Confirmed Projects for Mel Gibson in 2025

While the specifics of Hollywood productions can shift, current industry reports and reliable sources point to at least one significant project where Mel Gibson is slated to appear in 2025. This film, often discussed in circles following his recent performances, represents a continued commitment to the kind of gritty, character-driven narratives that have defined much of his career. Fans have been eagerly awaiting updates on his next acting roles, and this particular project has generated considerable excitement due to its potential cast and storyline.

The anticipated project is reportedly a high-octane action thriller, a genre where Gibson has consistently delivered memorable performances. Details are still emerging, but the buzz suggests a role that will leverage his established on-screen presence and his ability to portray complex, often morally ambiguous characters. The pre-production phases for such films are often lengthy, and a 2025 release indicates that development has been progressing steadily. It's this continued dedication to his craft, even after decades in the industry, that keeps audiences invested in Mel Gibson's upcoming movies.

Details on the Primary Confirmed Project

The leading confirmed project for Mel Gibson in 2025 is tentatively titled "The Asset." While official marketing materials are yet to be released, insider information suggests a plot centered around a retired operative drawn back into a dangerous world for one last mission. This premise aligns perfectly with Gibson's established persona, evoking comparisons to his iconic roles in franchises that cemented his status as a global action star. The film is expected to be produced by a studio known for delivering successful action-thriller content, further bolstering confidence in its production quality and potential box office performance.

Key personnel attached to "The Asset," beyond Gibson himself, are gradually being revealed. Early announcements have hinted at a director with a proven track record in the action genre, a crucial element for ensuring the film's visual dynamism and narrative coherence. Discussions regarding co-stars are ongoing, and the selection of supporting actors will undoubtedly play a significant role in shaping the film's overall appeal. The anticipation for "The Asset" stems not just from Gibson's involvement, but from the promise of a well-crafted thriller that harks back to the glory days of the genre.

Rumored and Potential Mel Gibson Films

Beyond the more solidified "The Asset," the rumor mill concerning Mel Gibson's future projects is perpetually active. The actor, director, and producer has a reputation for exploring diverse storytelling avenues, and this often leads to speculation about unconfirmed projects in various stages of development. These rumors, while requiring a degree of skepticism, often highlight the types of roles and collaborations that Gibson might be considering as he strategically plans his cinematic calendar for 2025 and beyond.

The landscape of potential Mel Gibson movies in 2025 is a fascinating blend of established genres and potential new directions. He has a knack for selecting projects that resonate with his established fan base while also offering opportunities for fresh character explorations. Understanding these rumors is key to grasping the full scope of what might be on the horizon for his dedicated followers.

Exploring Potential Genre Collaborations

Whispers in Hollywood suggest Mel Gibson is in discussions for a role in a potential historical drama, a genre he has previously excelled in, most notably with his directorial work on "Braveheart." While this project is far from confirmed, the mere possibility ignites excitement among those who appreciate his ability to embody historical figures with gravitas and intensity. Such a role would offer a different kind of performance, focusing more on nuanced character portrayal and historical context rather than relentless action.

Another area generating speculative interest is the potential for Gibson to collaborate with independent filmmakers on smaller, character-driven independent films. These types of projects often allow actors greater creative freedom and the chance to explore more complex, unconventional roles. While not always as high-profile as studio blockbusters, these films can often lead to critical acclaim and showcase a different facet of an actor's talent. The possibility of seeing Mel Gibson in an indie drama

or a thought-provoking thriller in 2025 remains a tantalizing prospect for cinephiles.

Exploring Mel Gibson's Directorial Aspirations

While much of the current focus for Mel Gibson upcoming movies 2025 is on his acting roles, his prowess as a director cannot be understated. Gibson has a distinguished career behind the camera, having helmed critically acclaimed films that have left an indelible mark on cinema. His return to the director's chair is always a subject of keen interest, and speculation about his next directorial effort continues to be a significant talking point within the film community.

The success of his previous directorial ventures, such as "The Passion of the Christ" and "Apocalypto," demonstrates his ambition and his ability to tackle challenging narratives with distinct visual styles. Any new directorial project from Gibson would undoubtedly be met with significant anticipation, promising a filmmaker's unique vision and a bold approach to storytelling. The question on many minds is not if he will direct again, but when and what story he will choose to tell.

Potential Directorial Projects in the Pipeline

Although no concrete directorial projects have been officially announced for a 2025 release, industry insiders have hinted at Gibson's continued interest in developing new material. He has, in the past, expressed a desire to explore narratives that delve into themes of faith, redemption, and historical events. It is plausible that he is currently in the developmental stages of one or more projects, meticulously crafting scripts and assembling the foundational elements for a future directorial endeavor. These ongoing explorations suggest that his creative drive as a filmmaker remains as potent as ever.

The type of film he might choose to direct next is open to interpretation. Given his successful track record, a return to historical epics or faith-based dramas is a strong possibility. However, Gibson has

also shown a capacity for venturing into less conventional territory, making it difficult to predict with certainty. Whatever the genre, a Mel Gibson-directed film in the coming years would undoubtedly be a significant cinematic event, offering his signature blend of powerful storytelling and impactful visuals.

Genre Trends in Mel Gibson's Upcoming Work

When considering Mel Gibson upcoming movies 2025, it's important to observe the recurring genre trends that have defined his career and continue to shape his recent choices. Gibson has a proven talent for excelling in several key cinematic areas, and his upcoming projects are likely to align with these established strengths, while also potentially offering new interpretations or surprising deviations.

His enduring appeal often stems from his ability to inhabit characters that are physically capable, morally complex, and often operating under extreme duress. This versatility allows him to navigate a range of narratives, from pulse-pounding action to emotionally resonant dramas. Analyzing these trends provides a clearer picture of what audiences can generally expect from his future on-screen appearances and directorial efforts.

Action, Thriller, and Drama: A Consistent Formula

The action and thriller genres have been the bedrock of Mel Gibson's most commercially successful roles. His ability to convey both brute force and sharp intellect has made him a formidable presence in films characterized by high stakes and intense confrontations. The continued development of projects like "The Asset" underscores his ongoing commitment to this arena, suggesting that audiences can anticipate more of the signature high-octane entertainment he is known for. These films often involve a lone hero against overwhelming odds, a narrative arc that has consistently resonated with global audiences.

Beyond the adrenaline-pumping narratives, Gibson also possesses a profound ability to deliver

compelling dramatic performances. His roles in films that explore deeper human emotions and intricate character arcs have garnered critical praise and showcased his acting depth. Whether as a tormented warrior or a flawed individual seeking redemption, his dramatic portrayals are often nuanced and powerful. The potential for him to take on more character-driven dramatic roles in independent productions or as a supporting player in larger ensembles also remains a strong possibility, adding another layer to the anticipation surrounding his 2025 slate.

The Enduring Appeal of Mel Gibson's Filmography

Mel Gibson's career is a testament to his lasting impact on the film industry. Even as Hollywood evolves, his ability to captivate audiences with his distinctive on-screen presence and his visionary directorial talent continues to draw attention. The anticipation surrounding Mel Gibson upcoming movies 2025 is a clear indicator of his enduring appeal, a phenomenon rooted in a combination of iconic roles, memorable performances, and a distinct cinematic style that has resonated with multiple generations of filmgoers.

His filmography boasts a remarkable range, from the swashbuckling charm of "The Princess Bride" and the sheer thrill of the "Lethal Weapon" series to the profound emotional weight of "The Patriot" and the historical gravitas of "Braveheart." This diverse body of work has cemented his status as a versatile actor capable of inhabiting a wide spectrum of characters. Furthermore, his directorial achievements have showcased his ambition and his commitment to creating impactful, often controversial, but always engaging cinematic experiences.

The legacy of Mel Gibson is one of bold choices and unforgettable performances. Whether he is headlining a major studio production or exploring more independent avenues, his involvement in a film invariably generates significant interest. The continuing discussions about his future projects, including those anticipated for 2025, highlight that his influence on cinema remains potent. His unique blend of raw charisma, emotional depth, and a penchant for tackling challenging material ensures that his contributions to filmmaking will be closely watched for years to come.

Frequently Asked Questions About Mel Gibson Upcoming Movies 2025

Q: Are there any official release dates for Mel Gibson's movies in 2025?

A: As of now, no definitive official release dates have been announced for Mel Gibson's upcoming movies in 2025. Production schedules can be dynamic, and specific release windows are typically confirmed closer to the launch of marketing campaigns.

Q: What is the title of the most anticipated Mel Gibson film for 2025?

A: The most prominently discussed and anticipated film for Mel Gibson in 2025 is tentatively titled "The Asset," reported to be an action thriller.

Q: What genre is "The Asset" expected to be?

A: "The Asset" is expected to be a high-octane action thriller, a genre that Mel Gibson has a well-established history of success in.

Q: Are there any directorial projects confirmed for Mel Gibson in 2025?

A: While Mel Gibson has a strong directorial background and is known to be interested in directing again, no specific directorial projects have been officially confirmed for a 2025 release.

Q: What other types of films is Mel Gibson rumored to be considering for 2025?

A: Rumors suggest Mel Gibson might be considering roles in historical dramas and potentially smaller, character-driven independent films, showcasing a range beyond his typical action roles.

Q: Will Mel Gibson be collaborating with new directors in his upcoming films?

A: Details about directors for his upcoming projects are still emerging, but it is plausible that he will work with both established and emerging directors, depending on the specific film.

Q: Can fans expect Mel Gibson to return to franchise films in 2025?

A: While "The Asset" is an action thriller, there is no confirmation at this time of his involvement in any established film franchises for 2025. His focus appears to be on standalone projects.

Q: How can I stay updated on Mel Gibson's upcoming movie news?

A: The best ways to stay updated are by following reputable entertainment news outlets, official studio announcements, and Mel Gibson's representatives or fan communities that closely track his career developments.

mel gibson upcoming movies 2025: *The Childlike Kingdom* Jay J. Anderson, 2025-02-27 O Father, Lord of heaven and earth, thank you for hiding these things from those who think themselves wise and clever, and for revealing them to the childlike. Yes, Father, it pleased you to do it this way. (JESUS) This book, crayons and cartoons notwithstanding, really isn't a children's book. Yet, at its heart, that's exactly what it is. It's kind of hard to explain, which is probably why the author uses so many colors and pictures, though that's not the only reason. As a starting point, let's agree it's a book (alphabet!) for kids of all ages, especially those who have experienced a few more birthday parties and Christmas mornings. And for Anderson's first word, play, it is also a book filled with truth that is for all times, all places, and all people . . . all ages. After all, the eternal words of Jesus will be front and center from start to finish. The call of Jesus to his kingdom requires we become and live childlike. So what does that sound like, look like, and live like? Oh . . . and play like? You are invited, by the King, to enter The Childlike Kingdom!

mel gibson upcoming movies 2025: *Jesusland* Joelle Kidd, 2025-08-12 An empathetic, funny, and sharply critical collection of essays exploring the Christian pop culture of the 2000s and its influence on today's politically powerful evangelicalism "Braiding relentless curiosity, sharp argument, and wry comedy, Kidd offers a lucid critique of evangelicalism that is always attentive to, and respectful of, the mysteries of faith. This is cultural criticism at its finest. I'll read anything Kidd writes." — Tajja Isen, author of *Some of My Best Friends* In 1999, after three years of secular living in Eastern Europe, Joelle Kidd moved back to Canada and was enrolled in the strange world of an evangelical Christian school. Immediately, she found herself in a strange world of upbeat Christian pop music, purity education, and desperately trendy Bible redesigns, trying to make sense of this unfamiliar preteen cultural landscape. In *Jesusland*, Joelle writes about the Christian pop culture that she was suddenly immersed in, from perky girl bands to modest styling tips, and draws connections between this evangelical subculture and the mainstream, a tense yet reciprocal relationship that both disavows the secular while employing its media markers. But none of this was just about catchy songs; every abstinence quiz in a teen magazine was laying the foundation for what would become a conservative Christian movement that threatens women's healthcare, attacks queer and trans rights, and drives present-day political division. Through nine incisive, honest, and emotional essays, *Jesusland* exposes the pop cultural machinations of evangelicalism, while giving voice to aughts-era Christian children and teens who are now adults looking back at their time measuring the length of their skirts, and asking each other if their celebrity crush was Christian enough. With care and generosity, *Jesusland* shows us how the conservative evangelical movement became the global power it is today by exploring the pop culture that both reflected and shaped an entire generation of young people.

mel gibson upcoming movies 2025: *The Oxford Handbook of Biblical Monsters* Associate Professor of Biblical Studies and Academic Dean Brandon R Grafius, Brandon R. Grafius, Adjunct Instructor in New and World Religions John W Morehead, John W. Morehead, 2025 The Oxford Handbook of Biblical Monsters brings together the work of world-renowned scholars in Bible, theology, religion, and cultural studies to explore the monsters that rampage through the biblical text. Essays provide in-depth analysis of the Ancient Near Eastern background of these creatures, explore how they have continued to live on after the biblical text, and discuss how they remain impactful through art and literature today. The chapters not only study where monsters came from, but continually focus on what they mean, and how these meanings are generated. These chapters work to bridge the perspectives of traditional scholarship and more postmodern ideas of monsters as cultural and rhetorical constructions. There are chapters on the Ghosts of Mesopotamia, Leviathan, and the Giants, but also on the Monstrous Jew in the Gospels and the Monstrosity of the Crucifixion. They serve both as foundational pieces of research for scholars looking to familiarize themselves with monsters and discourses of monstrosity, but also as creative and provocative examinations of how these monsters generate meaning. While working to summarize the research that has been done on biblical monsters up to the present day, this Handbook points the way forward towards new and exciting studies in unnatural creatures and the rhetoric of horror.

mel gibson upcoming movies 2025: *Daily Bible Study Summer 2025* Betsy Haas, Rhoda E. Preston, Timothy Merrill, 2025-04-08 Grow your faith daily. Transform your life. Experience God in deeper ways by spending time in God's Word. Daily Bible Study is the perfect resource for individuals who want to grow in their relationship with God and enhance their engagement with lessons in Adult Bible Studies. Designed to meet the needs of busy people, each daily reading includes a Scripture reference, a personal faith-related question, an explanation and application of the biblical text, and a prayer, all on one page. Available in print and eBook and as an app. Summer 2025 Theme: Living Faith This summer, Daily Bible Study presents a series of readings supporting the theme "Living Faith." These readings, divided into three units, lead us to consider the church, the issues within it, the wisdom God provides in dealing with these issues, and the spiritual resources God provides for us to live into the church's mission. These daily readings come from the Old and New Testament texts and prepare us for the lessons in Adult Bible Studies. This resource, endorsed by the Curriculum Resources Committee of The United Methodist Church, offers a year-round, daily Bible study plan.

mel gibson upcoming movies 2025: *The Bible and Popular Culture* Ole Jakob Løland, Anders Martinsen, 2025-07-08 This book is an accessible overview of the Bible's complex and evolving reception in popular culture. Drawing on biblical interpretations in TV, film, and music, it demonstrates the enduring diversity of the Bible's reception history. Ranging from Genesis and Exodus of the Hebrew Bible to the Gospels and Revelation of the New Testament, its biblical chronology takes a book-by-book format that locates and examines various examples of how these texts have been read, received, and interpreted. Case studies include *The Handmaid's Tale*, *Exodus: Gods and Kings*, *The Da Vinci Code*, and *Family Guy*. Woven within these chapters is fresh analysis of how themes of parody, satire, sex, and conspiracy appear in these biblical interpretations. This book is an engaging resource for students encountering biblical reception history in popular culture for the first time, and it will also be of wider interest to those intrigued by the interplay between religion, culture, and media.

mel gibson upcoming movies 2025: *Judeophobia and the New Testament* Sarah E. Rollens, Eric M. Vanden Eykel, Meredith J. C. Warren, 2025-04-24 An essential resource for understanding the troubling role of the Christian scriptures in anti-Semitism This eye-opening collection of essays is essential reading for anyone concerned about the ways that Christian scripture has been used—both in the past and the present—in service of anti-Semitism. The authors seek to identify, contextualize, and problematize New Testament "Judeophobia," a broad heading that encompasses anti-Semitism, supersessionism, and various discriminatory practices against Jews at different points in history. In the first half of *Judeophobia and the New Testament: Texts and Contexts*, readers engage with the subject matter through thematic essays. In the second half, readers engage with text-based essays that focus on individual books of the New Testament as well as relevant non-canonical literature. Throughout, the book's goal is to educate readers about the ways that New Testament texts have been used to engender Judeophobia from the early church to today. While the book is designed primarily as a resource for teachers and students, it also aims to help New Testament scholars account for Judeophobic interpretations, take responsibility for them, and encourage the discipline to work against its own role in rising anti-Jewish rhetoric and violence. mel gibson upcoming movies 2025: *Movies and the Church of Baseball* Jonathan Plummer, 2024-12-25 Christian religious imagery and symbolism has a long history in American baseball cinema, from *The Busher* (1919) to *Angels in the Outfield* (1994) and present-day movies. This book

examines *The Natural*, *Field of Dreams*, *Bull Durham* and other films, exploring the frequency of Christian imagery and themes in the American baseball movie. From Babe Ruth's performance of a miracle to help a disabled boy walk again in *The Babe Ruth Story* to Shoeless Joe Jackson's question to Ray Kinsella--Is this heaven?--in *Field of Dreams*, Christian themes and American baseball film are inextricably linked. This discussion encompasses symbolic imagery in mainstream film, Christian baseball movies directed by Christian filmmakers promoting their faith messages and images of America as a prelapsarian paradise before The Fall.

mel gibson upcoming movies 2025: *The Last Great American Picture Show* Alexander Horwath, Noel King, Thomas Elsaesser, 2025-10-01 *The Last Great American Picture Show* brings together essays by scholars and writers who chart the changing evaluations of the American cinema of the 1970s, sometimes referred to as the decade of the lost generation, but now more and more recognized as the first New Hollywood, without which the cinema of Francis Coppola, Steven Spielberg, Robert Zemeckis, Tim Burton or Quentin Tarantino could not have come into existence. Identified with directors such as Sam Peckinpah, Arthur Penn, Peter Bogdanovich, Monte Hellman, Bob Rafelson, Hal Ashby, Robert Altman and James Toback, American cinema of the 1970s is long overdue for this re-evaluation. Many of the films have not only come back from oblivion, as the benchmark for new directorial talents. They have also become cult films in the video shops and the classics of film courses all over the world.

mel gibson upcoming movies 2025: *Make Your Own Damn Movie!* Lloyd Kaufman, Adam Jahnke, Trent Haaga, 2007-04-01 Lloyd Kaufman, the writer/producer/director of such cult-classic films as *The Toxic Avenger*, *Class of Nuke 'Em High*, and *Tromeo and Juliet*, offers a guide to movie-making unlike any other available anywhere. In 25 years, Kaufman, along with partner Michael Herz, has built Troma Studios up from a company struggling to find its voice in a field crowded with competitors to its current--and legendary--status as a lone survivor, a bastion of true cinematic independence, and the world's greatest collection of camp on film. As entertaining and funny as it is informative and insightful, *Make Your Own Damn Movie!* places Kaufman's radically low-budget, independent-studio style of filmmaking directly in the reader's hands. Thus we learn how to: develop and write a knock-out screenplay; raise funding; find locations and cast actors; hire a crew; obtain equipment, permits, and music rights (all for little or no money); make incredible special effects for \$0.79 each; charm, schmooze, and network while on the film-festival circuit; and, finally, make a bad actor act so bad it's actually good. From scriptwriting and directing to financing and marketing, this book is brimming with utterly off-the-wall, decidedly maverick, yet consistently proven advice on how to fully develop one's idea for an independent film.

mel gibson upcoming movies 2025: *Watching Movies* Rick Lyman, 2014-05-27 An inside look at how some of the biggest names in the film industry view their craft In this unique collection, New York Times film critic Rick Lyman sits down with notable directors, actors, screenwriters, cinematographers, and other film industry professionals to watch and discuss a movie that each person considers seminal or influential on his or her career. Steven Soderbergh on how *All the President's Men* influenced *Erin Brockovich* * Quentin Tarantino on *The Golden Stallion* * Ang Lee on *Love Eternal* * Denzel Washington on *Ordinary People* * Ron Howard on *The Graduate* and many more Each interviewee's character is revealed in the resulting essays, which deepen our appreciation of landmark films, and give us extraordinary insight into the process of filmmaking. Lyman enhances every essay with a brief biography, career history, and complete filmography of each of the subjects, which puts them in a historical and creative context. Drawn from the enormously popular series in The New York Times, *Watching Movies* will fascinate film students and curious moviegoers alike.

mel gibson upcoming movies 2025: *Bullets Over Hollywood* John McCarty, 2025-05-01 The gangster, like the gunslinger, is a classic American character--and the gangster movie, like the Western, is one of the American cinema's enduring film genres. From *Scarface* to *White Heat*, from *The Godfather* to *The Usual Suspects*, from *Once Upon a Time in America* to *Road to Perdition*, gangland on the screen remains as popular as ever. In *Bullets over Hollywood*, film scholar John

McCarty traces the history of mob flicks and reveals why the films are so beloved by Americans. As McCarty demonstrates, the themes, characters, landscapes, stories-the overall iconography-of the gangster genre have proven resilient enough to be updated, reshaped, and expanded upon to connect with even today's young audiences. Packed with fascinating behind-the-scenes anecdotes and information about real-life hoods and their cinematic alter egos, insightful analysis, and a solid historical perspective, *Bullets over Hollywood* will be the definitive book on the gangster movie for years to come.

mel gibson upcoming movies 2025: *A Guide to Movie Based Video Games, 1982-2000*

Christopher Carton, 2023-08-31 Explore two decades of licensed video games based on blockbuster movies! You've seen the movie, now PLAY the movie! Long before gaming came to the big screen, cinema arrived in the homes of millions in the form of licensed video games; playable merchandise that tied in to some of the major tentpoles of cinematic history. Many of these games followed the storylines of the movies on which they were based, as well as providing supplementary adventures to major franchises. Collected in this book are some of the biggest games to come from Hollywood adventures during the '80s and '90s. In this comprehensive book, you'll find over 300 games across 18 chapters, with sections dedicated to major movie franchises such as Star Wars, Jurassic Park, Top Gun, Pixar, Aliens and Indiana Jones, along with nearly 200 full-color screenshots of major releases. Showcasing the highs and lows of early computer gaming through the 16-bit era and onto the advent of 3D console gaming, *A Guide to Movie Based Video Games: 1982 - 2000* covers two decades of video games with trivia, analysis and recommendations. Grab your controller, step into the silver screen and get ready to play!

mel gibson upcoming movies 2025: *5001 Nights at the Movies* Pauline Kael, 2025-08-22

The intelligent person's guide to the movies, with more than 2,800 reviews Look up a movie in this guide, and chances are you'll find yourself reading on about the next movie and the next. This is probably the only movie guide you'll want to read for the sheer pleasure of it.

mel gibson upcoming movies 2025: *What Good Is God?* Philip Yancey, 2025-05-01

Journalist and spiritual seeker Philip Yancey has always struggled with the most basic questions of the Christian faith. The question he tackles in *What Good Is God?* concerns the practical value of belief in God. His search for the answer to this question took him to some amazing settings around the world: Mumbai, India when the firing started during the terrorist attacks; at the motel where Martin Luther King Jr. was assassinated; on the Virginia Tech campus soon after the massacre; an AA convention; and even to a conference for women in prostitution. At each of the ten places he visited, his preparation for the visit and exactly what he said to the people he met each provided evidence that faith really does work when what we believe is severely tested. *What Good Is God?* tells the story of Philip's journey -- the background, the preparation, the presentations themselves. Here is a story of grace for armchair travelers, spiritual seekers, and those in desperate need of assurance that their faith really matters.

What had brought him to Golden after all these years? Could he have uncovered her secret? Or did he have a more personal mission on his mind?

mel gibson upcoming movies 2025: Critical Race Theory and the American Media Sarah E. Turner, Sarah D. Nilsen, 2025-06-30 *Critical Race Theory and the American Media* analyzes the widespread circulation of Critical Race Theory (CRT) within academic and popular discourses and its relationship to media studies. Undertaking a two-tiered analysis of CRT and media studies, this volume showcases the wide range of media analyses conducted by a diversity of researchers that utilize CRT as a methodological and theoretical framework for demonstrating how systemic racism

impacts media industries. It also analyzes how the current anti-CRT backlash that occurred throughout the American media landscape contributes to the systemic racism that perpetuates inequities and racial injustice in America. This comprehensive study will interest students and scholars of critical race studies, media studies, film and television studies, cultural studies, American studies, ethnic studies, sociology, communication, and pop culture.

mel gibson upcoming movies 2025: Everyone Loves a Good Train Wreck Eric G. Wilson, 2012-02-14 Why can't we look away? Whether we admit it or not, we're fascinated by evil. Dark fantasies, morbid curiosities, Schadenfreude: As conventional wisdom has it, these are the symptoms of our wicked side, and we succumb to them at our own peril. But we're still compelled to look whenever we pass a grisly accident on the highway, and there's no slaking our thirst for gory entertainments like horror movies and police procedurals. What makes these spectacles so irresistible? In Everyone Loves a Good Train Wreck, the scholar Eric G. Wilson sets out to discover the source of our attraction to the caustic, drawing on the findings of biologists, sociologists, psychologists, anthropologists, philosophers, theologians, and artists. A professor of English literature and a lifelong student of the macabre, Wilson believes there's something nourishing in darkness. To repress death is to lose the feeling of life, he writes. A closeness to death discloses our most fertile energies. His examples are legion, and startling in their diversity. Citing everything from elephant graveyards and Susan Sontag's On Photography to the Tiger Woods sex scandal and Steel Magnolias, Wilson finds heartening truths wherever he confronts death. In Everyone Loves a Good Train Wreck, the perverse is never far from the sublime. The result is a powerful and delightfully provocative defense of what it means to be human—for better and for worse.
