Understanding the Appeal of Part-Time Remote Work

The shift towards remote work has significantly democratized employment, making part-time remote roles more accessible and desirable than ever before. Individuals are drawn to these positions for a multitude of reasons, primarily centered around flexibility and autonomy. The ability to set one's own schedule, or at least have a significant degree of control over working hours, is a major draw, allowing for better management of personal commitments, family responsibilities, or educational pursuits. This flexibility can drastically improve work-life balance, reducing stress and burnout associated with traditional full-time employment.

Beyond personal benefits, part-time remote jobs offer a strategic advantage for those looking to supplement their income without the demands of a second full-time job. This can be crucial for individuals saving for a major purchase, paying off debt, or simply wanting more disposable income. Furthermore, for students or those in career transition, these roles provide valuable experience and networking opportunities without the all-consuming nature of full-time employment. The remote aspect eliminates commute times and costs, further enhancing the attractiveness and practicality of these roles.

Top Part-Time Remote Jobs Across Industries

The landscape of part-time remote employment is vast and varied, with opportunities existing in nearly every sector imaginable. Identifying the "best" often depends on individual skills, interests, and desired earning potential. However, certain roles consistently rank high in demand and offer good compensation for part-time hours.

Customer Service and Support Roles

Customer service representatives are consistently in demand for remote, part-time positions. These roles typically involve handling customer inquiries via phone, email, or live chat. Strong communication skills, patience, and problem-solving abilities are paramount. Many companies offer flexible shifts, making them ideal for individuals seeking part-time work that can fit around other commitments. The training provided is often comprehensive, meaning that even those without direct experience can often qualify.

Virtual Assistant Services

Virtual assistants (VAs) provide administrative, technical, or creative assistance to clients remotely. Tasks can range from scheduling appointments and managing emails to social media management and basic bookkeeping. The versatility of this role allows individuals to specialize in areas where they have expertise. As a part-time VA, you can set your own rates and choose clients that align with your availability and interests, making it a highly adaptable career choice.

Content Creation and Writing

The digital world thrives on content, creating a constant need for skilled writers, editors, and content creators. Part-time remote writers can find work crafting blog posts, website copy, marketing materials, and even creative fiction. Freelance writing platforms and direct outreach to businesses are common avenues for securing these opportunities. A strong portfolio and excellent writing skills are essential for success in this field.

Digital Marketing and Social Media Management

Businesses of all sizes require a strong online presence, leading to a high demand for part-time remote roles in digital marketing and social media management. This can include tasks such as creating social media content, running ad campaigns, analyzing website traffic, and developing SEO strategies. Individuals with a knack for creativity, analytics, and understanding consumer behavior can thrive in these positions.

Online Tutoring and Teaching

For those with expertise in specific academic subjects or professional skills, online tutoring and teaching offer rewarding part-time remote opportunities. Platforms connect educators with students worldwide for one-on-one or group sessions. Subjects can range from K-12 academics and language learning to specialized professional development. A bachelor's degree or relevant certification is often required, but the flexibility in scheduling is a significant advantage.

Web Development and Design

Skilled web developers and designers are always in demand. Part-time remote roles in this area can involve creating new websites, updating existing ones, or developing specific features. Freelance

opportunities are plentiful for those who can showcase a strong portfolio of past projects. Proficiency in various programming languages and design software is typically a prerequisite.

Data Entry and Transcription

These roles often require minimal specialized skills, making them accessible to a broader range of individuals seeking part-time remote work. Data entry involves inputting information into databases or spreadsheets, while transcription involves converting audio or video recordings into written text. Accuracy and attention to detail are key. While the pay per hour might be lower compared to other roles, the accessibility and flexibility make them a popular choice.

Bookkeeping and Accounting

Small businesses and individual entrepreneurs often outsource their bookkeeping and accounting tasks. Part-time remote bookkeepers can manage financial records, process invoices, and prepare financial statements. A strong understanding of accounting principles and proficiency with accounting software are essential. This role offers stability and can be a good fit for those with a background in finance.

Graphic Design and Illustration

Creative professionals can find ample part-time remote work in graphic design and illustration. This can include creating logos, marketing collateral, website graphics, or custom illustrations for various projects. Freelance platforms and direct client engagement are common methods for securing work. A strong portfolio demonstrating artistic talent and technical proficiency is crucial.

Transcription and Translation Services

For individuals fluent in multiple languages, translation services offer excellent part-time remote opportunities. This involves converting written or spoken content from one language to another. Transcription, as mentioned earlier, involves converting audio to text. Both roles demand high levels of accuracy and attention to detail, and often require specific language proficiency certifications or a proven track record.

Essential Skills for Part-Time Remote Success

While the specific skills required vary greatly depending on the job, several core competencies are fundamental to succeeding in any part-time remote role. These skills not only help you secure a position but also enable you to perform at a high level and maintain client satisfaction.

Self-Discipline and Time Management

Working remotely, especially part-time, demands a high degree of self-discipline. Without direct supervision, you are responsible for managing your time effectively, staying on task, and meeting deadlines. Developing strong time management techniques, such as using calendars, to-do lists, and productivity apps, is crucial for maintaining productivity and avoiding procrastination. This also includes the ability to create a dedicated workspace to minimize distractions.

Strong Communication Skills

Remote work relies heavily on clear and concise communication. Whether it's through email, instant messaging, or video calls, you need to be able to articulate your thoughts, ask clarifying questions, and provide updates effectively. This is especially important when collaborating with team members or interacting with clients who are not physically present. Active listening is also a key component of strong communication in a remote setting.

Tech Savviness and Adaptability

Part-time remote jobs often require proficiency with various software and online tools. This can range from basic office suites and communication platforms to specialized industry software. Being comfortable learning new technologies quickly and adapting to different digital environments is a significant asset. Reliable internet access and a functional computer are non-negotiable prerequisites for most remote roles.

Problem-Solving and Critical Thinking

When working independently, you will inevitably encounter challenges. The ability to analyze problems, identify solutions, and think critically is essential for overcoming obstacles without constant guidance. This often involves researching information, consulting resources, and making sound decisions independently.

Organizational Skills

Keeping track of multiple projects, deadlines, and client communications can become chaotic without strong organizational skills. This applies to both digital and physical organization. Maintaining well-organized digital files, managing your calendar effectively, and keeping clear records of your work are vital for efficiency and professionalism.

Where to Find the Best Part-Time Remote Jobs

Identifying and securing the best part-time remote jobs requires a strategic approach to your job search. Knowing where to look can significantly streamline the process and connect you with legitimate opportunities.

Online Job Boards Specializing in Remote Work

Numerous job boards are dedicated to remote positions, offering curated listings that save you from sifting through irrelevant opportunities. Popular platforms include:

- Remote.co
- FlexJobs
- We Work Remotely
- JustRemote
- VirtualVocations

These sites often allow you to filter by part-time, industry, and specific skill sets, making your search more efficient.

General Job Boards with Remote Filters

Major general job boards have also expanded their remote work sections, making it easier to find flexible opportunities. Ensure you utilize their filtering options to specify "remote" and "part-time." Prominent examples include:

- LinkedIn
- Indeed
- Glassdoor
- Monster

Freelance Platforms

For those seeking project-based or freelance part-time remote work, several platforms connect professionals with clients. These are excellent for roles like writing, design, web development, and virtual assistance.

- Upwork
- Fiverr
- Toptal
- Freelancer.com

Company Career Pages

Many companies, especially those that are remote-first or have a strong remote workforce, list their part-time remote openings directly on their careers pages. If you have specific companies in mind that you admire or whose mission aligns with your values, checking their websites directly can yield great results.

Networking

Leveraging your professional network can be an incredibly effective way to discover part-time remote job opportunities. Inform your contacts that you are seeking flexible work, and they may be aware of openings or be able to make introductions. Attending virtual industry events and engaging in online professional communities can also lead to valuable connections and potential job leads.

Maximizing Your Part-Time Remote Career

Once you've secured a part-time remote job, there are several strategies to ensure you maximize your success and satisfaction. This involves not only performing your duties diligently but also focusing on your professional growth and well-being.

Continuously seeking opportunities for skill development is crucial. Even in a part-time role, investing in learning new software, techniques, or industry trends can make you more valuable and open doors to future opportunities. Many online courses and certifications are available that can be completed at your own pace, fitting perfectly with a flexible schedule. Furthermore, proactively seeking feedback from your manager or clients can help you identify areas for improvement and demonstrate your commitment to excellence. Building a strong professional reputation through reliable work and effective communication is paramount for long-term career sustainability in the remote work environment.

what are the best part time remote jobs: *Great Pajama Jobs* Kerry E. Hannon, 2020-07-27 Find out how to secure and thrive in a work-from-home or remote-access job. Get out of your work clothes and into pajamas for good! Did you fall in love with working from home during the months of coronavirus restrictions? Is working in your pajamas appealing? Do you want to earn some income on the side? In 2020, the workplace has been transformed and working from home has exploded. It may, in fact, be the new reality of working for many of us, some full-time, some as a hybrid work scenario. With some information and expert guidance, you can transform your workday, take control of your time, and explore exciting new opportunities. *Great Pajama Jobs: Your Complete Guide to Working from Home* is your playbook. Until recently, you may have gone to an office that was uninspiring or chaotic, or spent a large part of your busy day responding to emails and working on computer-tasks that could easily be accomplished from home. You may have spent hours commuting each day. Then too, you may be a military spouse in search of an ideal remote job to take with you to a new base, or you may need to manage your personal health issues or caregiving duties. Or you may simply want to inch a little closer to a more favorable work-life balance. The truth is you may need the autonomy and flexibility of working remotely for a myriad of reasons. *Great Pajama Jobs* is your ultimate guide to finding a job where you can work remotely and advance your career while working in pajamas (or certainly something more comfortable than traditional work garb). Learn the nuts and bolts of how to land a remote-access job you love that will allow you to thrive in your career

or bring in extra income in retirement Discover up-to-date resources for finding a solid work from home job for professionals Read insightful interviews with professionals who have already made the move successfully Learn more about leading companies recognized for providing remote employment opportunities Explore great remote jobs in a variety of fields There's something here for everyone, a job-hunter's smorgasbord. No, this is not the master list of every job under the sun, but you'll discover plenty of ideas to spur your imagination about how you can make the most of your talents to create work that, well, works for you. Each job description follows this format: the nitty-gritty, pay range, and qualifications needed, with a smattering of job-hunting tips tossed in. In "Kerry's Great Pajama Jobs Workshop," you'll reap the benefits of professional advice and strategies with information to help you land that work-from-home job, including a resume revamp, the best online job boards for home-based positions, tips on time management and organizing a productive home office, tax advice, and help with saving for retirement when you're on your own. Working from home is here, and it's real. This year's work-from-home mandates for many workers around the world, due to the coronavirus, has pushed many employers to embrace and trust remote work. Technology has already boosted the phenomenal growth of home-based employment in recent years and continues to do so. Remote jobs are popular for a good reason. They save you commute time and allow you to focus on completing your work productively and successfully, and they typically provide employers significant cost savings as well. You have the flexibility to choose career opportunities that do not require you to commit long hours inside an office environment. Experience all that a more flexible position can offer when you look to the guidance found in this remote employment roadmap. If you land home office work, comfortable work clothing or even PJs may be your wardrobe of the future. Great Pajama Jobs will help you get on track to finding the best remote job for you.

what are the best part time remote jobs: Second-Act Careers Nancy Collamer, 2013-01-08 A career guide that rethinks the golden years, this handbook offers 50+ income models for creating flexible, fulfilling, and profitable work during the encore stage of one's career. RETHINK YOUR RETIREMENT For many people, retirement is no longer a trifecta of golf, grandkids, and gardening—it's an opportunity for new pursuits that involve both earning income and exploring personal passions. If you're planning for retirement or already at "retirement age" but want to continue working—whether to supplement your income or to stay mentally and physically active—veteran career coach Nancy Collamer shows how to identify your favorite interests and expertise and repackage them into more than fifty ways to earn income. These second acts range from the traditional (part-time employment, consulting) to newer Internet-based options (teaching

online, writing a blog). With a prescriptive approach to securing second-act careers that are flexible, fulfilling, and fun, this book offers a wide variety of income-generating examples as well as exercises to clarify your lifestyle goals and help you plan for your next move. Second-Act Careers shows how to create a profitable and meaningful semi-retirement on your own terms and in your own way.

what are the best part time remote jobs: *Digital Marketing* Klaus Solberg Söilen, 2024-12-02 This textbook balances the theory of digital marketing with the practical skills for prospective marketers in professional organizations, both public and private. It begins with an introduction to the digital landscape following the structure of market segmentation, B2C, B2B applications, as a starting point, of digital marketing. It then takes the readers through the customer journey, use of social media, and the rising importance of video-based communication. Given this background, students will learn the organization, technical skills and project management needed for digital marketing, including online public relations, communications, and internet branding. An extensive summary of strategies necessary to work with digital marketing in a longer perspective is also provided.

what are the best part time remote jobs: *Empowering Everyone's Storms Of Inflation In Life: Make In Shrinkation* Glenn Colson, 2024-09-15 In general, the author Glenn Colson who has an outlook on life and theory. Ultimately, to survive in the world, we need stability. A key element is employment and housing. Maintaining a strong adversary to comply with inflation is challenging. Globally millions or even more trillions of us being human beings. Despite the differences in our nationalities, cultures, politics, disagreements, agreements, and struggle for peace. We all have a common relationship with the basic physical structure regardless being a female and male. All of us were born with a body with arms; legs; head; eyes; ears; nose; mouth; and lips. The lips allow us to function by uttering words. Some of us may not be able to express verbally like others and may remain in silence. Remember in this book your lips represent the metaphor "Living In Peace". *Empowering Everyone's Storms Of Inflation In Life: Make In Shrinkation* I shall unfold methods to unlock doors and open windows using resources in areas that are durable. Of course, you can never expect information to fall on your lap. Encouraging that you take the necessary actions and steps to research accurately to successfully process your business. Meaning be abreast with laws that may change and check your government offices or local township. Calibrating to be introduced to the who I am Glenn Colson. Really as known as a giving; kind; and revolving around positive productivity. Represents some of you who is transparent; opened minded learning challenges; a voice for those who maintain silence due to fear. As a certified New York Driving Defense Instructor and New Jersey Driving Defense Instructor since August 2016. In addition, certified New York Driving Instructor since August 2011; New Jersey Real Estate Sales Associate since January 1989; and New York Referral Sales Agent. Overall, as I climb the ladder of success I enjoy giving back.

what are the best part time remote jobs: *Remote Work, Internal Marketing and Human Resource Management* Teena Mishra, 2024-12-02 Remote working is a developing idea that many organizations are embracing, especially in light of COVID-19 and the rise in demand for remote and hybrid roles. As there is no standard model to use for implementation, a number of problems and difficulties develop as popularity increases and hybrid working environments become normalized. This book presents the views, opinions, and reality of remote work and creating an appropriate internal marketing culture in a remote environment. The key topics explored are the significance of remote work, remote work practice, reshaping the work environment, designing remote work, models of remote work, challenges of remote work facing business organizations, remote work management, innovations and technology, the role of motivation and satisfaction in organizational development, employee empowerment in a remote setting, transparency and commitment for sustainable development, and the future of remote work. This research volume will be of value to researchers, academicians, practitioners, and students in the fields of human resource management, organizational studies, and innovation management.

what are the best part time remote jobs: *Ambition Redefined* Kathryn Sollmann, 2018-10-09 This is the playbook for how to get flexibility in your career. - Molly Beck, author, Reach

Out and founder of MessyBun.com Critical advice for women when the traditional office job doesn't fit family life. - Meredith Bodgas, Editor-in-Chief, Working Mother magazine Sollmann advocates that we 'lean in' to what she aptly labels one's own personal measure of success, rather than a monolithic vision of the ideal career.-- Whitney Johnson, critically-acclaimed author, Build an A Team and Disrupt Yourself, Thinkers50 Management Thinkers Ambition Redefined is a timely alternative to current women's business books that define professional ambition and success as climbing the corporate ladder. In fact, this is not a path that all women want or should feel pressured to follow. Sollmann's focus is on the more critical and widespread workplace issue for everyday women -- to always work in a way that fits their lives alongside their two major caregiving roles: for children and aging parents. Sollmann debunks common assumptions such as: IT'S NOT WORTH IT UNLESS THE SALARY IS HIGH. Women forfeit up to 4X their salaries every year out of the workforce to care for children and/or elderly parents--and it does not take a six-figure salary to achieve long-term financial security. FINDING FLEXIBLE WORK IS IMPOSSIBLE. Sollmann shines a bright light on the ever-widening world of flexwork--where women can find many interesting and exciting ways to tuck all generations of their families into a future that is financially secure and safe. The book includes realistic, practical tools for preparing for and finding flexible work within a current job or a new opportunity. IT WON'T HAPPEN TO ME. Divorce, death of a spouse, or unexpected financial support for aging parents are some of the life you never knows that all women could experience. Divorce, death of a spouse, caring for aging parents or adult children are some of the life you never knows that all women could experience. Sollmann encourages women to anticipate and buffer life surprises and she shows the profound impact of continual earning, saving, and investing toward a long and comfortable retirement. WORK ENDS AT AGE 65. Women who leave the workforce and want to return in their forties, fifties or sixties will be in good company as the ranks of older workers rise. Over the next two decades, adults age 50 and over will have greater rates of workforce participation into their sixth and seventh decades. Eye-opening and practical, the book shows that when we redefine ambition, we acknowledge that challenging, lucrative work can be found in many flexible ways that favor personal satisfaction over public applause.

what are the best part time remote jobs: The Nomad's Guide to Remote Work Emmanuel Noah, The Nomad's Guide to Remote Work: Thrive Anywhere in the World is your essential companion for navigating the exciting and transformative lifestyle of digital nomadism. what are the best part time remote jobs: Equality Within Our Lifetimes Jody Heymann, Aleta Sprague, Amy Raub, 2023-02-28 The book proceeds in three sections. In section one, we examine how the laws in every country address discrimination in the workplace-not only on the basis of sex and gender, but also based on pregnancy, family status, race/ethnicity, religion, disability, migration status, sexual orientation, socioeconomic status, and gender identity. Section 2 explores why achieving gender equality in the economy will be impossible without addressing both paid and unpaid caregiving. Lastly, in section three, we assess what it takes to make change happen. Section three examines approaches that would make a difference within months as well as approaches that would be transformational long-term--

what are the best part time remote jobs: Field & Stream , 2002-06 FIELD & STREAM, America's largest outdoor sports magazine, celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations.

Support Driven The Internet has opened up many freelance opportunities, expanded available markets, and has contributed to service sector growth in many economies. Offshore outsourcing, online outsourcing and crowdsourcing are heavily reliant on the Internet to provide economical access to remote workers, and frequently leverage technology to manage workflow to and from the employer. Much computer freelance work is being outsourced to developing countries outside the United States and Europe. Freelance marketplaces provide a marketplace for freelancers and buyers. Service providers or sellers create a profile where they include a description of the services they offer, examples of their work, and, in some cases, information about their rates. Buyers register

and complete a basic profile, and then post projects outlining their requirements. Buyers will then bid for these projects on a fixed price or hourly basis.[29] Many of these websites have user review sections that affect the reputation of freelancers who list there, and which may be manipulated. Freelance marketplaces have globalized competition for some jobs, allowing workers in high- and low-income countries to compete with one another. According to a 2016 study by the McKinsey Global Institute, 15% of independent workers used online marketplaces to find work. These marketplaces, including Fiverr and Lyft, have been criticized as exploiting workers. what are the best part time remote jobs: Creating Personal Digital Presence Atharva R. Chandkar, Suraj Pangarkar, 2021-09-15 This book focuses on three major topics, i.e., defining the term personal digital presence, defining the various elements/tools that can be used to leverage personal digital presence, and furthermore framing an ideal strategy for people working in various fields. Many people think the word digital presence is specifically meant for businesses, and a relatively small number of individuals are aware of the importance of personal digital presence. This book helps individuals to frame out his/her strategy to leverage personal digital presence, build a good personality and indeed stand ahead of the competition in many spheres of life.

what are the best part time remote jobs: A Place on Earth United States. Bureau of Agricultural Economics, 1942

what are the best part time remote jobs: Advanced Methodologies and Technologies in Business Operations and Management Khosrow-Pour, D.B.A., Mehdi, 2018-09-14 Businesses consistently work on new projects, products, and workflows to remain competitive and successful in the modern business environment. To remain zealous, businesses must employ the most effective methods and tools in human resources, project management, and overall business plan execution as competitors work to succeed as well. Advanced Methodologies and Technologies in Business Operations and Management provides emerging research on business tools such as employee engagement, payout policies, and financial investing to promote operational success. While highlighting the challenges facing modern organizations, readers will learn how corporate social responsibility and utilizing artificial intelligence improve a company's culture and management. This book is an ideal resource for executives and managers, researchers, accountants, and financial investors seeking current research on business operations and management.

what are the best part time remote jobs: Field & Stream , 2002-06 FIELD & STREAM, America's largest outdoor sports magazine, celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations.

what are the best part time remote jobs: You Are What You Risk Michele Wucker, 2021-04-06 The #1 international bestselling author of The Gray Rhino offers a bold new framework for understanding and re-shaping our relationship with risk and uncertainty to live more productive and successful lives. What drives a sixty-four-year-old woman to hurl herself over Niagara Falls in a barrel? Why do we often create bigger risks than the risks we try to avoid? Why are corporate boards newly worried about risky personal behavior by CEOs? Why are some nations quicker than others to recognize and manage risks like pandemics, technological change, and climate crisis? The

answers define each person, organization, and society as distinctively as a fingerprint. Understanding the often-surprising origins of these risk fingerprints can open your eyes, inspire new habits, catalyze innovation and creativity, improve teamwork, and provide a beacon in a world that seems suddenly more uncertain than ever. How you see risk and what you do about it depend on your personality and experiences. How you make these cost-benefit calculations depend on your culture, your values, the people in the room, and even unexpected things like what you've eaten recently, the temperature, the music playing, or the fragrance in the air. Being alert to these often-unconscious influences will help you to seize opportunity and avoid danger. *You Are What You Risk* is a clarion call for an entirely new conversation about our relationship with risk and uncertainty. In this ground-breaking, accessible and eminently timely book, Michele Wucker examines why it's so important to understand your risk fingerprint and how to make your risk relationship work better in business, life, and the world. Drawing on compelling risk stories around the world and weaving in economics, anthropology, sociology, and psychology research, Wucker bridges the divide between professional and lay risk conversations. She challenges stereotypes about risk attitudes, re-frames how gender and risk are related, and shines new light on generational differences. She shows how the new science of "risk personality" is re-shaping business and finance, how healthy risk ecosystems support economies and societies, and why embracing risk empathy can resolve conflicts. Wucker shares insights, practical tools, and proven strategies that will help you to understand what makes you who you are -and, in turn, to make better choices, both big and small.

what are the best part time remote jobs: Mystery Shopper 101 HowExpert, Penny Hodgins, 2020-03-19 Mystery shopping is a unique industry that allows management to get an inside look at various aspects of their businesses ● Mystery shops can evaluate customer service, store appearance, availability and placement of promotional signage, and so much more! ● Traditional mystery shops are covert and in-person, but non-traditional shops, such as revealed and remote shops, are becoming more popular ● Video and mobile shops are competing for the fastest growing segment of the mystery shopping industry ● Mystery shopping is extremely flexible, allowing you to only apply for shops that fit into your schedule ● Confidentiality and maintaining anonymity are pillars of mystery shopping ● Shop aggregators like Jobslinger and MS Job Board make searching for available shops in your location so easy! ● Other great ways to find available shops are through mystery shopping forums and social media ● There are literally hundreds of mystery shopping companies out there, so registering with all of them can be a bit tedious, but this book gives some tips that will make the process less cumbersome ● Submitting great reports is essential for a successful mystery shopper, and this book shows you exactly how to do so! ● Mystery shoppers own their own businesses, so researching laws in your city, county, and state about starting a business is crucial ● Business taxes for mystery shopping can be complicated, but this book offers some basic advice on what is required and how to track income and expenses About the Expert Mystery shopping since the early 2000's, Penny Hodgins has seen and adapted to many changes in the mystery shopping industry. What began as a teenager's side hustle to earn some extra cash and free meals has evolved into a passion for helping businesses treat their customers and employees with the respect they deserve by providing honest observations and factual reports. Brooks has shopped professionally in various industries including retail, financial, entertainment, real estate, food service, and more...and has truly enjoyed the experience gained from each and every shop! Hodgins lives on the East US Coast with her husband, two children, and grandmother. She graduated with a Bachelor's in Human Services in 2010 and has worked full-time in the mental health and education fields. She plans to retire to the beach as soon as possible! HowExpert publishes quick 'how to' guides on all topics from A to Z by everyday experts.
