Understanding the Appeal of Solved True Crime Podcasts

The allure of true crime podcasts, particularly those that culminate in a solved case, is multifaceted. For many listeners, these narratives offer a structured exploration of chaos, providing a sense of order and justice in a world that can often feel unpredictable. The satisfaction derived from a resolved mystery is profound, akin to solving a complex puzzle. These podcasts meticulously dissect the evidence, the alibis, the interrogations, and the eventual breakthroughs that lead to an arrest or conviction. The journey from crime to closure allows listeners to witness the power of persistence, intelligence, and sometimes, sheer luck, in the pursuit of truth.

This genre appeals to a wide audience for several reasons. It taps into our inherent curiosity about human behavior, the darker aspects of society, and the mechanisms of justice. When a case is solved, it validates the efforts of

those who worked tirelessly to achieve that outcome. It provides a narrative arc that is inherently satisfying, offering a clear beginning, middle, and end, which can be a comforting contrast to ongoing mysteries or unsolved cases that leave listeners with a lingering sense of unease.

Key Elements of a Great Solved True Crime Podcast

To be considered among the best true crime podcasts that get solved, a show needs to exhibit several critical qualities. Foremost is thorough research and meticulous attention to detail. The narrative must be built upon verifiable facts, presented in a clear and engaging manner. Excellent storytelling is paramount; the podcast should weave a compelling tale that keeps listeners invested in the investigation's progression. This includes strong character development of both victims and perpetrators, as well as the investigators themselves.

Another crucial element is the presentation of the investigative process. Listeners want to understand how the case was solved, not just that it was. This involves detailing the forensic techniques used, the investigative strategies employed, the twists and turns in the evidence, and the psychological insights that may have played a role. Sound design and production quality also contribute significantly to the immersive experience, making the narrative come alive and enhancing the emotional impact of the story. Finally, a well-executed solved true crime podcast respects the gravity of the subject matter, treating the victims and their families with dignity and sensitivity.

Highly Recommended Best True Crime Podcasts That Get Solved

Several podcasts have distinguished themselves through their exceptional handling of solved true crime cases. These shows not only captivate their audience but also provide comprehensive and satisfying resolutions.

Serial Season 1: A Landmark in Investigative Podcasting

While Serial Season 1 delves into a case with ongoing debate, its detailed examination of the investigation and the questions it raised about the original conviction make it a significant entry in the solved true crime landscape for many. Host Sarah Koenig meticulously dissects the evidence and interviews key figures involved in the original investigation of Adnan Syed's murder. The podcast brought renewed scrutiny to the case, sparking widespread

discussion and contributing to subsequent legal actions. Its impact on the true crime podcast genre cannot be overstated, setting a benchmark for investigative journalism in audio form.

Cold Case Files: In-Depth Examination of Solved Investigations

Based on the popular television series, "Cold Case Files" is a treasure trove for those seeking solved mysteries. Each episode focuses on a single case, often decades old, and meticulously reconstructs the investigation from its cold beginnings to its eventual resolution. The podcast benefits from access to original case files, interviews with detectives and forensic experts, and compelling narrative storytelling. It highlights the evolution of forensic science and investigative techniques that have allowed long-dormant cases to be cracked, offering listeners a profound sense of justice being served, even after years of waiting.

The Teacher's Pet: Unraveling a Decades-Old Disappearance

This highly acclaimed podcast by Hedley Thomas meticulously investigates the unsolved disappearance of Lynette Dawson in 1982. While the initial investigation was fraught with issues, "The Teacher's Pet" played a crucial role in bringing the case back into the public eye and ultimately led to charges being laid against her husband, Chris Dawson. The podcast's detailed reporting, extensive interviews, and relentless pursuit of truth captivated a global audience and demonstrated the power of in-depth investigative journalism to drive significant legal developments and achieve a form of justice for the victim and her family.

Unraveling the Night: Following the Clues to a Killer

This podcast focuses on specific nights where significant crimes occurred, detailing the events leading up to, during, and after the crime, and crucially, how the perpetrators were identified and apprehended. "Unraveling the Night" excels at painting a vivid picture of the circumstances surrounding the crime and then meticulously tracing the investigative steps that led to a resolution. The narrative structure allows listeners to feel like they are part of the detective team, piecing together clues and understanding the logical progression that brought offenders to justice.

Over My Dead Body: A Multi-Season Deep Dive into a Complex Case

While "Over My Dead Body" is known for its intricate storytelling, Season 1, in particular, focuses on the murder of Ashley Reeves and the subsequent investigation. The podcast delves deep into the lives of those involved and the painstaking work of law enforcement to uncover the truth. It showcases how seemingly open-and-shut cases can have hidden complexities and how persistent investigation can ultimately reveal the culprits. The podcast's commitment to detailed reporting and compelling narrative makes it a standout in the genre of solved true crime.

Why Listen to Solved True Crime Stories?

Listening to solved true crime stories offers a unique blend of education, entertainment, and psychological engagement. For many, these narratives provide a vicarious experience of problem-solving and the pursuit of justice. They offer insights into the human psyche, exploring motivations behind criminal behavior and the resilience of victims and their families. The structured nature of a solved case provides a sense of closure, which can be deeply satisfying for listeners who are invested in seeing wrongs righted.

Furthermore, these podcasts can serve as educational tools, shedding light on the workings of the justice system, the advancements in forensic science, and the challenges faced by law enforcement. They can also foster a greater awareness of safety and encourage critical thinking about the world around us. The compelling narratives, coupled with the knowledge that a resolution was found, make these stories particularly addictive and rewarding to follow.

Finding Your Next Solved True Crime Podcast Obsession

The landscape of true crime podcasts is vast and ever-expanding, but focusing your search on shows that consistently deliver solved cases can enhance your listening experience. Look for podcasts that are known for their rigorous research, engaging storytelling, and ethical treatment of their subjects. Podcasts that feature interviews with law enforcement officials, forensic experts, and legal professionals often provide the most authoritative and satisfying accounts of how crimes are solved. Pay attention to listener reviews and podcast award nominations, as these can often point you towards high-quality productions. The satisfaction of reaching the end of an episode or series knowing that justice, in some form, was served is a powerful draw for many true crime enthusiasts, and there are countless excellent examples to discover.

Q: What makes a true crime podcast stand out when focusing on solved cases?

A: A standout true crime podcast that focuses on solved cases typically offers meticulous research, compelling narrative storytelling, and in-depth exploration of the investigative process. It goes beyond simply stating the facts of the crime and its resolution, instead delving into the 'how' and 'why' of the investigation, the forensic techniques used, and the dedication of the individuals involved in bringing about justice.

Q: Are there specific types of solved cases that are more popular in podcasts?

A: While all solved cases can be compelling, those that involve complex investigations, significant breakthroughs in forensic science, or feature dedicated detectives and a long road to justice often resonate strongly with audiences. Cold cases that are eventually solved, and cases with surprising twists or intricate puzzles, tend to be particularly popular.

Q: How do podcasts handle sensitive topics while presenting solved true crime?

A: The best podcasts handle sensitive topics with respect and dignity. They focus on the victims and the pursuit of justice rather than sensationalizing the crimes. This often involves thorough research, ethical interviewing practices, and a commitment to accuracy and fairness, ensuring the narrative serves to inform and honor rather than exploit.

Q: Can listening to solved true crime podcasts be educational?

A: Absolutely. Many solved true crime podcasts offer valuable insights into the justice system, the evolution of forensic science, investigative techniques, and psychology. They can educate listeners about the complexities of criminal investigations and the importance of perseverance in seeking truth and accountability.

Q: Where can I find recommendations for the best true crime podcasts that get solved?

A: You can find recommendations through various online sources, including true crime blogs, reputable podcast review sites, forums dedicated to true crime enthusiasts, and articles like this one that curate lists of the best shows. Word-of-mouth from fellow listeners is also a great way to discover new and compelling podcasts.

Q: Do podcasts that focus on solved cases offer a sense of hope?

A: Yes, many listeners find that podcasts focusing on solved cases offer a sense of hope. They highlight the effectiveness of dedicated investigators, the power of evidence, and the eventual triumph of justice, which can be reassuring and provide a positive outlook on the capacity for truth to prevail.

best true crime podcasts that get solved: The Ripper Inside Us Rebecca Frost, 2024-04-10

The story of Jack the Ripper has had continual interest since he stalked the streets of Whitechapel during the Autumn of Terror in 1888. During this time, the murders of the Canonical Five made headlines all over the world while in the modern day, the Ripper story continues to permeate all forms of media on the page, screen, in podcasts, and in fiction. We continue to search for something we will likely never, and perhaps do not even wish to discover: Jack's true name. This book looks at the lasting intrigue of Jack the Ripper and how his story, and the stories of the Canonical Five victims, are brought back to life through modern lenses. As psychological approaches and scientific techniques advance, the Ripper's narrative evolves, opening a more diverse means of storytelling and storytellers. How these storytellers attempt to construct a full tale around the facts, including the burning questions of motive and identity, says more about us than the Ripper.

best true crime podcasts that get solved: Triangle True Crime Stories Cathy Pickens, 2021 North Carolina's Triangle region is known for universities, research facilities and politics, but even in such a prosperous, diverse, modern environment, crime helps define the edges. These cases cover several decades of murder, fraud and betrayal. Read about the nation's largest prison escape and a couple of North Carolina's poisoners. From a civil rights-era clash of Old South and New and a suspected Cold War spy to new-tech sleuths and tales of diligent as well as discredited investigators, these stories will keep you entertained and aghast at the dark side of daily life. Crime writer Cathy Pickens explores a collection of headline-grabbing tales that shows the sinister side of the Triangle's cities.

best true crime podcasts that get solved: The Devil Shops on Sunday Destiny Ford, Angela Corbett, 2024-06-25 A USA Today Bestselling Series! Journalist and editor of The Branson Tribune, Kate Saxee, has a lot going on. Her mom is in a war with a neighbor, Kate's trying to navigate her love life after a memorable night, and it looks like a serial killer might be on the loose in her small rural community that's getting bigger by the day. Utah's population is booming and new houses are being built even more often than new Mormon/LDS temples. When human remains are found on a piece of Branson Falls property being developed, everyone thinks the bones belong to a lost hiker. But when more human remains are found, it quickly becomes clear that this was no accident. Rumors are swirling that the remains could have been victims of a notorious serial killer, and that attracts the attention of a popular true crime podcast, the Murderoonies, who descend on Branson

Falls to cover the case and help Kate investigate. And they're not just covering the crime, they're also very interested in Kate's love life. Drake is the legal representative for the real estate developers, and Hawke is assisting law enforcement, which means Kate is working closely with them both. Given what happened at the Halloween party, that's about as awkward as hussy Kate in church. Kate's focused on finding out who's responsible for the dead bodies, and she's digging up secrets all over town. Someone wants the information she's uncovering to remain hidden, and they'll do anything to make sure it stays that way...even if it means burying more bodies. A Kate Saxee Mystery Series Reading Order The Devil Drinks Coffee, Book 1 Devilishly Short #1 The Devil Wears Tank Tops, Book 2 The Devil Has Tattoos, Book 3 The Devil Shops on Sunday, Book 4 Devilishly Short #2 (Coming July 2024) The Devil Gets Divorced, Book 5 (Coming Fall 2024)

best true crime podcasts that get solved: Warrior Soul David Barbur, 2023-08-01 Mysterious footprints in the forest. A shot in the dark. A dead man in a forest clearing. Tye Caine tries to help out a neighbor but is sucked into a mystery from the past. At the same time, he tries to find out who has been hiding on his property. Visions of dead people still haunt his dreams, and he doesn't know why. It seems like he's moving close to an answer, but does he really want to know? If you stayed up too late reading Wild Mind, if you couldn't wait to finish Primitive Weapons, if you're the kind of person who looks in the forest and wonders what is in there, check out Warrior Soul today!

best true crime podcasts that get solved: Unbecoming Emma Kelly Byrne, 2024-08-09 Can you ever really escape your family's past? It's the question at the heart of Unbecoming Emma, an enchanting new novel about deeply buried secrets and the unbreakable bonds between mothers, daughters, and the friends who become family. In the charmingly odd small town of Calypso Springs, Emma Rosen's once-quiet life becomes a whirlwind of magical chaos after her father's death. Curious letters and bouquets materialize from nowhere, but most baffling, her father has become their backyard willow tree. When Cassie McCormack, the insufferable mother-tornado Emma never knew, unexpectedly arrives in town very much alive, and harboring an agenda, it's not a heartfelt reunion. Emma shuts her out, but she doesn't stay out for long. Cassie and Bob, Emma's beloved dog, both fall ill with a mysterious sickness and Emma discovers the unexpected connection between them that's brought pain to the McCormack women for generations. Desperate for answers about

how to save them, Emma unravels the mystery of her past, one lie at a time, and suddenly questions everything she thought she knew about her family and herself. With their hourglass running out of sand, they learn the key to their survival lies locked in an enchanted box, its secrets fiercely guarded. Can mother and daughter forgive the sins of the past and find a way to open it before it's too late? Sure to resonate with fans of Alice Hoffman and Sarah Addison Allen, *Unbecoming Emma* is a captivating story infused with humor and heart about second chances and the magical power of forgiveness.

best true crime podcasts that get solved: *Reframing Police Education and Freedom in America* Martin Alan Greenberg, Beth Allen Easterling, 2023-09-15 This book untangles the components of police education and advocates a robust community-based training model with significant civilian oversight. The recommended approach recognizes that the citizenry needs to be included in the provision of basic police education, for it is they who must both support and be served by their police. The police must be role models for society, demonstrating that freedom and rights come with obligations, both to the community as a whole and to individuals in need within that community. Ultimately, the quality of police training and the public's safety depend not only on the leadership of police executives as well as the quality of educational institutions and police candidates but also on the building of a community's trust in its police. The issues of police recruitment, education, and retention have greater consequence in an era when protests and other signs of negativity surround law enforcement. Several incidents, including, most notably, George Floyd's murder by police, have sparked new training initiatives regarding police de-escalation and community engagement. At the same time, the proliferation of gun violence and a contentious political climate have led some officers to refrain from undertaking proactive types of policing. In this context, reform of the police education system is urgent. This book examines police training at all levels of government—local, regional, state, and federal. In addition, citizen participation programs, including the role of the media and programs for furthering law-related education (LRE), are highlighted. The proposed police education model recognizes that ordinary members of the American public need to contribute to the provision of basic police education, for it is they who must both support and be served by their police. The focus is on teaching a guardian style of policing at the local level. Police education would combine higher education, necessary practical proficiencies, and intensive field experiences through a gradual level of greater responsibility—likely extending over a 2-plus-year period for trainees with less than a year of previous college credits. This book will be of interest to a wide range of audiences such as law enforcement professionals and trainers, including those in executive development programs in police departments; community leaders, scholars, and policy experts who specialize in policing; concerned citizens; and students of criminal justice, especially those interested in police organization and management, criminal justice policy, and the historical development of police.

best true crime podcasts that get solved: *When Evil Came to Good Hart, 10th Anniversary Edition* Mardi Link, 2018-04-18 In this page-turning true-life whodunit, author Mardi Link looks into the cold-case files of the murders of a wealthy Detroit-area family in their northern Michigan cabin in 1968, detailing and reviewing all the evidence to date. She crafts her book around police and court documents and historical and present-day statements and interviews, in addition to exploring the impact of the case on the community of Good Hart and the stigma that surrounds the popular summer getaway. Adding to both the sense of tragic history and the suspense, Link laces her tale with fascinating bits of local and Indian lore, while dozens of colorful characters enter and leave the story, spicing the narrative. During the years of investigation of the murders, officials considered hundreds of tips and leads as well as dozens of sources, among them former secretaries who worked for murder victim Dick Robison; Robison's business associates; John Norman Collins, perpetrator of the Co-Ed Murders that took place in Washtenaw County between 1967 and 1969; and an inmate in federal prison in Leavenworth, Kansas, who said he knew who killed the Robison family. Despite the exhaustive investigative efforts of numerous individuals, decades later the case lies tantalizingly out of reach as an unsolved cold case. This edition, published at the 50th anniversary of the murder,

includes a new Afterword by Mardi Link. In it, Link discusses information that's come to light since the book's original publication and reflects on how the Robison murders might have been handled differently today.

best true crime podcasts that get solved: *European Radio Documentary* Tereza Reková, 2024-05-16 This book studies the history and significance of radio documentaries in Europe, and the institutions that are specialized on this genre. Focused on the 50-year history of the International Feature Conference (an annual gathering of radio documentarians from around the world), the book discusses the Prix Europa, Prix Italia, the Third Coast International Audio Festival, and the HearSay Audio Arts Festival. The book tells the story of people who chose sound as their lifestyle and who spread their passion worldwide.

best true crime podcasts that get solved: *A Wasp in the Woods* Geri Krotow, 2023-08-29 Retired Navy Pilot Angel Warren's sleuthing days are behind her. At least, that's what she tells herself after finding two dead bodies during her first year back in Stonebridge, Pennsylvania. Murders make customers wary and Angel's sales are suffering. With her daughters back in college and the cases behind her, Angel focuses on attracting more customers into her novelty shop. Hoping to boost local tourism, Angel researches how to create a walking history tour. During a dry run for her inaugural walk, her brother's Pomeranian leads her through the woods and to her third body, the apparent victim of multiple stings from a nearby wasp nest. Angel recognizes the deceased as her sister's cherished employee who was days away from being married. The scene doesn't sit right with Angel's best friend, Detective Trinity Colson, however, who suspects foul play. When the autopsy reveals a different cause of death, Angel dives into her most dangerous case yet. Soon Angel, along with her eclectic crew featuring two dogs and a feisty parrot, are once again on the hunt for a murderer. But is Angel also being hunted?

best true crime podcasts that get solved: *Girl Forgotten* April Henry, 2023-03-28 □ An Edgar Award Winner □ Piper Gray starts a true-crime podcast investigating a seventeen-year-old cold case in this thrilling YA murder mystery by New York Times bestselling author April Henry. Seventeen years ago, Layla Trello was murdered and her killer was never found. Enter true-crime fan Piper Gray who is determined to reopen Layla's case and get some answers. With the help of Jonas—who has a secret of his own—Piper starts a podcast investigating Layla's murder. But as she digs deeper into the mysteries of the past, Piper begins receiving anonymous threats telling her to back off the investigation, or else. The killer is still out there, and Piper must uncover their identity before they silence her forever.

best true crime podcasts that get solved: *First Love* Lilly Dancyger, 2024-05-07 A "vivid, thoughtful and nuanced collection of essays" (Associated Press) that treats women's friendships as the love stories they truly are, from the critically acclaimed author of *Negative Space* "A tender, unswerving homage to her found family, but also an insightful study of friendship as identity-crafting." —Elle Lilly Dancyger always thought of her closest friendships as great loves, complex and profound as any romance. When her beloved cousin was murdered just as both girls were entering adulthood, Dancyger's devotion to the women in her life took on a new urgency—a desire to hold her friends close while she still could. In *First Love*, this urgency runs through a striking exploration of the bonds between women, from the intensity of adolescent best friendship and fluid sexuality to mothering and chosen family. Each essay in this incisive collection is grounded in a close female friendship in Dancyger's life, reaching outward to dissect cultural assumptions about identity and desire, and the many ways women create space for each other in a world that wants us small. Seamlessly weaving personal experience with literature and pop culture—ranging from fairy tales to true crime, from Anaïs Nin and Sylvia Plath to *Heavenly Creatures* and the "sad girls" of Tumblr—Dancyger's essays form a kaleidoscopic story of a life told through friendships, and an expansive interrogation of what it means to love each other. Though friendship will never be enough to keep us safe from the dangers of the world, Dancyger reminds us that love is always worth the risk, and that when tragedy strikes, it's our friends who will help us survive. In *First Love*, these essential bonds get their due.

best true crime podcasts that get solved: *Dearest Daughter* Denver Wheeler, 2024-11-13
Tree Park is a small town where nothing much happens. Nothing much except for the women who have gone missing, one after another, year after year. Bodies are found but justice has not been served. When Claire's roommate, April, goes missing, Claire does not hesitate to do what needs to be done. Drawing on knowledge learned by watching true crime documentaries, she steps in to help April's family and the police. And Detective Heather Byrd has an even more personal reason for wanting to solve this: she believes her sister, Autumn, long thought to have died from suicide, was actually a victim of the same killer. As the hunt for April intensifies, the body count piles up. But the person who holds April prisoner has one reason for doing so... April has become the next woman to be the Dearest Daughter, a role that many have played but nobody has escaped.

best true crime podcasts that get solved: *Digging Deeper* Amanda Stevens, 2023-07-25
She's been buried alive. Now it's a race against time to save her. When former FBI analyst Thora Graham wakes buried in a makeshift coffin, she has only her training to keep her calm—and her faith that deputy chief Will Dresden is on the case. But who would have trapped Thora? Did her work putting a serial killer behind bars make her a target? And can the man she once loved—and left—find her before time runs out? From Harlequin Intrigue: Seek thrills. Solve crimes. Justice served. Discover more action-packed stories in the series. All books are stand-alone with uplifting endings but were published in the following order:

best true crime podcasts that get solved: *Buried Secrets Collection* Debra Webb, Amanda Stevens, Carol Ericson, 2024-05-27
Unearth buried secrets in this collection of three full-length romantic thrillers! *THE BONE ROOM* by USA Today bestselling author Debra Webb When human remains are found in a freezer on her organic farm, Naomi Honea can't explain it. She needs the forensic expertise of FBI agent Casey Duncan to solve the grisly murder. But as more evidence piles up, the investigation takes a shockingly personal—and alarming—turn. The killer is closing in on Naomi...and Casey is becoming dangerously irresistible. *DIGGING DEEPER* by Amanda Stevens When former FBI analyst Thora Graham wakes buried in a makeshift coffin, she has only her training to keep her calm—and her faith that deputy chief Will Dresden is on the case. But who would have trapped Thora? Did her work putting a serial killer behind bars make her a target? And can the man she once loved—and left—find her before time runs out? *UNRAVELING JANE DOE* by Carol Ericson Someone is willing to go to deadly lengths to silence a Jane Doe before she remembers her name, identity and everything else locked inside her mind. best true crime podcasts that get solved: *The Night Swim* Megan Goldin, 2020-08-04
“A blistering plot and crisp writing make *The Night Swim* an unputdownable read.” –Sarah Pekkanen, bestselling author of *The Wife Between Us*
In *The Night Swim*, a new thriller from Megan Goldin, author of the “gripping and unforgettable” (Harlan Coben) *The Escape Room*, a true crime podcast host covering a controversial trial finds herself drawn deep into a small town's dark past and a brutal crime that took place there years before. Ever since her true-crime podcast became an overnight sensation and set an innocent man free, Rachel Krall has become a household name—and the last hope for people seeking justice. But she's used to being recognized for her voice, not her face. Which makes it all the more unsettling when she finds a note on her car windshield, addressed to her, begging for help. The new season of Rachel's podcast has brought her to a small town being torn apart by a devastating rape trial. A local golden boy, a swimmer destined for Olympic greatness, has been accused of raping the beloved granddaughter of the police chief. Under pressure to make Season 3 a success, Rachel throws herself into her investigation—but the mysterious letters keep coming. Someone is following her, and she won't stop until Rachel finds out what happened to her sister twenty-five years ago. Officially, Jenny Stills tragically drowned, but the letters insist she was murdered—and when Rachel starts asking questions, nobody in town wants to answer. The past and present start to collide as Rachel uncovers startling connections between the two cases—and a

revelation that will change the course of the trial and the lives of everyone involved. Electrifying and propulsive, *The Night Swim* asks: What is the price of a reputation? Can a small town ever right the wrongs of its past? And what really happened to Jenny?

best true crime podcasts that get solved: Solving Murder Mystery Michael J Ibarra, 2024-07-31 These days, true crime can be found everywhere. It is practically present in the air we inhale, from podcasts to movies, television shows, conventions, and other media. We're all just living in the world of true crime. But why do we have such a strong desire for these stories? Why are we willing to devote hours of our lives to them, regardless of whether they are presented on paper or screen? These tales hold our attention like none other when it comes to literary true crime. There are real-life stories that make suspense novels appear tame and predictable for every one that awes and shocks readers. The genre of true crime is diverse: The best authors provide context and depth to the crimes they examine rather than sensationalizing violence or human suffering. Numerous of them draw attention to the flaws of the legal system and the destructive forces of ingrained racism and misogyny. We are reminded in these excellent books that true crime doesn't just consist of a well-written story about a criminal mastermind, heroic detectives, and ideal victims. Crime and life are so much more complicated than that. We've compiled a list of our favourites, which cover a wide range of crimes and their societal roots and repercussions.

best true crime podcasts that get solved: True Crime Crime Pad Journals, 2020-01-22 True Crime Fans and Online Sleuths are people who are fascinated with the ins and outs of all kinds of different cases. They listen to podcasts, watch documentaries, and leave the t.v. set on the true crime channel 24/7. best true crime podcasts that get solved: Bizarre True Crime Volume 7 Ben Oakley, 2022-02-09 20 Bizarre True Crime Stories to Weaken Those Knees! Like a FOMO database for true crime podcasts! Ugly Tuna Saloon and The Smiley Face Killers - In one of the most baffling missing person's cases of all time, a man is seen on a security feed entering a bar but never leaving, in a rabbit-hole of a case leading to an unusual serial killer theory. The Great Canadian Maple Syrup Heist - Over the course of several months, a team of thieves stole \$19million worth of Maple Syrup. Here's how they pulled off the most valuable heist in Canadian history. The Vampire Clan Murders - A group of teens obsessed with vampirism formed a cult called the Vampire Clan. Led by a disturbed man believing himself to be a 500-year-old vampire, they ended up committing cold-blooded murder. The Slender Man - Believing an online story of a faceless man who stalks children to be real, two 12-year-old girls lured their friend to the middle of a forest and stabbed her as a sacrifice to the Slender Man. The Body Brokers - A centre where human bodies were donated for science, was discovered to be a human chop-shop where body parts were sold for profit across the United States, all run by a man named Gore. Little Slaughterhouse on the Prairie - The first family of serial killers ran a guesthouse to snare their victims with a secret trap door, until one day they vanished, leaving behind a tale of folklore, conspiracies, and macabre discoveries. Ghost Ship: The True Story of the Mary Celeste - 150 years after the Mary Celeste was found floating in the Atlantic with its crew mysteriously vanished, time seems to have forgotten the real true crime surrounding the ship and its later voyages. Pet Cemetery Murders - A bizarre murder saga involving a pet cemetery owner, a conman, a convicted witness, ghostly hauntings, and a cold case solved thirty years after the fact. Chute to Kill - A professional skydiver died on impact after her parachute failed to open, leading to a mysterious love triangle, an opportunity at revenge, and a search for the truth. Cannibal Island of

Death - Thousands of Russians were deported to Nazino island in the wilds of Siberia to cultivate the land, but it went wrong, very wrong, as cannibal gangs ate the weakest to fend off starvation. + TEN MORE varied true crime stories including murder, robbery, serial killers, disappearances, and mysteries! Perfect for late night reading or a quick tale at lunchtime. ^^^SCROLL UP TO GET YOUR COPY NOW!^^^ Follow Ben Oakley on Amazon to be informed of new releases.

best true crime podcasts that get solved: *True Crime Glass of Wine in Bed* by Nine Crime Pad Journals, 2020-01-26 True Crime Fans and Online Sleuths are people who are fascinated with the ins and outs of all kinds of different cases. They listen to podcasts, watch documentaries, and leave the t.v. set on the true crime channel 24/7. You can often find them joining social media groups to discuss those cases, going in great depth and sharing information, maybe even helping solve cases that have gone cold. Murder, Missing Persons, and the Mysterious are the ingredients found in some of the most popular and infamous true crime cases since the dawn of man. THE PURPOSE OF THIS GUIDED TRUE CRIME LOG BOOK is for fans of the genre to put the pieces of these cases together in an interesting and cohesive manner. It is a great resource for podcast hosts and listeners alike, to jot down case information as they are researching or listening. Makes a great gift for the casual true crime fan, online sleuths, and journalists who want to quickly grab and share information as they read and learn about the cases they follow.
