Upcoming Jason Statham Films: Confirmed Projects

As of now, the landscape of confirmed Jason Statham upcoming movies 2025 is a carefully guarded territory, with studios often preferring to maintain an air of mystery until closer to production or release dates. However, reliable industry sources and official announcements have begun to paint a clearer picture of what audiences can anticipate. Statham's dedication to delivering visceral action experiences remains unwavering, and his next few cinematic outings are expected to adhere to this successful formula while potentially exploring new avenues within the action genre.

One of the most frequently discussed possibilities for 2025 involves a continuation of his highly successful collaborations. The actor has a proven track record with certain directors and production houses, and the anticipation for a return to established franchises is palpable. These confirmed projects often involve extensive pre-production, and the sheer scale of his typical blockbusters means that announcements are strategically timed to maximize promotional impact.

The Beekeeper Sequel Buzz

While no official confirmation has been issued for a direct sequel to "The Beekeeper" in 2025, the film's significant box office success and positive critical reception have made it a prime candidate for expansion. The story of Adam Clay, the seemingly unassuming beekeeper with a lethal past, left room for further narrative exploration. Should a sequel be greenlit and fast-tracked for a 2025 release, it would likely see Statham reprising his role, delving deeper into the covert operations and moral complexities that defined the first installment. The intricate world-building and the unique skill set of the protagonist offer ample opportunity for inventive action sequences and a compelling continuation

of the plot. Fans are eagerly awaiting any official word regarding the future of this particular franchise, as a "Beekeeper 2" would undoubtedly be a major draw for the 2025 cinematic calendar.

Potential Return to the Fast & Furious Saga

The "Fast & Furious" franchise has a long history with Jason Statham, who first appeared as Deckard Shaw in "Furious 7." While his presence has been more sporadic in recent installments, his character remains a fan favorite and a crucial element of the franchise's ensemble. Discussions surrounding "Fast & Furious 11," tentatively slated for a 2025 release, often include speculation about Statham's potential involvement. Given the interconnected nature of the franchise and the unresolved arcs of many characters, it is highly plausible that Deckard Shaw will play a significant role in the upcoming film, bringing his unique brand of combat prowess and dry wit to the sprawling narrative. The dynamic between Shaw and other established characters always provides a welcome injection of energy, making his return a much-anticipated aspect of any future "Fast & Furious" installments.

Potential Jason Statham Sequels and Franchise Expansions

The world of action cinema thrives on the continuation of successful franchises, and Jason Statham is no stranger to building and revisiting beloved cinematic universes. The prospect of seeing him return to established roles or kickstart new, expansive sagas in 2025 is a primary driver of excitement for his fans. These potential sequels often leverage the established lore, character development, and fan base built in previous installments, offering a sense of familiarity while promising fresh challenges and evolved narratives for the rugged protagonist.

Beyond the immediate possibilities, Statham's career trajectory suggests a continued interest in building long-term brands. The studios recognize the reliable audience draw of his presence in action-oriented franchises. Therefore, any film that proves successful is a strong candidate for follow-up entries, especially when the central character possesses the charisma and versatility that Statham brings to the table. This creates a robust pipeline of potential projects that could manifest in 2025 or beyond.

The Mechanic Franchise Prospects

The "Mechanic" films, featuring Statham as Arthur Bishop, a highly skilled hitman with a strict moral code and an uncanny ability to make every death look like an accident, have garnered a dedicated following. While the franchise has seen its share of installments, the potential for further adventures for Bishop remains. If a third "Mechanic" film were to be fast-tracked for a 2025 release, it would undoubtedly capitalize on the established narrative framework and the character's unique skillset. Audiences familiar with Bishop's meticulous methods and the intricate heists and assassinations he orchestrates would be eager to see him tackle new, complex missions. The film could explore the consequences of his past actions or introduce a new, formidable adversary that challenges his abilities to their absolute limit.

Expendables Series Continuation

The "Expendables" franchise, a star-studded ensemble action series, has consistently featured Jason Statham as one of its core members, Lee Christmas. With "Expendables 4" having been released in late 2023, the immediate focus might not be on a 2025 installment. However, the franchise's history indicates a propensity for regular releases, and discussions about "Expendables 5" are likely already underway behind the scenes. Statham's prominent role within the team makes him an indispensable component of any future "Expendables" film. His contributions to the blend of brutal combat, camaraderie, and over-the-top action are central to the series' appeal. A 2025 release for another chapter in "The Expendables" would reunite Statham with his fellow action legends for another globetrotting, high-stakes mission.

Beyond the Action: Exploring New Genres for Statham

While Jason Statham has carved an indelible niche in the action genre, his versatility as an actor hints at the potential for him to explore new cinematic territories in 2025. His ability to convey gravitas, humor, and intensity transcends a single genre, opening doors for him to experiment with roles that might challenge his established persona. The film industry is increasingly looking to seasoned performers to bring depth to a wider array of stories, and Statham possesses the inherent qualities to succeed in such ventures.

Even within the realm of action, there are subgenres and stylistic approaches that Statham has yet to fully explore. These could involve more complex heist films with intricate plot twists, espionage thrillers with a heavier emphasis on intrigue, or even darker, more character-driven dramas where his intensity can be channeled into psychological tension. The evolving nature of filmmaking and audience preferences means that actors who can adapt and diversify their roles are often rewarded with career longevity and critically acclaimed performances.

The Possibility of a Gritty Crime Drama

Jason Statham's raw charisma and natural intensity make him an ideal candidate for a compelling crime drama. Imagine him portraying a detective on the edge, a former criminal seeking redemption, or a hardened individual caught in a web of corruption. A project that delves into the psychological aspects of crime, rather than solely focusing on physical confrontations, could offer a fresh platform for his acting talents. Such a role would allow him to showcase a more nuanced performance, exploring the inner turmoil and moral ambiguities that often define complex characters in this genre. The darker, more brooding aspects of his on-screen persona could be amplified, providing a captivating viewing experience.

Collaborations with Visionary Directors

The potential for Jason Statham to collaborate with visionary directors outside the traditional action

sphere is also an exciting prospect for 2025. Directors known for their unique storytelling, visual flair, and ability to elicit nuanced performances from their actors could unlock new dimensions of Statham's talent. These collaborations could lead to genre-bending films that surprise audiences and critics alike, pushing Statham beyond his established boundaries. A director who can harness his raw energy and translate it into a character with unexpected depths could result in a truly memorable cinematic achievement, broadening his artistic palette and appeal.

What to Expect from Jason Statham's 2025 Lineup

The forthcoming year for Jason Statham's filmography in 2025 is shaping up to be a significant one, characterized by a blend of familiar action tropes and the potential for exciting new directions. Fans can anticipate the signature elements that have made him a global action icon: relentless pacing, expertly choreographed fight sequences, and a stoic, yet charismatic, lead performance. The confirmed and strongly rumored projects suggest a continued commitment to delivering the kind of adrenaline-fueled entertainment that his dedicated fanbase has come to expect.

Beyond the sheer spectacle, Statham's continued success lies in his ability to imbue his characters with a certain authenticity, even in larger-than-life scenarios. His on-screen persona, often a man of few words but decisive action, resonates with audiences seeking a straightforward hero who can overcome any obstacle. The projects slated for 2025 are expected to further cement this image while also potentially offering opportunities for subtle evolution in his character portrayals. The careful selection of roles ensures that his presence on screen remains a powerful draw for multiplexes worldwide.

The Signature Statham Action Experience

When we talk about Jason Statham upcoming movies 2025, the expectation of visceral, well-executed action is paramount. His films consistently deliver high-stakes chases, intense hand-to-hand combat, and explosive set pieces. Whether he's going toe-to-toe with a formidable antagonist or orchestrating a daring escape, Statham's physicality and dedication to practical stunts are always a highlight. The choreography in his fight scenes is often praised for its realism and brutality, setting him apart from many of his contemporaries. The upcoming slate is almost certain to feature these hallmarks, providing the thrilling entertainment that audiences flock to see.

Character Evolution and Nuance

While the action remains a core component, Statham has also demonstrated a capacity for subtle character development. His performances often hint at a deeper backstory or a complex moral compass beneath the tough exterior. For 2025, we can expect to see further exploration of these nuances. Even in roles that appear straightforward, Statham's delivery can convey layers of weariness, determination, or a dry, sardonic wit that adds considerable depth. The potential for him to tackle roles with more emotional weight or complex motivations remains a tantalizing prospect, offering a chance for him to showcase his range as an actor beyond the confines of pure action.

The Enduring Appeal of Jason Statham's Action Cinema

Jason Statham's enduring appeal in the action genre is a testament to his unique blend of raw physicality, undeniable charisma, and a refreshingly no-nonsense on-screen persona. In an era of increasingly complex superhero narratives and digitally enhanced action, Statham offers a grounded, visceral experience that resonates with a broad audience. His commitment to practical effects and hard-hitting stunts, combined with a distinctive on-screen presence, has cemented his status as one of Hollywood's most reliable action stars. As we look towards **jason statham upcoming movies 2025**, it's clear that his brand of tough, no-holds-barred entertainment continues to be in high demand.

The consistent success of his films speaks volumes about the audience's appetite for his particular brand of storytelling. He embodies a certain archetype of the lone wolf, the anti-hero who operates by his own code, a figure that has captivated audiences for generations. This timeless appeal, coupled with his consistent output of quality action films, ensures that any new project bearing his name is met with considerable anticipation. His presence alone can elevate a film, drawing in fans eager to witness his latest exploits on the big screen.

Why Fans Keep Coming Back

Fans are drawn to Jason Statham for several key reasons. Firstly, his authenticity is palpable; he feels like a real person thrust into extraordinary circumstances, rather than an untouchable demigod. Secondly, his commitment to practical action is evident in every punch thrown and car chased. This makes the stakes feel higher and the violence more impactful. Thirdly, his dry wit and understated charisma provide moments of levity and connection, even in the most intense situations. Finally, Statham consistently chooses roles that play to his strengths, delivering exactly what his fans expect: a thrilling, action-packed ride with a formidable hero at its center.

The Statham Formula for Success

The "Statham formula" for success is not merely about repeating past triumphs but about refining a proven approach to action filmmaking. This involves carefully selecting scripts that offer compelling stakes and opportunities for thrilling set pieces, collaborating with directors who understand his strengths, and maintaining a commitment to high-quality stunt work and fight choreography. His characters, while often tough and formidable, frequently possess an underlying code of honor or a relatable motivation that endears them to audiences. This combination of elements creates a reliable recipe for cinematic entertainment, ensuring that each new film offers the expected thrills while still feeling fresh and engaging.

FAQ

Q: What is the most anticipated Jason Statham movie rumored for 2025?

A: While official confirmations are scarce, "The Beekeeper 2" is highly anticipated among fans due to the success of the first film. Another strong contender for anticipation is his potential return to the Fast & Furious franchise in "Fast & Furious 11."

Q: Will Jason Statham star in any new, original action franchises in 2025?

A: Details regarding entirely new franchises are not yet public. However, Statham has a history of launching new series, so it remains a possibility. His future projects often involve careful development, and announcements for original IPs are typically made closer to production.

Q: Has Jason Statham announced any projects outside of the action genre for 2025?

A: As of current reports, there are no confirmed projects outside of the action genre for Jason Statham in 2025. However, his versatility has been noted, and the possibility of him exploring other genres in the future, perhaps beyond 2025, remains open.

Q: Are there any collaborations with specific directors confirmed for Jason Statham's 2025 films?

A: Specific director collaborations for 2025 are not yet officially announced. Statham has worked with several action-focused directors in the past, and any new partnerships would likely be revealed closer to the production phase.

Q: What can fans expect in terms of action choreography in Jason Statham's upcoming 2025 movies?

A: Fans can expect the signature gritty and realistic fight choreography that Jason Statham is known for. His films typically feature well-executed hand-to-hand combat and practical stunt work that emphasizes a brutal efficiency.

Q: How likely is a sequel to "Wrath of Man" for a 2025 release?

A: While "Wrath of Man" was well-received, there has been no official announcement regarding a sequel for 2025. However, given the film's cult following and Statham's strong performance, a sequel remains a possibility for the future.

Q: Will Jason Statham be involved in any voice acting roles for animated films in 2025?

A: There are no current announcements or rumors suggesting Jason Statham will be involved in voice acting for animated films in 2025. His focus appears to be on live-action projects.

jason statham upcoming movies 2025: Memahami Film: Pengantar Sinematik (Edisi 3)

Himawan Pratista, 2025-07-01 Memahami Film: Pengantar Sinematik dimaksudkan sebagai penyempurnaan dan pengembangan buku Memahami Film (edisi kedua). Buku ini memiliki relasi erat dengan Memahami Film: Pengantar Naratif yang juga merupakan update dari edisi kedua, yang terfokus pada aspek naratif (penceritaan). Fokus bahasan buku ini adalah aspek sinematik dan beragam hal yang terkait dengan eksplorasi teknis. Struktur pembahasan secara umum masih menggunakan buku sebelumnya dengan banyak pembaruan isi dan contoh film yang lebih update. Beberapa aspek lain yang terkait dengan eksplorasi teknis adalah pembahasan tentang gaya penyutradaraan, estetika pengadeganan, dan sejarah film. Gaya penyutradaraan dan estetika pengadeganan adalah sebuah pembahasan baru yang menyempurnakan pembahasan buku sebelumnya. Sejarah film tentu adalah satu hal yang patut diketahui, tidak semata hanya aspek teknologi dan pengembangan teknis, namun juga perkembangan industri film sendiri yang berubah demikian dinamis dari masa silam hingga kini. Understanding Film: A Cinematic Introduction is intended as a refinement and development of the book Understanding Film (second edition). This book is closely related to Understanding Film: A Narrative Introduction, which is also an update of the second edition, focusing specifically on narrative aspects (storytelling). The main focus of this book is on cinematic aspects and various topics related to technical exploration. The overall structure of the discussion still refers to the previous edition, with substantial updates in content and more current film examples. Several other aspects related to technical exploration include discussions on directorial style, mise-en-scène aesthetics, and film history. The topics of directorial style and mise-en-scène aesthetics are new additions that enhance the discussions presented in the earlier edition. Film history, of course, is an essential area of knowledge—not only in terms of technology and technical developments, but also in understanding the evolution of the film industry itself, which has undergone dynamic changes from the past to the present.

jason statham upcoming movies 2025: Slugfest Reed Tucker, 2025-05-01 The first in-depth, behind-the-scenes book treatment of the rivalry between the two comic book giants. THEY ARE THE TWO TITANS OF THE COMIC BOOK INDUSTRY--the Coke and Pepsi of superheroes--and for more than 50 years, Marvel and DC have been locked in an epic battle for spandex supremacy. At stake is not just sales, but cultural relevancy and the hearts of millions of fans. To many partisans, Marvel is now on top. But for much of the early 20th century, it was DC that was the undisputed leader, having launched the American superhero genre with the 1938 publication of Joe Shuster and Jerry Siegel's Superman strip. DC's titles sold millions of copies every year, and its iconic characters were familiar to nearly everyone in America. Superman, Batman, Wonder Woman -- DC had them all. And

then in 1961, an upstart company came out of nowhere to smack mighty DC in the chops. With the publication of *Fantastic Four #1*, Marvel changed the way superheroes stories were done. Writer-editor Stan Lee, artists Jack Kirby, and the talented Marvel bullpen subsequently unleashed a string of dazzling new creations, including the Avengers, Hulk, Spider-Man, the X-Men, and Iron Man. Marvel's rise forever split fandom into two opposing tribes. Suddenly the most telling question you could ask a superhero lover became Marvel or DC? *Slugfest*, the first book to chronicle the history of this epic rivalry into a single, in-depth narrative, is the story of the greatest corporate rivalry never told. Complete with interviews with the major names in the industry, *Slugfest* reveals the arsenal of schemes the two companies have employed in their attempts to outmaneuver the competition, whether it be stealing ideas, poaching employees, planting spies, or launching price wars. The feud has never completely disappeared, and it simmers on a low boil to this day. With DC and Marvel characters becoming global icons worth billions, if anything, the stakes are higher now than ever before.

jason statham upcoming movies 2025: *Low Road Forever & Other Essays* Tara Thorne, 2025-09-19 A self-proclaimed gay feminist harpy since before it was cool, Tara Thorne is situated somewhere between the sharp-eyed urban commentary of Nora Ephron and ribald cultural analysis of Lindy West. In her debut book of essays, the Halifax-based filmmaker, arts critic, and recovering journalist gives readers her unvarnished take on the films and music that made her a feminist, how the #MeToo reckoning led her to write a misandrist vigilante film, what it's like being the only woman in a band, and the snarky tweet that made her lose her position as CBC Radio's arts and culture columnist. Alongside are musings on coming out later in life, remaining resolutely child-free, and why she's decided to step back from being professional to the point of erasure: after two decades, it's time to take the low road. With the cranky forthrightness of Fran Lebowitz in *Pretend It's a City*, Thorne's voice is both self-assured and deeply self-effacing as she exposes the light haze of misogyny that hangs over us all to find what's funny, what's true, and what needs to be said.

jason statham upcoming movies 2025: *Big Dumb Eyes* Nate Bargatze, 2025-05-06 AN INSTANT #1 NEW YORK TIMES BESTSELLER A #1 TORONTO STAR BESTSELLER AN INSTANT USA TODAY AND INDIE BESTSELLER A GLOBE AND MAIL BESTSELLER From one of the hottest stand-up comedians, Nate Bargatze brings his everyman comedy to the page in this hilarious collection of personal stories, opinions, and confessions. Nate Bargatze used to be a genius. That is, until the summer after seventh grade when he slipped, fell off a cliff, hit his head on a rock, and "my skull got, like, dented or something." Before this accident, he dreamed of being "an electric engineer, or a doctor that does brain stuff, or a math teacher who teaches the hardest math on earth." Afterwards, all he could do was stand-up comedy.* But the "brain stuff" industry's loss is everyone else's gain because Nate went on to become one of today's top-grossing comedians, breaking both attendance and streaming records. In his highly anticipated first book, Nate talks about life as a non-genius. From stories about his first car (named Old Blue, a clunky Mazda with a tennis ball stick shift) and his travels as a Southerner (Northerners like to ask if he believes in dinosaurs), to tales of his first apartment where he was almost devoured by rats and his many debates with his wife over his chores, his diet, and even his definition of "shopping." He also reflects on such heady topics as his irrational passion for Vandy football and the mysterious origins of sushi (how can a California roll come from old-time Japan?). *BIG DUMB EYES* is full of heart. It will make readers laugh out loud and nod in recognition, but it probably won't make them think too much. *Nate's family disputes this entire story.

jason statham upcoming movies 2025: *Unbury the Dead* Fiona Hardy, 2025-02-25 Best mates Teddy and Alice are hired hands with flexible moral boundaries. Whatever the mess, they can be relied upon to fix it with no questions asked. But sometimes it's not as simple as cleaning up. Teddy is searching the suburbs for a missing teenager with her occasional sidekick Art, while Alice's mission is to drive one of Australia's richest men along Victoria's east coast to his final resting place before anybody finds out he's dead. But when a surprise revelation sees their cases collide, Teddy and Alice turn the tables on their wealthy employers to shake out the truth. *Unbury the Dead* is a

superbly fresh and pacey high-stakes drama with two irresistible heroines.

jason statham upcoming movies 2025: *A Summer's Tragedy* Author Warren II, 2025-08-12 One summer, Callisto and his family visited the town of Isabela, the place where the legendary Mt. Octover could be found. In a short time, Callisto met and fell in love with a strange girl named Stalin. However, their relationship wasn't easy because Stalin had been cursed by a goddess named Estrella, and she had lost her sanity. During their vacation, Sebastian and Dorothy, Callisto's parents, reminisced their memories from seventeen years earlier, when they were a young couple. But not all those memories were pleasant; some were nightmares they wished to forget forever. Due to amnesia, however, Callisto's father couldn't remember any of it. Callisto had a sister named Ruth, but she wasn't his sister by blood. Ruth was adopted from an orphanage. Unbeknownst to the family, she was actually one of Estrella's minions. Now it's your turn to accompany Callisto in his journey to unravel the mysteries of his parents' past, the curse haunting his beloved Stalin, and the true intention behind Ruth's return.

jason statham upcoming movies 2025: *Man In The Fire* Jon Hill, 2025-04-10 An old adversary. An intimate secret. And a conspiracy that could end the world. Jack's world is burning. A few years have gone by since the events that took place in the Appalachian Mountains, and still Fedyenka remains a ghost. At least until a coordinated assault on their new home sends the Green family on the run. But though Stacey believes the rogue agent to be behind it, Jack isn't so sure. As the entire country hunts them down, and competing factions fight over Joseph, Jack believes they're at the center of something much bigger. Can Jack and Stacey navigate the sociopolitical chessboard quick enough to stop sinister conspirators from killing them all and launching World War III? Buckle up! This action-packed third and final installment of the Jack and Stacey Green thrillers will rocket you into the trilogy's pulse-pounding conclusion!

jason statham upcoming movies 2025: *The Misfits Club* Kieran Crowley, 2018-02-27 Only misfits can solve this mystery! Nothing exciting ever happens in the small town of Newpark where Brian, Hannah, and twins Chris and Sam live. And when they start their summer vacation, they know it's the end of an era. The Misfits Club, a club they started when they were 8 years old, is disbanding and they still haven't managed to solve any real mysteries. But when they persuade new club member Amelia to go and investigate a spooky old house, they unexpectedly discover some stolen goods. Could this be their chance for one last adventure? One thing is for sure though: Newpark is decidedly more exciting now.

jason statham upcoming movies 2025: *The Shadow Murders* Jussi Adler-Olsen, 2025-09-23 INSPIRATION FOR THE NETFLIX SERIES DEPT. Q In the exhilarating penultimate thriller of the New York Times and #1 internationally bestselling Department Q series, the team must hunt for a nefarious criminal who has slipped under the radar for decades. On her sixtieth birthday, a woman takes her own life. When the case lands on Detective Carl Mørck's desk, he can't imagine what this has to do with Department Q, Copenhagen's cold cases division since the cause of death seems apparent. However, his superior, Marcus Jacobsen, is convinced that this is related to an unsolved case that has been plaguing him since 1988. At Marcus's behest, Carl and the Department Q gang—Rose, Assad, and Gordon—reluctantly begin to investigate. And they quickly discover that Marcus is onto something: Every two years for the past three decades, there have been unusual, impeccably timed deaths with connections between them that cannot be ignored, including mysterious piles of salt at the scenes. As the investigation goes deeper, it emerges that these accidents are in fact part of a sinister murder scheme. Faced with their toughest case yet, made only more difficult by COVID-19 restrictions and the challenges of their personal lives, the Department Q team must race to find the culprit before the next murder is committed, as it is becoming increasingly clear that the killer is far from finished.

jason statham upcoming movies 2025: *All the Parts We Exile* Roza Nozari, 2025-02-25 From a queer Muslim woman and artist, a generous, insightful memoir that traces her journey toward radical self-acceptance and of exile from her ancestral home. As the youngest of three daughters, and the only one born in Canada soon after her parents' emigration from Iran, Roza Nozari began

her life hungry for a sense of belonging. From her early years, she shared a passion for Iranian cuisine with her mother and craved stories of their ancestral home. Eventually they visited and she fell in love with its sights and smells, and with the warm embrace of their extended family. Yet Roza sensed something was amiss with her mother's happy, well-rehearsed story of their original departure. As Roza grew older, this longing for home transformed into a desire for inner understanding and liberation. She was lit up by the feminist texts in her women's studies courses, and shared radical ideas with her mother—who in turn shared more of her past, from protesting for the Islamic revolution to her ambivalence about getting married. In this memoir, Roza braids the narrative of her mother's life together with her own on-going story of self, as she arrives at, then rejects, her queer identity, eventually finds belonging in queer spaces and within queer Iranian histories, and learns the truth about her family's move to Canada. *All the Parts We Exile* is a memoir of dualities: mother and daughter, home and away, shame and self-acceptance, conflict and peace, love and pain—and the stories that exist within and between them. In sharp, emotionally honest and funny prose, Roza tenderly explores the grief around the parts we exile and the joy of those we hold close in order to be true to our deepest selves.

jason statham upcoming movies 2025: *Things We Said Today* Neil LaBute, 2025-09-25
Things We Said Today features the scripts for Neil LaBute's groundbreaking Directv project 10x10—a series of short films written and directed by LaBute based on ten compelling original monologues, five each for men and women. Also included are five short plays displaying the power and scope of Neil LaBute's creative vision. In *Pick One*, three white guys come up with a way to solve America's problems; in *The Possible* one young woman seduces another's boyfriend for an unexpected reason. *Call Back* features an actress and actor who spar about a past encounter that she, unnervingly, remembers much better than he does. *Good Luck (In Farsi)*, a pleasingly astringent study in competitiveness and vanity (*The New York Times*) has two actresses pulling out all the stops in a preaudition psych out; and in *Squeeze Play* a father and his son's baseball coach strike a mutually beneficial deal. Rounding out the collection are two monologues commissioned as part of Centerstage's *My America* project.

jason statham upcoming movies 2025: *Mother, Rebel, Misfit, Sleuth* Lisa Nicholas, 2025-06-11
In a world of lies, who will fight for the truth? Second in the *Mila Kiss* series from the author of *Sister, Liar, Suspect, Sleuth*. *Mila Kiss* has faced countless battles, but nothing could have prepared her for the fight ahead. When Jo, a desperate mother, pleads for her help, Mila uncovers a shocking conspiracy targeting vulnerable women. Framed for crimes they didn't commit, these mothers lose everything—their freedom, their futures, and most heartbreakingly, their children. Teaming up with her aristocratic boyfriend, Lord Fabien Knutsworth, Mila follows a trail of deceit leading to the doorsteps of some very dangerous people. As the investigation deepens, Mila unearths a sinister operation where wealth and influence trump principles . . . With time running out and danger closing in, Mila must rely on every ounce of her determination and cunning to unravel the scheme before another family is torn apart. In this gripping second installment of the *Mila Kiss* series, justice hangs by a thread, and one wrong move could cost everything.

jason statham upcoming movies 2025: *A Working Man* Review SMITH. GILBERT, 2025-02-17
A Working Man (2025) - The Ultimate Jason Statham Movie Guide After the explosive success of *The Beekeeper* (2024), Jason Statham is back with *A Working Man*, a high-stakes, action-packed thriller that will leave audiences on the edge of their seats. If you loved the raw intensity, brutal fight sequences, and no-nonsense storytelling of *The Beekeeper*, then get ready—because this movie takes it to the next level. This unofficial movie guide is your ultimate companion to *A Working Man* (2025), delivering everything an action movie lover craves: Behind-the-scenes secrets - How this film came to life, from script to screen. Cast and characters - A deep dive into Jason Statham's role and the powerhouse supporting cast. What to expect - The film's adrenaline-pumping action, gripping story, and intense stunts. How it compares to Statham's past hits - Why *A Working Man* might just be his most relentless role yet. In *A Working Man*, Statham plays a father with one mission: He won't stop until he brings her home. It's the kind of ruthless,

action-driven story that made Taken a classic-and this time, it's packed with Statham's signature grit and power. If you're a die-hard Statham fan or just love action movies that hit hard and never let up, this book is a must-read. Buckle up-because A Working Man is coming for you!
