight of the shield, and the challenges of being a symbol of hope in a fractured world. Early indications suggest a focus on political intrigue and global threats, showcasing Sam's unique approach to heroism. The film promises to further develop his character and solidify his place as a central figure in the MCU's future.

Thunderbolts

The "Thunderbolts" movie assembles a team of anti-heroes and reformed villains who will undertake dangerous missions for the government. This project offers a unique opportunity to explore morally ambiguous characters and their redemption arcs, or lack thereof. The roster is expected to include familiar faces from previous MCU projects, making it a compelling blend of established characters and new dynamics. The asterisk in the title also hints at potential twists and turns within the narrative.

Blade

The Daywalker returns to the big screen in a new "Blade" film, reimagining the iconic vampire hunter for the modern MCU. This project is set to introduce supernatural elements more prominently into the MCU's narrative, exploring the world of vampires and ancient prophecies. "Blade" promises a darker, more mature tone, exploring the hero's struggle with his own heritage and his eternal war against the forces of darkness.

Avengers: The Kang Dynasty

This is slated to be one of the major crossover events of Phase 5, bringing together various heroes to face a monumental threat. The title strongly suggests that Kang the Conqueror, a formidable time-traveling villain introduced in "Ant-Man and the Wasp: Quantumania" and heavily featured in "Loki," will be the primary antagonist. This film will likely escalate the stakes of the Multiverse Saga to unprecedented levels.

Avengers: Secret Wars

Potentially concluding Phase 5 or bridging into the next major saga, "Avengers: Secret Wars" is a highly anticipated event film. Based on the iconic comic book storyline, it suggests a massive multiversal conflict where different realities clash. This epic conclusion could see the convergence of countless characters and storylines from across the entire MCU, and even beyond.

Anticipated Storylines and Character Arcs

Phase 5 is poised to continue and conclude several character arcs while initiating new ones. For Sam Wilson, "Captain America: Brave New World" represents a pivotal moment in his evolution from a supportive hero to a leader in his own right. His journey will likely be one of self-discovery and proving his worthiness as the symbol of Captain America. The film will explore the societal impact of his ascension and the challenges inherent in

his new role.

The "Thunderbolts" project offers fertile ground for character development among its ensemble cast. Audiences will get to see characters like Yelena Belova, Bucky Barnes, and others grapple with their pasts and their future allegiances. The dynamic between these morally complex individuals is expected to be a significant draw, exploring themes of redemption, trust, and the blurred lines between hero and villain.

The introduction of the Fantastic Four will undoubtedly kickstart their journey within the MCU, exploring their scientific curiosity, their family dynamics, and their initial encounters with cosmic phenomena. This will set the stage for their future adventures and their inevitable confrontations with powerful cosmic entities. The film will likely focus on their origin and how they gain their iconic powers, establishing their place in the burgeoning superhero landscape.

The Role of New Heroes and Villains

Phase 5 is not just about continuing existing narratives; it's also about introducing fresh faces and formidable adversaries. The arrival of the Fantastic Four brings with it the potential for a new era of cosmic storytelling within the MCU. Beyond the core quartet, there are opportunities to introduce other members of the extended Fantastic Four universe and their vast rogues' gallery.

Kang the Conqueror, as the central antagonist for the Multiverse Saga, will be a defining villain of Phase 5. His multiple variants across different timelines present a unique and complex threat that the Avengers will need to overcome. His mastery of time travel and advanced technology makes him one of the most dangerous villains the MCU has ever faced. His presence will undoubtedly shape the overarching narrative of this phase.

Furthermore, the "Blade" film is poised to expand the MCU's supernatural and horror elements. This opens the door for new mythologies, ancient evils, and a different kind of hero. The introduction of a character like Blade can attract a new audience while also providing a fresh perspective on the dangers that exist within the MCU's hidden corners.

Connecting the Dots: Phase 5's Impact on the MCU

Each project within Marvel movies upcoming phase 5 is designed to be a crucial piece of the larger Multiverse Saga puzzle. The events and character

developments in these films will have far-reaching consequences, influencing the direction of the MCU for years to come. The exploration of the multiverse means that characters and storylines from different realities could intersect, leading to unexpected alliances and conflicts.

The culmination of "Avengers: The Kang Dynasty" and potentially "Avengers: Secret Wars" will likely reshape the MCU landscape in significant ways. These massive ensemble films are where the threads of multiple narratives converge, resolving major conflicts and setting up future challenges. Audiences should pay close attention to how each film builds upon the last, as the interconnectedness is key to understanding the full scope of the saga.

The introduction of the Fantastic Four also marks a significant expansion of the MCU's cosmic and scientific elements. Their unique powers and their scientific expertise will allow for explorations into advanced technology, interdimensional travel, and alien civilizations that may have been previously untapped. This will undoubtedly enrich the overall lore of the MCU.

Looking Ahead: What Phase 5 Sets Up

The Marvel movies upcoming phase 5 is not just about what is happening now; it's also about what it is paving the way for. By delving deep into the multiverse and introducing new power players, this phase is strategically setting the stage for future sagas and the evolution of existing characters. The resolution of major storylines and the introduction of new threats will define the MCU's trajectory beyond this phase.

The potential conclusion of the Multiverse Saga with "Avengers: Secret Wars" could mark a significant turning point, potentially leading to a reset or a grand reimaging of the MCU. The implications of such an event could be monumental, altering the very nature of the universe as audiences know it. This sets a precedent for the type of high-stakes storytelling that Marvel Studios aims to deliver.

Ultimately, Phase 5 is designed to be a thrilling and transformative period for the Marvel Cinematic Universe, filled with exciting new adventures, compelling character journeys, and universe-altering events that will keep fans on the edge of their seats.

FAQ

Q: What are the confirmed movies in Marvel's Phase 5?

A: The confirmed movies for Marvel's Phase 5 include "The Fantastic Four," "Captain America: Brave New World," "Thunderbolts," "Blade," "Avengers: The Kang Dynasty," and "Avengers: Secret Wars." These films are set to expand the Multiverse Saga and introduce new heroes and threats.

Q: When does Marvel's Phase 5 officially begin?

A: Marvel's Phase 5 officially kicked off with "Ant-Man and the Wasp: Quantumania," which released in February 2023. While it was released earlier, it is considered the starting point for the subsequent slate of films and series that will unfold throughout this phase.

Q: Who are the main antagonists expected in Marvel's Phase 5?

A: The primary antagonist expected to play a significant role in Marvel's Phase 5 is Kang the Conqueror, a formidable foe with control over time and multiple timelines. His presence is strongly implied for "Avengers: The Kang Dynasty" and his multiversal machinations will likely drive much of the phase's conflict.

Q: What is the significance of the Multiverse Saga in relation to Phase 5?

A: Phase 5 is a crucial part of the larger Multiverse Saga, which follows the Infinity Saga. It is dedicated to exploring the complexities, dangers, and possibilities of parallel universes, alternate timelines, and multiversal incursions, building towards major climactic events.

Q: Will any existing MCU characters be making major returns or transitions in Phase 5 movies?

A: Yes, several existing characters are expected to have significant roles. Sam Wilson will be taking on the mantle of Captain America in "Captain America: Brave New World," and characters like Yelena Belova and Bucky Barnes are set to feature in "Thunderbolts." The "Avengers" films will also bring back many established heroes.

Q: How does the introduction of the Fantastic Four

impact the MCU?

A: The introduction of the Fantastic Four brings Marvel's First Family into the MCU, significantly expanding its cosmic and scientific branches. Their presence opens the door for new storylines involving interdimensional travel, advanced scientific concepts, and powerful cosmic entities, as well as their iconic villains.

Q: What can fans expect from the "Thunderbolts" movie?

A: "Thunderbolts" is expected to feature a team of anti-heroes and reformed villains undertaking dangerous missions. It will explore morally gray characters and their complex dynamics, offering a different kind of superhero team-up than typically seen in the MCU.

Q: Are there any planned Disney+ series that are part of Marvel's Phase 5?

A: While this article focuses on the movies, it's important to note that many Disney+ series are integrated into the MCU's phases, often acting as direct precursors or follow-ups to films. Specific series for Phase 5 are part of the broader slate and contribute to the overarching narratives.

Q: How do "Avengers: The Kang Dynasty" and "Avengers: Secret Wars" fit into Phase 5?

A: These two major Avengers films are slated to be the culmination of the Multiverse Saga within Phase 5. They are expected to feature massive ensemble casts and high-stakes conflicts that will resolve major plotlines and potentially redefine the MCU.

marvel movies upcoming phase 5: *Marvel's Collapsing Universe* Ian Wood, 2023-12-10 In his first non-fiction book, this prolific author takes an amateur fan's look at the science and silliness of the Marvel Cinematic Universe, and tries to understand how their meteoric success of the 2008-2019 era could have seemingly soured so dramatically as they moved into Phase 4 and beyond.

Are things really as bad as they seem? Are the cracks in the Marvel edifice something new, or have they been there all along, but willingly overlooked by audiences who were dazzled by the sprawling, unprecedented spectacle that Marvel initially unleashed on the eager cinematic world? Is this juggernaut really heading for a cliff, and if so, how can it be turned around? The answers may surprise you or they may be the same things you've been thinking all along! Now Updated for Thunderbolts

marvel movies upcoming phase 5: *Recasting the Disney Princess in an Era of New Media and Social Movements* Shearon Roberts, 2020-03-20 In the late 2000s, the Walt Disney Company expanded, rebranded, and recast itself around “woke,” empowered entertainment. This new era revitalized its princess franchise, seeking to elevate its female characters into heroes who save the day. *Recasting the Disney Princess in an Era of New Media and Social Movements* analyzes the way that the Walt Disney Company has co-opted contemporary social discourse, incorporating how audiences interpret their world through new media and activism into the company’s branding initiatives, programming, and films. The contributors in this collection study the company’s most iconic franchise, the Disney princesses, to evaluate how the company has addressed the patriarchy its own legacy cemented. *Recasting the Disney Princess* outlines how the current Disney era reflects changes in a global society where audiences are empowered by new media and social justice movements.

marvel movies upcoming phase 5: *Religion and Myth in the Marvel Cinematic Universe* Michael D. Nichols, 2021-03-08 Breaking box office records, the Marvel Cinematic Universe has achieved an unparalleled level of success with fans across the world, raising the films to a higher level of narrative: myth. This is the first book to analyze the Marvel output as modern myth, comparing it to epics, symbols, rituals, and stories from world religious traditions. This book places the exploits of Iron Man, Captain America, Black Panther, and the other stars of the Marvel films alongside the legends of Achilles, Gilgamesh, Arjuna, the Buddha, and many others. It examines their origin stories and rites of passage, the monsters, shadow-selves, and familial conflicts they contend with, and the symbols of death and the battle against it that stalk them at every turn. The films deal with timeless human dilemmas and questions, evoking an enduring sense of adventure and wonder common across world mythic traditions.

marvel movies upcoming phase 5: *The Marvel Studios Story* Charlie Wetzel, Stephanie Wetzel, 2020-05-26 What can you learn from the world’s most successful companies? Marvel characters have been shaping pop culture for decades and when comic books were no longer keeping the company afloat, Marvel Studios was born. Marvel Studios is the multibillion-dollar home to iconic franchises. They are known for creating brilliant multilayered worlds and storylines that allow their audiences to escape into a fantasy and inspire the creative side of every viewer. But, behind those visionaries is a well-oiled storytelling machine dedicated to getting the Hulk’s smash fists in the hands of every child and a sea of Spiderman costumes deployed every Halloween. *The Marvel Studios Story* educates you on how one of the largest creative companies in the planetary universe runs their business and keeps their fans and their parent company, Disney, counting the profits. Through the story of Marvel Studios, you’ll learn: How to recognize and pursue additional revenue streams. How a company can successfully balance the creative with business to appease investors and fans alike. And how to keep a decades-old superhero franchise new and exciting without losing sight of its roots. *The Marvel Studios Story* will help you understand and adopt the competitive strategies, workplace culture, and daily business practices that enabled a struggling comic book publisher to parlay the power of myth and storytelling to become one of history’s most successful movie studios.

marvel movies upcoming phase 5: *Secularism and the Pursuit of Transcendence, Volume II* Stanley E. Porter, Wendy J. Porter, 2025-02-19 We live in a secular age, or so we have been told. Nevertheless, the Christian church strongly believes that we still experience—and in fact

are surrounded by—acts of transcendence, encounters with God that often defy imagination and explanation. And yet we do try to explain such phenomena, whether theologically, experientially, biblically, historically, philosophically, literarily, or even (or especially) artistically. These two volumes are more than just papers from a major conference on secularism and the pursuit of transcendence held at McMaster Divinity College in Hamilton, Ontario. They contain genuine attempts by people deeply engaged with their secular surroundings to explain what we mean by transcendence. Transcendence has been a longstanding topic among the best thinkers of this and previous ages, and the same is true for these volumes, which include contributions by Charles Taylor, Robert Wuthnow, Merold Westphal, and Christina Gschwandtner—but also by a wide range of others who address the question from divergent vantage points. The responses vary as much as the orientations of those involved, in the pursuit of defining not only what it means to live in our secular age but to be involved in the pursuit of transcendence—or even to perceive the Transcendent's pursuit of us.

marvel movies upcoming phase 5: e-Pedia: Captain America: Civil War Contributors, Wikipedia, 2017-02-11 This carefully crafted ebook is formatted for your eReader with a functional and detailed table of contents. Captain America: Civil War is a 2016 American superhero film based on the Marvel Comics character Captain America, produced by Marvel Studios and distributed by Walt Disney Studios Motion Pictures. It is the sequel to 2011's Captain America: The First Avenger and 2014's Captain America: The Winter Soldier, and the thirteenth film of the Marvel Cinematic Universe (MCU). The film is directed by Anthony and Joe Russo, with a screenplay by Christopher Markus & Stephen McFeely, and features an ensemble cast, including Chris Evans, Robert Downey Jr., Scarlett Johansson, Sebastian Stan, Anthony Mackie, Don Cheadle, Jeremy Renner, Chadwick Boseman, Paul Bettany, Elizabeth Olsen, Paul Rudd, Emily VanCamp, Tom Holland, Frank Grillo, William Hurt, and Daniel Brühl. In Captain America: Civil War, disagreement over international oversight of the Avengers fractures them into opposing factions—one led by Steve Rogers and the other by Tony Stark. This book has been derived from Wikipedia: it contains the entire text of the title Wikipedia article + the entire text of all the 634 related (linked) Wikipedia articles to the title article. This book does not contain illustrations.

marvel movies upcoming phase 5: Work-Laugh Balance Pep Rosenfeld, 2025-03-19 A comprehensive guide by the co-founder of Boom Chicago to boosting team productivity, employee engagement and workplace culture through strategic humor implementation. We all work. And we all like to laugh. This book is about how to do both at the same time - and why doing both at the same time is so powerful and so valuable. It's about how to make your workplace a place where you and your colleagues can appreciate and enjoy humor together. It's about why humor at work is better for you, your team, your company and the quality of the work you all do together. Humor connects people, even people who might not naturally get along. It communicates messages and makes them memorable. It allows people to see subjects - and problems - in a new light. The magic of humor is real. And you can learn how to do it.

marvel movies upcoming phase 5: The Politics of the Marvel Cinematic Universe Nicholas Carnes, Lilly J. Goren , 2022-12-16 The Marvel Cinematic Universe (MCU) is the most expansive and widely viewed fictional narrative in the history of cinema. In 2009, Disney purchased Marvel Entertainment for \$4 billion, including its subsidiary film production company, Marvel Studios. Since then, the MCU—the collection of multimedia Marvel Studios products that share a single fictional storyline—has grown from two feature films to thirty interconnected movies, nine streaming Disney+ series, a half dozen short films, and more than thirty print titles. By 2022, eight of the twenty-five highest grossing films of all time are MCU movies. The MCU is a deeply political universe. Intentionally or not, the MCU sends fans scores of messages about a wide range of subjects related to government, public policy, and society. Some are overt, like the contentious debate about government and accountability at the heart of Captain America: Civil War. More often,

however, the politics of the MCU are subtle, like the changing role of women from supporting characters (like Black Widow in Iron Man 2) to leading heroes (like Black Widow in Black Widow). The MCU is not only a product of contemporary politics, but many of its stories seem to be direct responses to the problems of the day. Racial injustice, environmental catastrophe, and political misinformation are not just contemporary social ills, they are also key thematic elements of recent MCU blockbusters. In *The Politics of the Marvel Cinematic Universe*, more than twenty-five leading scholars examine these complex themes. Part one explores how political issues are depicted in the origin stories; part two examines how the MCU depicts classic political themes like government and power; and part three explores questions of diversity and representation in the MCU. The volume's various chapters examine a wide range of topics: Black Panther and the "racial contract," Captain America and the political philosophy of James Madison, Dr. Strange and colonial imperialism, S.H.I.E.L.D. and civil-military relations, Spider-Man and environmentalism, and Captain Marvel and second-wave feminism. *The Politics of the Marvel Cinematic Universe* is the first book to look expansively at politics in the MCU and ask the question, "What lessons are this entertainment juggernaut teaching audiences about politics, society, power, gender, and inequality?"

marvel movies upcoming phase 5: *Marvel Comics into Film* Matthew J. McEniry, Robert Moses Peaslee, Robert G. Weiner, 2016-04-05 Marvel Studios' approach to its Cinematic Universe--beginning with the release of Iron Man (2008)--has become the template for successful management of blockbuster film properties. Yet films featuring Marvel characters can be traced back to the 1940s, when the Captain America serial first appeared on the screen. This collection of new essays is the first to explore the historical, textual and cultural context of the larger cinematic Marvel universe, including serials, animated films, television movies, non-U.S. versions of Marvel characters, films that feature characters licensed by Marvel, and the contemporary Cinematic Universe as conceived by Kevin Feige and Marvel Studios. Films analyzed include Transformers (1986), Howard the Duck (1986), Blade (1998), Planet Hulk (2010), Iron Man: Rise of Technovore (2013), Elektra (2005), the Conan the Barbarian franchise (1982-1990), Ultimate Avengers (2006) and Ghost Rider (2007).

marvel movies upcoming phase 5: O reinado da Marvel Studios Joanna Robinson, Dave Gonzales, 2024-03-18 O reinado da Marvel Studios é a história não autorizada dos bastidores da impressionante ascensão – e do reinado incerto – do maior fenômeno cultural do nosso tempo: o Universo Cinematográfico Marvel (UCM). Há menos de vinte anos, a Marvel Entertainment era uma simples fabricante de brinquedos que lutava contra a falência iminente. Hoje, a Marvel Studios é um dos fenômenos globais mais lucrativos do mundo. A partir da base sólida de fãs dos quadrinhos de grande sucesso, filmes como X-Men e Homem-Aranha foram idealizados principalmente como uma forma efetiva de vender artigos inspirados em super-heróis, mas logo se transformaram em algo muito maior. Ao conquistar espectadores do mundo todo, a Marvel produziu uma das maiores franquias mundiais da história do cinema, gerando lucro não apenas com a venda de figuras de ação, mas agora também com bilheterias milionárias. Mesmo durante mais de uma década de sucessos, a empresa não deixou de enfrentar adversidades, como a contratação polêmica de Robert Downey Jr.

para interpretar o Homem de Ferro, o fracasso do filme Homem-Formiga e a Vespa: Quantumania e as demissões de diversos executivos em 2023. Críticas e desafios à parte, é impossível negar que a genialidade da Marvel Studios foi responsável pela ressurreição e reconstrução do antigo sistema de Hollywood. Explorando os bastidores do estúdio que transformou heróis de quadrinhos em produções bilionárias, O reinado da Marvel Studios narra, por meio de mais de cem entrevistas com atores, produtores, diretores e roteiristas, a história definitiva da Marvel Studios e sua mais famosa produção contínua: o Universo Cinematográfico Marvel (UCM). A obsolescência inevitável da Marvel é o melhor argumento para o UCM. – The New York Times O reinado da Marvel Studios é um relato minucioso sobre o estúdio cinematográfico e suas produções que conquistaram o mundo. – The Washington Post Ao longo de várias páginas e centenas de entrevistas, os autores exploram o que a marca icônica de quadrinhos do século XX fez para se tornar a bilheteria mais potente deste século. – Vulture

marvel movies upcoming phase 5: The Routledge Companion to American Film History

Pamela Robertson Wojcik, Paula J. Massood, 2025-02-12 Presenting new and diverse scholarship, this collection brings together original essays that explore American film history from a fresh perspective. Comprising an introduction and 34 chapters written by leading scholars from around the globe, and edited by Pamela Robertson Wojcik and Paula J. Massood, this collection offers discussions of the American film industry from previously unexplored vantage points. Rather than follow a chronological format, as with most film histories, this Companion offers a multiplicity of approaches to historiography and is arranged according to often underdeveloped or overlooked areas in American film, including topics such as alternate archives, hidden labor, histories of style, racialized technologies, cinema's material cultures, spectators and fans, transnational film production, intermedial histories, history in and about films, and the historical afterlives of cinema. An exciting collection for serious film studies students and scholars interested in new perspectives and fresh approaches to thinking about and doing American film history.

marvel movies upcoming phase 5: The American Blockbuster Benjamin Crace, 2022-10-18

Providing an indispensable resource for students and general readers, this book serves as an entry point for a conversation on America's favorite pastime, focusing in on generational differences and the evolution of American identity. In an age marked by tension and division, Americans of all ages and backgrounds have turned to film to escape the pressures of everyday life. Yet, beyond escapism, popular cinema is both a mirror and microscope for our collective psyche. Examining the films that have made billions of dollars through a new lens reveals that popular culture is a vital source for understanding what it means to be an American. This book is divided into four sections, each associated with a different generation. Featuring such era-defining hits as Jaws, Back to the Future, Avatar, and The Avengers, each section presents detailed film analyses that showcase the consistency of certain American values throughout generations as well as the constant renegotiation of others. Ideal for any cinephile, The American Blockbuster demonstrates how complex and meaningful even the summer blockbuster can be.

marvel movies upcoming phase 5: Time the Marvel Universe The Editors of TIME,

2019-03-01 From the panels that birthed heroes including the Fantastic Four and Spider-Man to the billion-dollar modern box-office phenomena of the X-Men and the Avengers, Marvel has transcended beyond comic books and superheroes and now sits firmly in our collective consciousness. Now, in a new special edition from the editors of TIME, Earth's mightiest heroes have assembled in celebration and triumph of one comic book company's enduring legacy and the media empire it has spawned. This special edition covers the history of the superhuman powerhouse, a trip through the Marvel Cinematic Universe, the evolution of televised heroes, and the lasting impact of fictional heroes becoming real-life icons. Additionally, we delve into the emotional connection that we form with these characters and why we worship them. We'll also take a look at the future of the Marvel Cinematic Universe and will test your knowledge of the MCU as well.
